Description of Services or Grant Award

Marion County is in the process of constructing a county wide radio system to serve first responder agencies throughout Marion County. This project includes the construction of site improvements at twelve (12) new and existing radio broadcast sites. Seven (7) of these sites require the installation of new radio equipment shelters and two (2) sites require the installation of prefabricated generator shelters to accommodate the new radio system. Competitive quotes were obtained from three producers of prefabricated steel radio enclosures in conformance with the Contract-Specific Special Procurement procedures authorized by the Marion County Contract Review Board on April 9, 2025, and Shelter One provided the lowest proposed price for the specified products.

This purchase will benefit the Marion County Sheriff's Office, METCOM 911 and other first responder agencies by accommodating the new radio system using radio towers design to withstand specified ice, wind and seismic loading without failing.

Amendment #1 to delete Mad Creek Shelter and Lower Prospect Shelter and updated quotes for the other shelters. A total decrease of \$111,059.

**Please note that Standard PO 932705, originally presented for BOC approval on 6/11/2025, was canceled during EOY Mass Cancel for FY2025. The attached Contract PO reflects the correct reduced dollar value of the required 7 shelters, from the original dollar value of 9 shelters originally approved on June 11, 2025.

Title: Contract Purchase Order #942177 with Shelter One, Inc.

Management Update/Work Session Date: 4/14/2026 Audio/Visual aids

Time Required: 5min Contact: Brian Nicholas Phone: x7943

Requested Action: Approve revised CPO#942177 with Shelter One, Inc., reducing the purchase order amount by \$111,059, from \$803,646 to \$692,587.

Issue, Description & Background: Marion County executed Contract Purchase Order #942177 with Shelter One in the amount of \$803,646 for the purchase of seven (7) prefabricated radio equipment shelters and two (2) electrical generator shelters. Since original Standard PO 932705 was issued and approved on 6/11/2025, (which was subsequently canceled during EOY Mass Cancel), the Marion County Radio Project has reduced the quantity of prefabricated radio equipment shelters by two (2) for a new total quantity of five (5) radio equipment shelters. The decrease in PO amount exceeds \$100K and, therefore, requires Board approval.

Financial Impacts: The total purchase price of these enclosures, including delivery, is \$692,587. This is a budgeted expense in the current fiscal year under CIP #22-308.

Impacts to Department & External Agencies: This purchase is a necessity of the Marion County Radio Project.
