City of Turner - Stream Gauge \$8,840

This project funded the installation of Mill Creek’s stream level monitoring station with automated data telemetry within the City of Turner. This provided automated alerts used for timely warnings to business owners, home owners, and critical facility managers; and continues to support the city’s flood response plan.

KUMZ - Broadcast Range Expansion

This funded installation of a FM Translator K264AA on an additional tower to increase KUMZ’s broadcast area and expand the potential radio audience (population receiving reception strength of 65dBu or better) from 34,000 to 233,000. Project included the installation of a back-up Studio-Transmitter-Link (STL) to minimize service disruption or interruptions.

City of Mt. Angel - Community Center \$13,360

The Mt. Angel Community Building has served multiple purposes for the region, from hosting numerous school and community events, to serving as the areas shelter in the event of an emergency. The project included construction of a meeting room on the second floor of the building to make the building available for use by broader community groups. The grant funded phase two of the project and included the installation of an ADA accessible elevator.

2013 COMMUNITY PROJECT GRANT AWARDS

MWVCOG - Economic Opportunity \$7,500

The objective of this grant was to update the North Santiam Canyon Economic Opportunity Study. Updates included economic and demographic conditions, commercial/industrial lands inventory, transportation and public infrastructure deficiencies, economic opportunities and barriers, and the development of an updated economic development strategy.

City of Scotts Mills - Park Pavilion
\$7,000

This project improved Scotts Mills City Park by building a pavilion with a built in barbeque. The covered pavilion was constructed to offer event and community space.

SEDCOR - Economic Development
\$15,000

This project included the development of a manufacturing profile for the region, building regional capacity, business outreach, technical assistance, and workforce training for highly skilled manufacturing positions. Specifics included supply chain and labor shed research in Marion County, as well as targeted industry outreach and technical assistance.

City of Mill City - Directional Signage
\$4,000

This project tackled the lack of signage, showing travelers of Highway 22 what recreational/shopping opportunities are available in Mill City. This award funded the creation and installation of directional signage on Highway 22, which can be seen from both east and west travel lanes.

City of Mt. Angel - Facade Improvement
\$5,000

This grant was part of Mt. Angel's downtown facade improvement project. The city solicited interested businesses within the downtown area to improve their storefronts including repainting, mounting new signs and awnings, repairing sidewalks and other simple aesthetic or structural improvements. Mt. Angel required businesses to provide at least 1:1 match for the grant dollars.

IX. General RFA Conditions
