Repair Replace New Multi-year-phased Carryover from Prior Year

Funding Source: GF Non-GF Source If 'Non-GF': Net Working Capital Grant

Project Description:

The project will involve the purchase and installation of replacement furniture, technology and security equipment for several Adult mental health programs to move into their new location at 2045 Silverton Rd. Most furniture will remain in its current location; programs are coming into Silverton Rd. from four different locations, introducing a high level of complexity to the move.

Project Scope:

Purchases will be coordinated with County Facilities and County IT. This will require some minor work from Facilities and IT staff. This would include setting up and configuring technology and security equipment. The remaining work will be done by contractors to install the new furniture and surplus previous furniture.

Alternatives:

Alternatives would involve inadequate utilization of the Silverton Rd space that has been leased. This project allows the Department to better align services for the adult population we serve.

Benefits:

This project will allow for ideal workflow and efficient use of space that will increase safety and security for our staff and individuals we serve. The project will also provide a benefit to clients who would only have to go to one building to receive services from multiple programs.

Risks:

Other Information (Include grant source and requirements if any portion is grant funded)

This expenditure was submitted with the draft FY 18-19 budget. The budget estimate at that time was \$698,204. More current estimates have been received and the proposed CIP reflects slight increases that will be reflected in the first supplemental budget for FY 18-19.

MARION COUNTY TERMS AND CONDITIONS

1. INSPECTIONS: County may inspect and test the Goods and related Services (collectively, Goods). County may reject non-conforming Goods and require Contractor to correct them without charge or deliver them at a reduced price, as negotiated. If Contractor does not cure any defects within a reasonable time, County may reject the Goods and cancel the PO in whole or in part. This paragraph does not affect or limit County's rights, including its rights under the Uniform Commercial Code, ORS chapter 72 (UCC).

2. DELIVERY: Deliveries will be F.O.B destination. Contractor shall pay all transportation and handling charges. Contractor is responsible and liable for loss or damage until final inspection and acceptance of the Goods. Contractor remains liable for latent defects, fraud, and warranties.

3. PAYMENT: County shall pay Contractor within 30 days from (i) the date the Goods are delivered and accepted or (ii) the date the invoice is received, whichever is later

4. COUNTY PAYMENT OF CONTRACTOR CLAIMS: If Contractor does not pay promptly any claim that is due for Goods or Services furnished to the Contractor by any subcontractor in connection with this PO, the County may pay such claim and charge that payment against any payment due to the Contractor under this PO. The County's payment of a claim does not relieve the Contractor or its surety, if any, from their obligations for any unpaid claims.

5. WARRANTIES: Contractor agrees to perform its services with that highest standard of care, skill and diligence normally provided by a professional individual in the performance of similar services. Contractor represents and warrants that the Goods are new, current, and fully warranted by the manufacturer. Delivered Goods will comply with specifications and be free from defects in labor, material and manufacture. All UCC implied and expressed warranties are incorporated in this PO. Contractor shall transfer all warranties to the County.

6. TERMINATION OF PO: The PO may be terminated under the following conditions: a. By written mutual agreement of both parties. Termination under this provision may be immediate. b. Upon fifteen (15) calendar days written notice by either Party to the other of intent to terminate. c. The County may terminate all or part of this PO for the following reasons: (1) If the consultant fails to provide services, or fails to meet the performance standards as specified in this PO (or subsequent modifications of this PO), within the time specified herein or any extension thereof. Termination under this provision may be immediate; (2) If the consultant fails to start services on the date specified by Marion County in this PO or subsequent modifications to this contract. Termination under this provision may be immediate. (3) Failure of the consultant or Marion County to comply with the provisions of this PO and all applicable federal, state, and local laws and rules may be cause for termination of this contract. Such termination shall be without prejudice to any obligations or liabilities of either party accrued prior to such termination. If this PO is terminated by either party, for reasons other than breach of contract, the County agrees to pay to the consultant all costs and expenses associated with services satisfactorily provided to the effective date of termination.

7. INDEMNIFICATION. The Contractor shall save harmless, indemnify, and defend the County for any and all claims, damages, losses and expenses including but not limited to reasonable attorney's fees arising out of or resulting from Contractor's performance of or failure to perform the obligations of this PO to the extent same are caused by the negligence or misconduct of Contractor or its employees or agents.

8. GOVERNING LAW, VENUE: This PO shall be governed by the laws of the State of Oregon. Any action commenced in connection with this PO shall be in the Circuit Court of Marion County. All rights and remedies of the County shall be cumulative and may be exercised successively or concurrently. The foregoing

is without limitation to or waiver of any other rights or remedies of the County according to law.

9. FORCE MAJEURE: Neither party is responsible for delay or default caused by an event beyond its reasonable control. County may terminate this PO without liability to Contractor upon written notice after determining the delay or default reasonably prevents performance of this PO.

10. SUBCONTRACTING/NONASSIGNMENT. No portion of the PO may be contracted or assigned to any other individual, firm or entity without the express and prior approval of the County.

11. MAINTENANCE, RETENTION, AND CONFIDENTIALITY OF RECORD. The Contractor agrees to establish and maintain records and statistics as follows: Financial records, which indicate the number of hours of service provided under this contract and other appropriate records pertinent to this contract shall be retained for a minimum of three (3) years after the end of the contract period. If there are unresolved audit questions at the end of the three-year period, the records must be maintained until the questions are resolved. To the extent applicable, client records shall be kept confidential in accordance with ORS 179.505, OAR 309-11-020, 45 CFR 205.50 and 42 CFR Part 2.

12. COMPLIANCE WITH APPLICABLE LAWS: The Contractor shall comply with all applicable Federal, State and local laws, rules and regulations. All provisions of ORS 279B (Public Contracts and Purchasing) are incorporated herein to the extent applicable to POs.

13. WORKERS' COMPENSATION: Contractor shall comply with ORS 656.017 and provide the required workers' compensation coverage, unless exempt under ORS 656.126(2). Contractor shall ensure that its Subcontractors, if any, comply with these requirements.

14. SAFETY AND HEALTH REQUIREMENTS: Contractor represents and warrants that the Goods comply with all federal and Oregon safety and health requirements.

15. MATERIAL SAFETY DATA SHEET: Contractor shall provide County with a Material Safety Data Sheet for any Goods which may release, or otherwise result in exposure to, a hazardous chemical under normal conditions of use (OAR 437- 002-0360 and 29 CFR 1910.1020). Contractor shall label, tag or mark such Goods.

16. AMENDMENTS: All amendments to this PO must be in writing, signed by County.

17. SEVERABILITY: If a court of competent jurisdiction declares any provision of this PO to be invalid, the other provisions and the rights and obligations of the parties remain in effect.

18. WAIVER: Failure of either party to enforce any provision of this PO is not a waiver or relinquishment of that party's rights to such performance in the future or to enforce any other provisions.

19. TAX CERTIFICATION: Contractor hereby certifies under penalty of perjury: (a) the number shown on this form is the correct Federal Employer Identification Number; (b) it is not subject to backup withholding because (i) it is exempt from backup withholding, (ii) it has not been notified by the IRS that it is subject to backup withholding as a result of a failure to report all interest or dividends, or (iii) the IRS has notified Contractor that it is no longer subject to backup withholding; and (c) it is not in violation of any Oregon tax laws.

Jacob,

There were two quotes received on the same day from Office Depot.

The correct amount is \$459,434.62 which matches the signed BOC Agenda Review form.

Please reject the PO that is in process - 871644, so that we can correct the PO to match the correct proposal amount. The correct Office Depot proposal is attached to this email. I will hand deliver the printed copy of the correct proposal (\$459,434.62) to you this afternoon.

Will you require a separate approval from the Admin Services Division Director?

Please let me know.

KaLyn,

This purchase order will need to go to the Board of Commissioners for approval as the value exceeds \$100,000.

There are a couple of things I will need:

- A Board Agenda Review Form signed by the Department Head.
- Some form of director approval for the specific acquisition. Note that approval on a CIP request is not authority to procure.
- Complete quote from the vendor showing an itemized bill of materials.

If these items are delivered to Finance by the end of the day tomorrow we can get this on the Board session scheduled for November 21. If it's later than that we may be pushed out to November 28.

NOW, THEREFORE, OSU and Contractor agree as follows:

1. CONTRACT TERM AND TERMINATION:

A. CONTRACT TERM.

This Contract is effective on the date of last signature and expires twelve (12) months from that date. This Contract may be renewed, upon mutual agreement of the parties through written amendment, for eleven (11) additional one (1) year terms based on the current terms.

B. TERMINATION.

This Contract may be terminated at any time by mutual consent of both parties or by OSU upon thirty (30) days' notice in writing and delivered by certified mail or in person to the other party. In addition, OSU may terminate this Contract at any time by written notice to Contractor if (a) Federal or state statutes, regulations or guidelines are modified or interpreted in such a way that the services are no longer allowable or appropriate for purchase under this Contract; (b) any license or certificate required by law or regulation to be held by the Contractor to provide the services required by this Contract is for any reason denied, revoked, or not renewed; or (c) OSU fails to receive sufficient legislative appropriations (or from applicable federal, state, or other sources) to permit OSU, in the exercise of its reasonable administrative discretion, to fulfill its obligations under this Contract, or if the OSU program for which this Contract was executed is abolished.

Contractor shall provide written notification to OSU when a new public agency begins utilizing this Contract. The total expenditures of other public entities shall be included in the volumes reported to OSU and included in the calculation of the Contract Administrative Fee. Should the total purchases by OSU and other public entities collectively trigger any volume discounts, Contractor shall apply such discounts to fees charged to OSU.

Any additional/subsequent public agencies who desire to utilize this contract must pass the Contractors credit approval process and acknowledge the Terms and Conditions of this Contract.

P. RECYCLABLE PRODUCTS.

Contractors will use recyclable products to the maximum extent economically feasible in the performance of the Contract.

Q. SAFETY AND HEALTH REQUIREMENTS/HAZARD COMMUNICATION:

Services supplied under this Contract shall comply with all federal Occupational Safety and Health Administration (OSHA) requirements and with all Oregon safety and health requirements, including those of the State of Oregon Workers' Compensation Division. Contractor shall notify OSU prior to using products containing hazardous chemicals to which OSU employees may be exposed. Products containing hazardous chemicals are those products defined by Oregon Administrative Rules, Chapter 437. Upon OSU's request, Contractor shall immediately provide Material Safety Data Sheets, as required by OAR 437-155-025, for the products subject to this provision.

R. SALES AND USE TAXES.

OSU shall pay all applicable sales, excise, or use taxes in connection with this

Contract. Invoices shall separately identify all such taxes and shall include either Contractor's sales tax or use tax permit number. Contractor shall be responsible for all other taxes, including taxes based upon Contractor's income. Contractor shall indemnify, defend, and hold harmless OSU from and against any interest, penalties, or other charges resulting from the non-payment or late payment of taxes or other charges for which Contractor failed to invoice OSU or which Contractor otherwise failed to pay in a timely manner.

S. SEVERABILITY.

The invalidity, illegality or enforceability of any provision of this Contract shall not affect the validity, legality or enforceability of any other provision of this Contract, which shall remain in full force and effect and shall be liberally construed in order to effectuate the purpose and intent of this Contract.

T. SEXUAL HARASSMENT.

The State Board of Higher Education has adopted policies applicable to Contractors that prohibit sexual harassment, and Contractor's company and employees are required to adhere to OSU's policy prohibiting sexual harassment in their interactions with members of the OSU community.

U. SURVIVAL.

The terms and conditions of this Contract that by their sense and context are intended to survive termination or expiration hereof shall so survive.

V. NO THIRD PARTY BENEFICIARY.

OSU and Contractor are the only parties to this Contract and are the only parties entitled to enforce its terms. Nothing in this Contract gives, is intended to give, or shall be construed to give or provide any benefit or right, whether directly, indirectly, or otherwise, to third parties

W. WAIVER.

The waiver by either party of any breach of this Contract by the other party shall not waive subsequent breaches of the same or different kind. The failure of either party to enforce any rights under this Contract in a particular instance shall not operate as a waiver of said party's right to enforce the same or different rights in subsequent instances.

X. ENTIRE CONTRACT.

This Contract, including all documents referred to herein and attached hereto, and purchase orders issued in accordance with this Contract, constitutes the entire agreement between the parties and supersedes all prior representations, understanding and agreements between the parties. No amendment, consent, or waiver of terms of this Contract shall bind either party unless in writing and signed by authorized representatives of the party against whom enforcement of the amendment, consent or waiver is sought. Any such amendment, consent, or waiver is effective only in the specific instance and for the specific purpose given.

TERMS AND CONDITIONS OF PURCHASE (FURNITURE)

- Office Depot, Inc. ("Office Depot") shall make commercially reasonable efforts to install all products as quickly as possible. However, any delivery and/or installation dates quoted to Customer are approximate, and Office Depot's obligation shall be only to deliver and/or install the products within a reasonable time. Also, due to certain factory shipment schedules, it is possible that Office Depot will be able to deliver and install portions of the job in phases. Customer will be invoiced for the items as they are delivered and payment will be due as set forth in Section 3 below.
- All prices are firm for thirty (30) days from date of proposal.
- Payment terms are net twenty (20) days from date of invoice, unless otherwise agreed to and as documented on the order or quote. Customer will be invoiced for items when delivery and installation (if applicable) is complete, and any punch issues are less than 10% of the value of the entire order. In no event shall payment be withheld for delivered products and services. Customer shall pay 90% of the invoice and may withhold 10% until completion of the job. The balance is payable immediately after any outstanding issues are resolved.
- All orders are subject to credit approval.
- Office Depot requires a minimum deposit equaling 50% on all orders over \$20,000. Said deposit will be applied to Customer's account until such product is delivered and invoiced. Each invoice, less its proportionate share of the deposit, will be due and payable as set forth in Section 4 above.
- All products and materials are subject to applicable taxes, as well as any applicable inbound freight and fabrication charges.
- An order is not cancelable once in production. "Quick ships" and fabric orders are not cancelable.
- Any quotation for special order products or materials shall be approved by an authorized Customer representative for correct product number, fabric, specifications and quantities. Any services rendered to Customer to change or modify the specification and layout before or during installation will be charged to Customer at prevailing rates. If such changes or modifications result in additional products, parts, materials or labor, they will be billed to Customer at prevailing rates.
- Delivery and installation services are conducted during normal business hours of 8:00 a.m. to 5:00 p.m., Monday through Friday. If services are requested outside of normal business hours, if special handling or equipment is required, if moving of products other than delivered is required, or if there are any unusual condition not made known to Office Depot at the time of sale, extra labor charges at prevailing rates may apply.
- If during installation, additional products are necessary or required to complete the job, such additional products and labor will be charged to Customer at prevailing rates.
- Electric current, heat, hoisting and/or elevator service will be furnished without charge to Office Depot.
- Floors shall be smooth, level and free from debris, and concrete subject to dampness shall be waterproofed prior to delivery and installation of products.
- If Customer is unwilling or unable to accept delivery or installation of the products according to the specified schedule, the products will be stored at Customer's expense. Customer shall pay a warehouse charge payable monthly. Double handling of a product will be charged at our normal hourly rate.
- Office Depot makes no warranties, expressed or implied, as to merchantability or as the suitability of the products for any particular purpose, except those made by the manufacturer of the products. Any claim must be made to Office Depot in writing within five (5) days after delivery or installation of the products and if no claim is so received by Office Depot it will be conclusively presumed that Customer has accepted and that the products are as represented.
- No liability shall accrue against Office Depot as a result of breach of terms and conditions caused by any strike, act of God, lockout, accident, or delay beyond its control.
- Office Depot retains, and Customer hereby grants to Office Depot, a security interest in the products to secure the purchase price therefore. The products shall remain personal property regardless of being fixed to any real property. If Customer defaults in the payment of the purchase price when due, Office Depot shall have all rights and remedies granted by the Uniform Commercial Code. A finance charge of 2% per month (annual percentage rate 24%) will be charged on all past due balances. Customer shall pay all collection costs, including attorneys fee, in the event any claim is referred to a collection agency or attorney.
- Products shipped directly to Customer shall be the responsibility of Customer except if agreed in writing that Office Depot will provide delivery and installation services. The receiving Customer is responsible to inspect products and file any necessary freight claims with freight provider.
- Manufacturer warranties apply for parts only. Labor is not included.
- It is Customer's responsibility to furnish a certified electrician to "hardwire" cubicle stations to building power.
- All items set forth in the quotation are non-returnable.
- IN NO EVENT SHALL EITHER PARTY BE LIABLE FOR CONSEQUENTIAL, SPECIAL, INDIRECT OR INCIDENTAL DAMAGES, WHETHER IN AN ACTION BASED ON CONTRACT, TORT (INCLUDING NEGLIGENCE) OR ANY OTHER LEGAL THEORY, EVEN IF THE PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.
- Each party shall indemnify and hold harmless the other party from and against any and all third-party claims, demands, actions, suits, losses, liabilities, damages and all related costs and expenses, including without limitation reasonable attorneys' fees due to, arising from or relating to the negligent, willful or reckless act or omission of the indemnifying party.
- These terms and conditions shall be governed by the law of the State of Florida, without regard to conflict of laws principles.
