

Dial 1 (888) 299-2821

You will hear “Welcome to the State of Oregon’s E-permitting system”. You will be prompted throughout the process.

**Please note that if your permit number does not begin with 555-

you will have to add the 555- prefix to your permit number search to find it in the E-permitting system.

For example, if your permit number is 12-01234, you will search for permit number 555-12-01234 to find it in the E-permitting system.

Enter the 12-digit **IVR NUMBER**,

Example: 555180740800

Enter the 4-digit inspection code, **Example: 2999**

Before calling you will need:

1. A Touch Tone Phone
2. A 12-digit **IVR NUMBER**
3. An Inspection Code

The system will allow you to:

1. Schedule an Inspection
2. To Cancel Inspection
3. To Hear Inspection Results
4. To find out the approx. inspection time

You also have the option to call into our office to schedule inspections or leave a V-mail if you call after business hours. V-mail messages left before 7:00 AM will be scheduled for that day, if the message is left after 7:00 AM it will be scheduled for the following work day. **The following information is required on the V-mail message to schedule:**

- The Permit Number
- The address of the inspection
- The type of inspection requested
- A contact name & number for the inspector

Visit the Marion County website at:

www.co.marion.or.us

You can follow the link from the Marion County Home Page to the Building Inspection Page.

From the Building Inspection Page you can click on the links to:

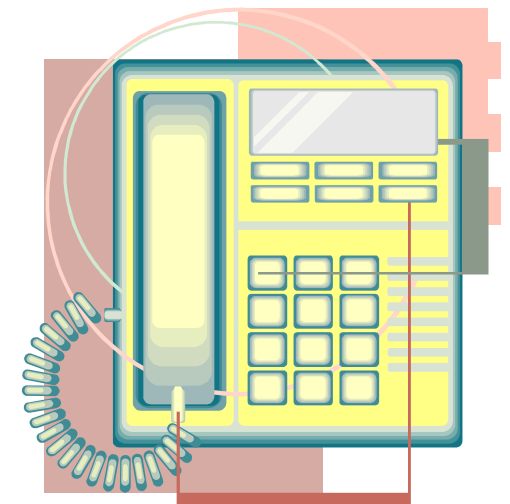

- Schedule an inspection up to 5 business days in advance
- Check inspection history
- Check inspection results
- Download applications
- Download helpful brochures
