IN THE SPRING OF 2015...

students in Marion County prepared their entries for the annual Student Recycle Art Calendar Contest. This year's theme was "Save the Food." Students were encouraged to think of ways in which they can help prevent food waste in their daily lives.

Fourteen students in several grade categories were awarded gift cards along with fabulous art sets. Students with winning entries also received certificates that were presented to them by the Marion County Board of Commissioners at a televised ceremony. This contest is sponsored by Marion County Public Works-Environmental Services and Mid-Valley Garbage & Recycling Association which provide recycling awareness and education by offering presentations, classes, recycling demonstrations, and free learning materials to the community. If you are interested in learning more about food waste prevention, recycling and resource conservation, contact MCPWES at 503.588.5169 or MVGRA at 503.390.4000.

We invite all K-12 students in Marion County to participate in the upcoming contest. For more contest details, please call 503.566.4159 or email gpuga@co.marion.or.us.
