Has this applicant volunteered for Marion County: Mariah is a current member of the IDDAC. Her current term expires 12-31-2026.

The reason I am applying:
To help give direction and support based on employment data and personal experience with supporting someone who has and intellectual/developmental disability in our community.

More about my personal and professional interests:
I work in the field of supporting employment first for the intellectual and developmentally disabled community and I was to be a part of advising the progress and change in this filed in our community.

Tell us more about your community involvement:
Marion and Polk employment first, collaboration with ODDS, and being present and in person in the county DD offices as well as the brokerages.

Previous board service at Marion County:
Yes, I am currently appointed to the IDDAC.

Qualifications and Skills:
Effective leader in the field of Rehabilitation Counseling with 15 plus years of experience in caseload management, training, collaboration, job development, and counseling, who specializes in supports and services for the intellectual and developmentally disabled population. Committed to creating pathways to collaboration and understanding, and support for staff and community partners in Oregon Vocational Rehabilitation (VR) and the Office of Developmental Disabilities Services (ODDS).

More about yourself and why you are applying:
25 years of personal experience supporting someone who experiences intellectual and developmental disabilities. Through the school process, transition process, and now into adulthood. I would like nothing more than to use my experience advising and collaborating on community change and advancement.

I would like to be considered for the Family / Community Representative position on
(lay or representative designation)

the _____
(name of committee, board, council, task force or commission)

The reason I am applying for this appointment is

I am applying because I want to contribute the perspective of families navigating intellectual and developmental disability services and help strengthen inclusion, communication, accessibility, and practical supports in Marion County. As a parent and advocate, I have firsthand experience coordinating with schools, developmental disability services, health providers, therapists, and community programs. I hope to help ensure that families, including Spanish-speaking families, are heard and meaningfully included in decisions that affect them.

The personal and professional interests that prompted me to apply for this appointment are

My interests include disability advocacy, family engagement, transition to adulthood, independence, communication access, inclusive community participation, and better coordination among families, schools, health care, and developmental disability services. I am especially interested in reducing language and information barriers so families can understand available resources, participate in planning, and make informed choices.

Have you served on any other Marion County board, commission, committee, council, or task force? (If yes, please list)

1. _____ 2. _____

Please list qualifications and skills you have which you believe would be valuable if you are appointed to this position (include relevant skills, activities, training, and education)

I bring lived experience as a mother and family advocate, particularly in advocating for my own child's needs and services. I regularly collaborate with schools, service coordinators, therapists, health providers, and community organizations. I have experience with IEP and transition planning, developmental disability services, communication supports, family-centered advocacy, and helping families understand systems and resources. I am organized, persistent, respectful, collaborative, and committed to person-centered decision-making.

What community or school activities, committees or special activities have you participated in?

I participate in community efforts related to intellectual/developmental disabilities and mental health, including family engagement and Spanish-language outreach. I have helped facilitate community conversations, participated in trainings and parent events, and supported a network of mothers and families seeking information and resources. I also stay actively involved in school, therapy, and developmental disability planning for youth and families.
