The personal and professional interests that prompted me to apply for this appointment are:

As soon-to-be-retired head of the agency's recreational grants division, I hope to bring some expertise to the county park program and their efforts in obtaining grant funding. I recognize the fiscal difficulties facing local and county governments and want to assist in finding additional funding sources for the acquisition, rehab, and development of the county's parks.

Have you served on any other Marion County board, commission, committee, council, or task force?
(If yes, please list)
