House Bill 2093 amends ORS 432.124 and prohibits county clerks from recording a death certificate if it includes medical information related to the cause of death.

You can contact Oregon State Vital to order a short form death certificate
If the death occurred outside of Oregon, contact the state's registrar of vital records and ask for any available forms that do not contain medical information.
If unavailable, you will need to contact legal advice.

Redacted or modified documents will not be accepted.
