This contract is between Marion County (a political subdivision of the State of Oregon) hereinafter called County, and Bridgeway Recovery Services, hereinafter called Contractor.

Contractor agrees to perform, and County agrees to pay for, the services and deliverables described in Exhibit A (the "Work").

**1. TERM.** This Contract is effective on July 1, 2021 and expires on June 30, 2023. The parties may extend the term of this Contract by mutual agreement.

**2. CONSIDERATION.**

A. The maximum, not-to-exceed compensation payable to Contractor under this Contract, which includes any allowable expenses, is \$284,960.00. County will not pay Contractor any amount in excess of the not-to-exceed compensation of this Contract for completing the Work, and will not pay for Work performed before the date this Contract becomes effective or after the termination of this Contract. If the maximum compensation is increased by amendment of this Contract, the amendment must be fully effective before Contractor performs Work subject to the amendment.

B. Interim payments to Contractor shall be made in accordance with the payment schedule and requirements in Exhibit A.

**3. COMPLIANCE WITH STATUTES AND RULES.**

A. County and the Contractor agree to comply with the provisions of this contract and all applicable federal, state, and local statutes and rules.

Unless otherwise specified, responsibility for all taxes, assessment, and any other charges imposed by law upon employers shall be the sole responsibility of the Contractor. Failure of the Contractor or the County to comply with the provisions of this contract and all applicable federal, state, and local statutes and rules shall be cause for termination of this contract as specified in sections concerning recovery of funds and termination.

County's performance under this Contract is conditioned upon Contractor's compliance with the obligations intended for contractors under ORS 279B.220, 279B.225 (if applicable to this Contract), 279B.230 and 279B.235 (if applicable to this Contract), which are incorporated by reference herein.

B. Contractor must, throughout the duration of this Contract and any extensions, comply with all tax laws of this state and all applicable tax laws of any political subdivision of this state. For the purposes of this Section, "tax laws" includes all the provisions described in subsection 27. C. (i) through (iv) of this Contract.

i. Any violation of subsection B of this section shall constitute a material breach of this Contract. Further, any violation of Contractor's warranty, in subsection 27.3 of this Contract, that Contractor has complied with the tax laws of this state and the applicable tax laws of any political subdivision of this state also shall constitute a material breach of this Contract. Any violation shall entitle the County to terminate this Contract, to pursue and recover any and all damages that arise from the breach and the termination of this Contract, and to pursue any or all of the remedies available under this Contract, at law, or in equity, including but not limited to:

a. Termination of this Contract, in whole or in part;

b. Exercise of the right of setoff, and withholding of amounts otherwise due and owing to Contractor, in an amount equal to State's setoff right, without penalty; and

c. Initiation of an action or proceeding for damages, specific performance, declaratory or injunctive relief. The County shall be entitled to recover any and all damages suffered as the result of Contractor's breach of this Contract, including but not limited to direct, indirect, incidental and consequential damages, costs of cure, and costs incurred in securing a replacement contractor.

C. These remedies are cumulative to the extent the remedies are not inconsistent, and the County may pursue any remedy or remedies singly, collectively, successively, or in any order whatsoever.

**4. CIVIL RIGHTS, REHABILITATION ACT, AMERICANS WITH DISABILITIES ACT and TITLE VI OF THE CIVIL RIGHTS ACT.** Contractor agrees to comply with the Civil Rights Act of 1964, and 1991, Americans with Disabilities Act of 1990, and Section 504 of the Rehabilitation Act of 1973, and Title VI as implemented by 45 CFR 80 and 84 which states in part, No qualified person shall on the basis of disability, race, color, or national origin be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity which received or benefits from federal financial assistance.

**5. TIME IS OF THE ESSENCE.** Contractor agrees that time is of the essence in the performance of this Contract.

**6. FORCE MAJEURE.** Neither County nor Contractor shall be responsible for any failure to perform or for any delay in the performance of any obligation under this Contract caused by fire, riot, acts of God, terrorism, war, or any other cause which is beyond the breaching party's reasonable control. Contractor shall, however, make all reasonable efforts to remove or eliminate the cause of Contractor's delay or breach and shall, upon the cessation of the cause, continue performing under this Contract. County may terminate this Contract upon written notice to Contractor after reasonably determining that the delay or breach will likely prevent successful performance of this Contract.

**7. FUNDING MODIFICATION.**

A. County may reduce or terminate this contract when state or federal funds are reduced or eliminated by providing written notice to the respective parties.

B. In the event the Board of Commissioners of the County reduces, changes, eliminates, or otherwise modifies the funding for any of the services identified, the Contractor agrees to abide by any such decision including termination of service.

Expenditures of the Contractor may be charged to this contract only if they (1) are in payment of services performed under this contract, (2) conform to applicable state and federal regulations and statutes, and (3) are in payment of an obligation incurred during the contract period.

Any County funds spent for purposes not authorized by this contract and payments by the County in excess of authorized expenditures shall be deducted from future payments or refunded to the County no later than thirty (30) days after notice of unauthorized expenditure or notice of excess payment.

Contractor shall be responsible to repay for prior contract period excess payments and un-recovered advanced payments provided by the County. Repayment of prior period obligations shall be made to the County in a manner agreed on.

## **EXHIBIT A STATEMENT OF WORK**

**1. STATEMENT OF SERVICES.** Contractor shall perform Services as described below.

### **A. GENERAL INFORMATION.**

The Marion County Reentry Initiative (MCRI) has been in existence in since 2005. MCRI supports successful reentry and prison diversion through a continuum of services to address specific criminogenic needs including pre-release reach-ins, case planning, motivational and cognitive programming, treatment, education, employment services, housing, transportation, and other resource access.

Built on evidence-based treatment models, the services provided to clients referred to Bridgeway Recovery Services (BRS) include treatment in both individual and group formats with a primary goal of reducing criminal activity, increasing community safety, and motivating clients to embrace an alcohol and drug free lifestyle. BRS will provide a continuum of care of outpatient treatment for the eligible participants. Assessment of criminogenic risk and need will be part of the addiction treatment arena and the mentoring services in order to reflect treatment progress and treatment obstacles. BRS also provides mental health assessment and treatment, education, anger management, self-management, and problem solving skills. Goals include increasing employability, pro-social behavior, enhanced pro-social motivation, pro-social support, self esteem as well as treatment completion and aftercare. Complimenting the direct treatment services will be individual mentoring support to assist in the transition from an incarcerated environment to the community environment. These activities will include transportation, assistance with housing, job search skills, and treatment adherence as a conduit to the recovery community.

In January 2011, BRS was recognized by the Oregon Department of Human Services with a clinical treatment endorsement. This endorsement, referenced as the Specialized Alcohol and Drug Community Based Program for Individuals in the Criminal Justice system (or CJS endorsement), was the first of its kind issued to an Oregon treatment program. This specialized endorsement is earned when an agency can demonstrate they are using sound evidence-based practices which address multiple criminogenic risk, need and responsivity factors, which not only treat the addiction, but also reduces criminal activity and promotes community safety. Since this specialized endorsement, BRS has earned national accreditation for best practices across the nation. BRS has also been voted best treatment center in the Willamette Valley (2020) and continues to provide trauma-informed and culturally sensitive care.

BOC Board Order #21-049

On June 9, 2021, the Marion County Board of Commissioners (BOC) received justification and testimony during the properly noticed period before consideration of a Class Special Procurement request and found the need for a Class Special Procurement to award contract(s) for the reentry initiative and prison diversion services was justified and consistent with the Marion County Public Contracting Rules as an alternative solicitation process and is in the County's best interest to do so.

## **PREA Volunteer and Contractor Information Acknowledgement Form**

Our goal at The Marion County Sheriff's Office is to keep everyone safe. Part of achieving that goal is making sure everyone understands how to prevent, detect, and respond to sexual misconduct. All Contractors, Volunteers and Employees must understand PREA (Prison Rape Elimination Act) rules and how to report a problem, or issue in the unlikely event misconduct is witnessed or reported by a victim.

**Important Rules to Know:** No one is ever allowed to engage in sexual misconduct.

- Sexual misconduct includes any kind of sexual contact, regardless of whether the other party agreed to the contact or not.
- This also includes sexual harassment: saying sexual things, saying things about someone's body, talking about whom someone likes to date, or making offensive gestures or comments.

Employees, contractors, and volunteers are prohibited from having any kind of romantic relationship with an adult in custody. There is no such thing as consent to sexual activity in a correctional setting.

Employees, contractors, and volunteers are prohibited from sharing personal details, such as their personal contact information, except in order to carry out their professional responsibilities. Similarly, employees, volunteers, and contractors are prohibited from making contact with adults in custody outside of each facility through any means (e.g., in person meetings, texting, or on social media), except in order to carry out their professional responsibilities.

**How We Keep Everyone Safe:** At the Marion County Sheriff's Office, we do a number of things to keep everyone safe, including:

- Educating adults in custody about their right to be free from sexual misconduct
- Conducting background checks of the individuals, we hire.
- Training employees, volunteers and contractors on our policies on preventing, detecting, and responding to sexual misconduct.
- Maintaining appropriate supervision of adults in custody.
- Offering a number of ways adults in custody and others can report problems at each facility.
- Fully investigating all allegations of sexual misconduct.
- Providing services and supports to adults in custody who allege they have been sexually abused.
- Protecting employees and adults in custody from retaliation for reporting problems or helping with an investigation

## Attachment A

### What to Do If Sexual Misconduct is suspected, witnessed or reported:

- If an incident of sexual misconduct is witnessed or suspected you must report it immediately by contacting a deputy or non-sworn employee.
- If an adult in custody discloses something that suggests an incident of sexual misconduct has occurred, stay calm, listen to what they are saying, take the report seriously, and convey a message of support (e.g., “I’m glad you were strong enough to come to me.”). Let the adult in custody know the incident will be reported and an investigation will be conducted to make sure they are safe. Inform them the information will not be shared beyond those who need to know to fix the problem.
- If an adult in custody wants to share an incident and asks that it not be repeated, let them know about your limits of confidentiality. This includes reporting certain behaviors by law once you have knowledge or reasonable suspicion that a crime is being or has been committed.
- For example, you might say, “I am glad you came to me and I can understand why you would not want me to tell anyone. If it is about someone hurting, harassing, or threatening you. I am required to report it. I respect your decision if you do not want to tell me as a result. But if you tell me, I can work with you to get help.”

**Questions:** If you have questions pertaining to your PREA responsibilities or other facility rules, or your responsibilities while you are here, you may contact us by calling the Marion County Jail’s Administrative section at (503) 581-1183.

**Acknowledgement:** By signing this form, you acknowledge that you have received, read, and understand your responsibilities regarding the Marion County Sheriff’s Office sexual misconduct prevention, detection, and response policies and procedures.
