## **LAND USE HEARINGS – FREQUENTLY ASKED QUESTIONS**

### **Why did I receive this notice?**

You received this public hearing notice because a property owner in your area filed a land use application that requires a hearing. State law requires that we provide notice of land use hearings to the applicant(s) and property owners within a certain distance of the subject property.

### **If I attend, do I have to testify? And what if I cannot attend?**

We encourage interested citizens to participate in the land use and hearing process. You may come and simply observe. You may also send comments in writing (hard copy or electronic mail) prior to the hearing or submit them during the hearing as noted below. Written comments will be included in the record.

### **What will happen at the public hearing?**

Planning Division staff will present their report and recommendation. The Planning Commission will then take testimony from the applicant, those in support, in opposition, and any general comments. The applicant will then be given an opportunity to present rebuttal. After all of the testimony, the Planning Commission will close the hearing. However, anyone may request additional time to present more evidence, argument or testimony. The Planning Commission may grant the request by continuing the hearing or leaving the written record open for at least seven days. Once the hearing and record is closed no further testimony or comments will be allowed. The Planning Commission will begin deliberations or may defer deliberations to another date.

### **How do I testify?**

In the hearing room you will find a sign-up sheet for those wishing to testify and/or receive notice of the decision. If you have written comments that were not submitted prior to the hearing, sign up to speak and submit them at that time. When it is your turn, you will be called to the table. State your name and address and remember to speak clearly into the microphone as your testimony will be recorded as part of the public record. Please be concise and limit your testimony to approximately three minutes. The Planning Commission may ask questions to clarify your comments.

### **How long will the hearing take?**

The Planning Commission meetings begin at 6:30 p.m. as indicated in the notice, however, more than one case may be scheduled, as well as other items that may be on the agenda. You should plan to arrive prior to 6:30 p.m., but be aware that the hearing you are interested in may not begin until later.

### **When is a decision made?**

After the public hearing and record is closed, the Planning Commission will begin deliberations. However, there are instances when, for various reasons, the Planning Commission will postpone deliberating on a case to another meeting. Once the Planning Commission has finished deliberating a decision will be made. The Planning Commission may approve or deny the case or approve a modified proposal.

### **How will I be notified of the decision?**

A written decision is issued a few days after the decision is made. If you attended the public hearing and/or requested a copy of the decision one will be mailed to you. Please note the Planning Commission's decision can be appealed to the Marion County Board of Commissioners. Details of the appeal process are included in the decision or available from the Planning Division.
