Remember: Postmark Does Not Count

Bill Burgess, Marion County Clerk
503.588.5041 or 1.800.655.5388
<http://www.co.marion.or.us/co/elections>

A Message from the Clerk . . .

Dear Marion County Voter,

We look forward to receiving your voted ballot. If you have not received your ballot by May 8, please call us at 503-588-5041.

I encourage everyone, who is qualified, to register and vote. Please spread the word. You are qualified to register at 16 and vote at 18. After incarceration, all ex-felons are allowed to vote in Oregon.

Check your registration status at www.oregonvotes.gov and update if necessary.

Please be sure we have both your current residential and mailing address. This helps determine which of the 245 unique ballot styles to send to you. You can check and, if necessary, update this information online at www.oregonvotes.gov. Prospective voters with an Oregon Driver License or ID card can also register online by April 30 for this May District Election. Alternately, use the registration form on page 52 or 54.

If you wait until after May 14 to return your ballot, please use an official ballot drop site instead of the mail to assure we receive your ballot in time to count it. See the list of drop sites on pages 4 and 5.

We check every signature. If notified via mail, please respond to the letter or come to the Clerk's office to resolve any missing or non-matching signature issue by June 4 so we can count your ballot.

Please sign up today at www.co.marion.or.us/co to track your ballot with text, email or voice alerts. This allows you to know where your ballot is in the process and allows us to contact you quickly if there is a signature issue. We need to match each signature before we can open the envelope to count the ballot.

The United States Postal Service is offering a new service, Informed Delivery, where you receive an email with an image of your mail pieces to be delivered that day. With this, you will know when your ballot hits your mail box. To sign up for this service, go to www.informedelivery.usps.com.

Not all candidates have chosen to submit statements in this voter pamphlet. Nevertheless, you can find their candidate filing form, including experience and contact information at www.co.marion.or.us/CO/elections and clicking on "May 21, 2019 Special District Election".

Do you know of someone who, because of reading impairment or disability, needs voting assistance? Please contact us. We offer several options to help people vote privately and independently. Some are listed on page 6. We also offer large print and tactile ballots. This voter pamphlet is available in voice and text on our website. Independent Living Resources, 503-232-7411, will mail this voter pamphlet on USB thumb drive, CD or tape on request.

Thank you for helping make democracy work by being informed and voting. You are welcome to observe our election process. Call or visit for details.

- April 30 * Last day to register to vote.
- May 1 * Ballots mailed to voters.
- May 14 * Recommended last day to mail ballot for USPS delivery by Election Day. Postmark does not count in Oregon.
- May 21 * Last day to return ballot by drop box anywhere in Oregon before 8 PM.
- June 4 * Last day to resolve a missing or non-matching signature in time for ballot to be counted.

Sincerely,

Bill Burgess,
Marion County Clerk

Voters with Disabilities Information

Alternate Format Ballot

The Alternate Format Ballot (**AFB**) is a voting tool that is available to voters with disabilities to vote privately and independently if they have access to a computer with a web browser and a printer.

Call 503.588.5041 or 1.800.655.5388 or TTY/TDD 1.800.735.2900 for more information.

Accessible Computer Stations

- ★ To accommodate voters with disabilities that do not have access to the required technology to vote the AFB, we have an Accessible Computer Station (ACS).
Please bring the ballot packet you received through the mail with you when using the ACS at the county site.

The ACS is available at:

Marion County Clerk's Office, 555 Court St NE, Suite 2130, Salem.
Conveniently accessible to bus service as we are located on the same block as the Downtown Transit Center (Courthouse Square) in Salem.
To avoid delays, please call in advance: 503.588.5041.

Large-Print Ballots

Any voter can request a ballot with larger print if needed. Call 503.588.5041, 1.800.655.5388 or TTY/TDD 1.800.735.2900 to get your request put in place for this and future ballots.

Voting Assistance

Any voter can request assistance from the County Clerk's Office for help with marking a ballot. Call 503.588.5041, 1.800.655.5388 or TTY/TDD 1.800.735.2900 to request assistance.

Marion County Voter Pamphlet

This voter pamphlet is available in a downloadable audio format. Go to our website, www.co.marion.or.us/co/elections to download the files. You may also contact Independent Living Resources to obtain the Audio voter pamphlet on CD or tape. Call 1.503.232.7411 to request the voter pamphlet in this media version.

If you have questions about registration or voting, contact the Clerk's Office:
555 Court St NE, Suite 2130, Salem
Phone 503.588.5041 or 1.800.655.5388 (TTY/TDD line at 1.800.735.2900)
Fax 503.588.5383 • E-mail: elections@co.marion.or.us

Website: www.co.marion.or.us/co/elections

Voting Instructions

Review the Ballot Packet

It should contain at least the following items:

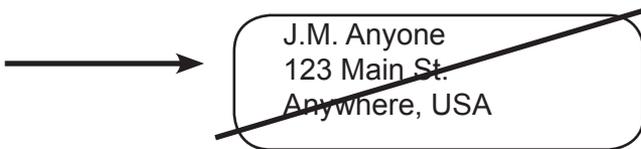

- Printed ballot
- A pre-addressed return envelope
- Secrecy sleeve
- Insert for Ballot Drop Sites

If any items are missing, contact Marion County Clerk - Elections.

Important Ballot Information:

If a ballot has been delivered to your address and it is addressed to someone who does not live at your address:

1. Mark through the address like this:

2. Return to your mailbox, post office or letter carrier.

Notify Marion County Clerk's Office Before Voting The Ballot Delivered To You If:

- Your name is different than that on the label; or
- Your residence address has changed; or
- You have added, deleted or changed a mailing address.

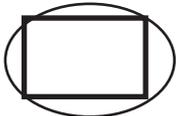

To make sure your vote counts:

- Use a **black or blue ink pen**.
- Completely fill in the box to the left of your choice.
- To vote on a measure, complete the box next to either the "Yes" or "No",

LIKE THIS:

NOT THIS:

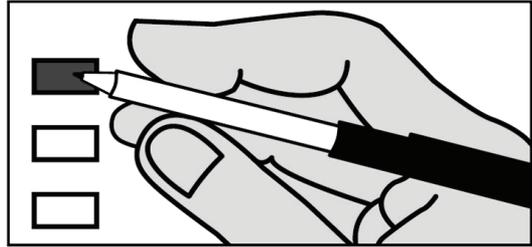

NOT THIS:

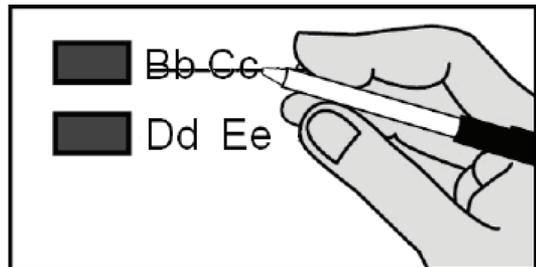

To Vote:

Use a black or blue ink pen to completely fill in the box to the left of your choice.

To Correct a Mistake:

Draw a line through the entire measure response or candidate's name. You then have the option of making another choice.

To Vote a Write-In:

To vote for a candidate not printed on the ballot, fill in the box provided to the left of "Write-In:", and print the first and last name of your choice on the line.

Important to Remember: Your Return Envelope must be Received by 8 PM Election Night or your Ballot will not be Counted.

SAMPLE BALLOT • May 21, 2019 • Special District Election

This sample ballot is a composite of all contests and measures appearing on ballots in Marion County.
Not all voters will vote on every office or measure.

If you have more than one candidate filed for an office on your ballot, you may notice that the names do not appear in alphabetical order as might be expected. A “random alphabet” is drawn by the Secretary of State for every election which determines the order in which the names of candidates will appear on the ballot.

The alphabet for the May 21, 2019, Special District Election is as follows:

P U S T D O Y X B C Z J Q N M H L G E V K R I F W A

Remember: All ballots will be mailed May 1st.

Write-In:

To Marion County Voters: Salem Transit District Directors will no longer appear on your ballots. Senate Bill 1536, enacted and enrolled by the 2018 Oregon Legislature, changed the law so that the Salem Transit District no longer has Board of Directors elected by the citizens of the district; they will be appointed by the Governor. See the wordage from the bill below:

Per ORS 267.108 “(1) For a mass transit district formed under ORS 267.107, the Governor shall appoint members of the board of directors in accordance with ORS 267.090 and 267.095.

(2) Before making an appointment under this section, the Governor shall solicit recommendations of qualified individuals for the position from one or more local business and civic groups.

(3) Persons elected as directors of mass transit districts who are serving on the effective date of this 2018 Act shall continue to serve until the expiration of their terms of office unless discharged earlier by the Governor.”

Sample Ballot Continued – Not all voters will vote on every office or measure.

Aurora Rural Fire District

24-438

Referred to the People by the Aurora Fire Board

Five year local levy for hiring, general operations and equipment

Question: Shall AFRD replace current rate with \$0.99/assessed value for five years beginning 2019, hiring EMT's/Firefighters and enhancing operations? This measure may cause property taxes to increase more than three percent.

Idanha-Detroit Rural Fire Dist

24-439

Referred to the People by the Idanha-Detroit Rural Fire Board

Renewal of Five Year Local Option Levy for Emergency Service Operations

Question: Shall District impose \$0.68 per \$1,000 assessed value for five years beginning in 2019-2020 for general emergency service operations? This measure renews current local option taxes.

Santiam Canyon School Dist 129J

22-178

Referred to the People by the Santiam Canyon School Board

Bonds to construct schools; improve safety and security; add classrooms.

Question: Shall Santiam Canyon School District improve safety, replace school, add vocational classrooms, issue general obligation bonds not exceeding \$17.9 million? If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.

The Full Ballot Title Text for the Local Measures Start on Page 46 of this Voter Pamphlet.

Jefferson Rural Fire District

24-440

Referred to the People by the Jefferson Rural Fire Board

Five Year Local Option Tax for Operations

Question: Shall the District levy taxes of \$0.38 per \$1000 of assessed value for five years beginning 2019-20 for operations? This measure may cause property taxes to increase more than three percent.

**Chemeketa Community College
Director, Zone 1**

**Edward L
Dodson**

Occupation: Retired Educator-teacher, counselor, principal and central administrator

Occupational Background: I served as a teacher, counselor, principal and district central administrator for the Salem-Keizer School District from

1967 through 1998. During that time I was a teacher and counselor at the Junior High school level, a principal at the elementary and middle school levels, the Director of Secondary Operations, the Director of Curriculum and Data Services and the Area Director for the Sprague-McKay elementary through high school feeder system.

Educational Background: Lebanon Union High School, Diploma; Oregon College of Education, BS Degree, Education; Oregon College of Education, MS Degree, American History; Oregon State University, Certificate, Counseling; Portland State University, Certificate, K-12 Administration; As a district administrator, I was the coordinator between the Salem-Keizer School District and Chemeketa CC programs.

Prior Governmental Experience: I have served as a trustee for the Chemeketa Community College Board of Education for the past twenty years. During that time I was the Board Chair for five years.

The above information has not been verified for accuracy by the county.

**Chemeketa Community College
Director, Zone 6**

**Art
Witkowski**

Occupation: Oregon Department of Education, Career & Technical Education (CTE) Health Sciences Specialist, Secondary to Postsecondary Transitions; CTE Health Sciences teacher, Destinations Career Academy

Occupational Background: 30+ years of experience in Health Sciences and CTE education in Oregon community colleges and high schools. Small business owner and consultant.

Educational Background: Master's Degree in Education M.Ed., Bachelor degree in Health Care Administration, Applied Associate degree in CTE.

Prior Governmental Experience: Oregon Department of Education (ODE) Education Specialist developing and monitoring health sciences programs for high school and community college students; Analysis of proposed and new legislation; Civil Rights Surveyor for high schools and community colleges 2016-present. Career & Technical Education Instructor at Chemeketa and Mt. Hood Community Colleges in Health Sciences.

Art for Chemeketa: Fiscal Responsibility with Declining Enrollment

- With fluctuations in funding and declining student enrollment, long-term planning for improvement can prove challenging. Art has the business experience to help focus precious resources with an equity lens, providing maximum return on investment for State funds and our taxes.

Art for Chemeketa: Fighting for Community College Funding

- Oregon's 17 community colleges are requesting an additional \$70 million for CTE programs. These dollars would allow community colleges across the state to support an additional 7,900 student graduates in programs such as:

- | | |
|-------------------------------------|----------------------------|
| • Welding | • Respiratory Care |
| • Dental Assisting/Hygiene | • Nursing |
| • Manufacturing and Industrial Tech | • Computer Applications |
| • Aviation | • Electronics |
| • Fire Science | • Horticulture/Agriculture |

Art for Chemeketa: Time for a Fresh Start

- As of July 1st, 2019, a new president will begin duties at Chemeketa. With the recent news of employee layoffs and a reduction in services, it is now vital to provide students with career pathways that align to the needs of local industry and business. Art has the experience to provide leadership and guidance with a laser focus on "placing the right students in the right career paths at the right time."

**Chemeketa Community College
Director, Zone 6**

**Diane L
Watson**

Occupation: Retired

Occupational Background: Community College: Dean of Student Services, Director of Admissions & Records, Chair for Counseling, Counselor, Instructor.

Educational Background: University of Northern Colorado, Ed.D.; University of Northern Colorado, M.A.; University of Florida, B.A.E.

Prior Governmental Experience: Chemeketa Community College Board of Education (2012 – present) (vice chair, 2018-2019); American Community College Trustees, Diversity, Equity and Inclusion Committee (2019); Linn-Benton Loop Commission (1996-2007) (chair, 2000-2007); National Association of Student Personnel Administrators, Board member, Region 5 (1995-1997); Governing Board for Oregon Counseling Association (1998-1990).

State College and Community College committees and taskforces (examples): Transfer Committee (2000 -2005); Excellence in Delivery and Productivity, Retention subcommittee (2004-2005); Distance Learning Council, Disability Services subcommittee (chair, 1999).

As a Board Member I will:

***support workforce initiatives that address community needs** whether it be short-term training, certificate, associate degree or an applied Baccalaureate degree (if approved by the Oregon Legislature).

***advocate for a comprehensive community college** i.e. transfer degrees, professional-technical degrees and certificates, workforce training, H.S. Completion, ABE/GED/ESOL, and life-long learning.

***support student success initiatives** that provide access and services designed to maximize students opportunity to reach their career/educational goals.

***encourage a climate of diversity, equity and inclusion** whereby the learning environment honors and respects differences.

***be vigilant to ensure that Chemeketa's resource are utilized in an efficient and accountable manner** and where appropriate, resources are leveraged through partnerships, grants and creative initiatives.

In summary, I have lived in Zone 6 for over 30 years and desire to serve my community. My extensive work experience in community colleges and on the Board of Education provides for a deep understanding of policy issues as Chemeketa faces future challenges. I have the time, energy, experience and leadership ability to successfully represent Zone 6 on the Chemeketa Board of Education

I would be honored to receive your support!

**Gervais School District 1
Director, Position 1**

**Lorraine
Martin**

Occupation: Homemaker, at-home parent

Occupational Background: food service; insurance claims; bus driver

Educational Background: Gervais High School; Trend Business College

Governmental Experience: Two year term on GSD Board

I was elected to Position 1 in May, 2017; the seat had been vacated due to a resignation so it is up for election again, this time to a 4-year term.

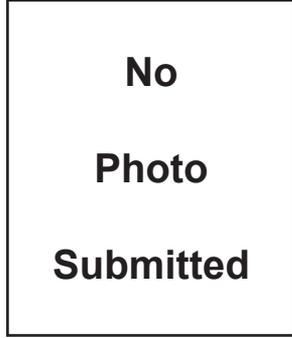

The Gervais School District is enjoying success, yet still faces challenges. Due to the hard work of our dedicated teachers, math achievement in the middle school has made great gains. Efforts are re-doubled in the elementary school to promote early reading success. We are looking forward to some energy saving upgrades to our buildings, due to an opportunity brought to us by our business manager. Our students now have more counseling services available to them, so that they can better focus on learning. We are welcoming on board a new Superintendent, effective July, 2019. It is an exciting time to be a part of the great things happening in our district. Still, academic achievement has room for improvement, particularly reading. Facilities will need more investment in the future. And we need to expand course offerings to our students, particularly in the high school.

It is a personal interest of mine to support early reading success, and it is a privilege to volunteer weekly to help the young readers. It is true that families have left the district in recent years, for a number of reasons, and we should learn from those reasons. Some of my own children we have transferred out in years past; I have also home-schooled, and my youngest children currently attend the elementary school, so I believe I can offer some useful insights to help make GSD a district that families want to transfer into. I ask for your support and your vote for GSD Board of Directors, Position 1. Please inform yourself, and vote. Thank you.

**Gervais School District 1
Director, Position 5**

**Lenthal
Kaup**

Occupation: Farming

Occupational Background: Farming all of my life

Educational Background: Graduate Gervais Union High School

Governmental Experience: None

An open letter to the voters of the Gervais School District:

I was born August 28, 1940 at Route 1, Monmouth, Oregon. Because of WWII my family was forced out. In 1943 we settled at my current home at 14381 River Rd NE, Gervais, Oregon. I attended Gervais public school, graduating from GUHS class of '58. After that I completed my military obligation. I then returned to farm with my father. Following his death in 1978, I continued to farm on my own dime.

Over the years I have had to hire Gervais High School students and graduates for necessary jobs. Some were fine workmen and others weren't.

One of the largest factors in this problem were which teachers that individual was taught by.

It is easy for unsuccessful teachers to just mark down "A" even though the whole class may not have opened a book all year.

A well written test will probably tell a different story. Because of this, the school board should insist that all students in grades 2 through 8 take an annual written test based on the textbook for that year. This test should be written by the author of the textbook.

The board must find money to restore the hope program. This middle school program will teach the students the skills and knowledge needed for a successful adult life.

(This information furnished by Lenthal Kaup and is printed exactly as submitted)

The above information has not been verified for accuracy by the county.

**Jefferson School District 14J
Director, Position 1**

**Kaye H
Jones**

Occupation: Retired Teacher

Occupational Background: Taught 18 years in general education and special education. Substituted for 10 years.

Educational Background: El Camino High School, High School Diploma, June 1969; California State University, Chico: BA Natural Sciences, January 1973, Elementary Education, Teacher Certificate, December 1973

Governmental Experience: Special Transportation, Basin Transit Service, Klamath Falls, OR **appointed**; Board of Directors, Basin Transit Service, Klamath Falls, OR **elected**; Board of Directors, Jefferson School District 14J, Jefferson OR **elected**

I am running for reelection of zone 1 on the Jefferson School District 14J Board of Directors to support the children in our district to receive the best education in order to graduate ready for a career or college. During the past eight years, I have worked with the other members on the school board to develop and update policy and participate to approve a budget annually to operate our schools.

The above information has not been verified for accuracy by the county.

**Jefferson School District 14J
Director, Position 1**

**Sharron
Rea**

Occupation: Personal Service Worker, Classified Substitute, Volunteer for Jefferson Elementary

Occupational Background: Office Management, Accounts Specialist, Childcare Worker

Educational Background: Chemeketa Community College (Social Services)

Governmental Experience: None

While volunteering in the Jefferson school system for the last 2 years, I have been privileged to create some great relationships with the students and staff here in Jefferson. Because of the impact my volunteer work has had, I have been encouraged by various people in the community to run for the school board.

I have 3 children in Jefferson Elementary School. I want to give my children, as well as all of the students in this district, the best possible opportunity for a good education.

As a school board member I am committed to:

- Serving the interest of our students to increase their opportunities for a successful school experience.
- Advocating for funding and resources for our schools and programs.
- Understanding and advocating for the needs and interest of our district staff.
- Creating opportunities for community cohesion with the school district.
- Financial transparency, and accountability over budgeting and resources.

I am seeking election for this position because I want to be a voice for the students and teachers in our district. I won't just want it to happen, I will work hard to make it happen.

I truly love this community and am a firm believer that if you have the ability and desire to help, you should show up and get things done.

*(This information furnished by Sharron Rea
and is printed exactly as submitted)*

**Jefferson School District 14J
Director, Position 3**

**Luv J
Paresa**

Occupation: Registered Nurse

Occupational Background: 1991-1995: CNA/LPN at a nursing home; 1996 to present: RN at various medical clinics in the surrounding area

Educational Background: 1991-Diploma from Jefferson High School; 1996-Associates Degree in Nursing from Chemeketa Community College

Prior Governmental Experience: 2010-2011 Initial Jefferson School bond attempt; 2016-2017 3rd and 4th attempt at Jefferson School bond passage; 2017 to present Bond Oversight Committee

If given the opportunity, I would like to be a member of the Jefferson School Board to represent the students, staff, and Jefferson community. For more than 40yrs I've called Jefferson home. I graduated from Jefferson in 1991, spending all 12 years in the Jefferson schools. In 2010, at the recommendation of Superintendent Klewitz, I volunteered along with other community members to propose and assist in the passage of a school bond for the Jefferson School District. In May, 2017, with great triumph, the \$16M bond passed to build a new Middle School and other structures in the school district. Since the bond's passage I continued to volunteer on the Bond Oversight Committee to ensure the structures were built as voted on by the community while remaining on budget.

Over the last 9yrs working on the school bond has given me a greater understanding of how the school board runs and operates. I would like to develop a deeper knowledge and bring new ideas to the board and district.

Some of the ideas I would like to bring include:

- Increase STEM (Science, Technology, Engineering, and Math) instruction in the Middle School classrooms.
- Invest in more trade, technical, and robotics programs for our High School students.
- Empower our High School students with more life skills for everyday success and help in their transition after graduation.
- Develop a volunteer reading program where grandparents go into the classrooms daily and listen to Elementary students read.
- Increase camaraderie between School Board members, the district, teachers and staff.

I would appreciate your vote.

Thanks, Luv Paresa

*(This information furnished by Luv J. Paresa
and is printed exactly as submitted)*

**Jefferson School District 14J
Director, Position 3**

**Melissa R
LaCrosse**

Occupation: Volunteer at Jefferson Elementary School.

Occupational Background: Local Government Human Resources; Oregon State University System.

Educational Background: Oregon State University, BS in Political Science; Willamette University College of Law (1st year)

Prior Governmental Experience: Jefferson School District Board of Directors, Position 3; Oregon School Boards Association Board of Directors, Marion Region

It's been an honor serving on the board since 2015. My husband Mat and I have one student in Jefferson School District and one recent graduate. We've lived in Jefferson 14 years and enjoy our involvement in the schools and community.

The past six years I've volunteered in the classroom and the school district. I'm dedicating my time serving the children of this community; growing and developing them into successful adults.

I remain committed to:

- Reducing class sizes.
- Transparency, financial accountability and stewardship of our resources.
- Adequately compensating and retaining incredible teaching and support staff to positively impact the children of Jefferson for life.
- Communicating effectively with families and stakeholders; helping them understand budget, curriculum and policies.
- Improving math, literacy and academic success for ALL of our students.
- Providing quality programs: music, arts, PE, science, electives, career and technical programs, and fully functional school libraries.
- Improving technology, safety, security and facilities at all three school campuses.
- Advocating at the State and Federal level for full funding of our schools and programs.
- Partnering together we can fill in gaps and ensure a remarkable K-12 experience for our children.

I take every opportunity to learn how to better serve our students. In 2017, I completed Oregon School Boards Association (OSBA) Leadership Oregon receiving the Platinum Award. I was elected to the OSBA Board of Directors in 2018. My prior governmental budgeting, and human resources experience proves invaluable while serving on the board. My greatest hope for our students: when they leave Jefferson; their relationships and learning experiences make all the difference in their future success. I welcome the opportunity to serve again.

**North Santiam School District 29J
Director, Position 2, Zone 2**

**No
Photo
Submitted**

**Erin
Cramer**

Occupation: Family Practice PA,
Sublimity Medical Clinic

Occupational Background:
Physician Assistant...family practice;
Athletic Trainer...collegiate, secondary
school, and clinic settings; Instructor...
community college setting

Educational Background: Master's Degree in Physician Assistant
Studies, Pacific University, 2009; Master's Degree in Exercise
and Movement Science, University of Oregon, 1997; Bachelor's
Degree in Physical Education, Montana State University, 1995

Prior Governmental Experience: Member, Oregon Medical Board,
2018-present

I'm running for a position on the North Santiam School District
Board because I'd like to serve our community in a new way. I feel
that helping to make strategic decisions about the future of our
children is something I'm well suited to do, and interested in doing.

My children have attended North Santiam Schools for the past
decade, and have been well prepared for adulthood and for
being engaged members of our town. As they become adults, my
parental connection to schools shouldn't end.

Strong schools benefit all of us. Schools face difficult decisions
about educating our young ones while also trying to remain solvent
in difficult economic times. Over the past three years, I have been
involved as a member of the Budget Committee of the North
Santiam School District, and have witnessed what a challenge our
leaders face when great programs compete for limited resources.
It behooves us all, not just the parents of young children, to have
an active role ensuring the education of our next generation.

I don't have an agenda for our schools to tackle. I just feel that we
all can contribute, in ways small and great. I'd like to contribute
in this small way, and help our small citizens become great in our
future.

*(This information furnished by Erin Cramer
and is printed exactly as submitted)*

The above information has not been verified for accuracy by the county.

**North Santiam School District 29J
Director, Position 2, Zone 2**

**Coral
Ford**

Occupation: State of Oregon, Senior
Contracts and Procurement Officer
(PCS3)

Occupational Background: Financial
Resource Analyst, Program
Analyst, Health Insurance Analyst,
Administrative Specialist

Educational Background: Santiam Christian High School,
Northwest University (Organizational Communications), Eastern
Oregon University (Business Administration)

Prior Governmental Experience: Marion County Precinct
Committee, Marion County Executive Committee - Alternate
Delegate, Linn County Precinct Committee, School Teacher/Parent
Aide, DHS Foster Parent, OYA Proctor Parent

Every one of us has a set of skills and talents to help benefit
those around us and each of those skills and talents are equally
important. It may be to coach a young group of athletes; or mentor
students who are going through a difficult time; or help keep the
grounds in repair and looking beautiful; and the list of possibilities
goes on. No matter how you serve, it is important to support our
students, to help them feel valued and to set them up for success.

I would like to offer my skills and talents to serve on the School
Board, they include:

- » Over 20 years of working with children and youth. I have
served as a Sunday school teacher; coach; mentor; youth
leader; and a foster and proctor parent.
- » Government administration work history, specializing in
analyzing programs and associated budgets, developing
effective processes and procedures, negotiating contracts,
project planning and implementation strategies, federal
and state compliance and accountability, and training and
mentoring professionals.
- » Actively involved mother of two children within our school
district.

By voting for me, Coral Ford, you have my commitment that I
will show up and be involved. I will listen to your concerns and
collaborate with the other board members to seek out effective
solutions. I will use my skills and talents to work towards
strengthening our schools and community.

**Explore [www.facebook.com /CoralFord4SchoolBoard/](https://www.facebook.com/CoralFord4SchoolBoard/) for more

**North Santiam School District 29J
Director, Position 5, Zone At-Large #1**

**Garrett
Trott**

Occupation: Corban University,
Salem, OR (2005 - Present);
University Librarian/Associate
Professor

Occupational Background:
Blackwell's Book Services, Portland,
OR (2002-2005)

Educational Background: Multnomah University (Portland, OR) -
Bachelor of Science; Trinity Western University (Langley, British
Columbia, Canada) - Master of Theological Studies; Emporia State
University (Portland, OR) - Master of Library Science

Prior Governmental Experience: Stayton Public Library Board
(2010-2012); North Santiam School District Board Budget
Committee (2011-2012); North Santiam School District Board
(2012 - Present)

My appointment to the North Santiam School District Board came about due to a board vacancy in the fall of 2012, and being elected the following spring. It was a privilege to be appointed by the board and then elected, and it has been a privilege to be involved with the North Santiam School District. My responsibility as a board member has been twofold: first to know more about the schools in the district, whom they serve, their distinctions, and their leadership; and secondly to know more about the state of Oregon's protocol for public schools. If elected to this position and thus given an opportunity to continue service, I will continue to take advantage of opportunities to be educated about these to better serve the community and the North Santiam School District.

The motto of the board is "we change kids' live." Education does have a profound impact on children. My wife and I have three children who are involved with the North Santiam School District. Through my service on the North Santiam School District Board, I desire to do my part to make certain that my children, and all of the children in the district, receive unsurpassed education.

**Salem-Keizer School District 24J
Director, Zone 2**

**Raul
Marquez**

Occupation: Coordinator, Willamette Events Board

Occupational Background: Fieldwork; retail sales

Educational Background: McKay High School (Student Body President); current student Willamete University

Prior Governmental Experience: Intern, U.S. Senator Merkley, State Representative Hernandez

Community Service: Board member Mid-Willamette United Way; Taylor’s House youth shelter fundraising; intern, Salem Leadership Foundation

Raul’s Story: Making a Difference

Along with my six siblings, I attended the most diverse schools in the district. I’ve learned what happens when student fall through the cracks, or when resources are allocated equitably. I’ve seen what a difference it makes when students and teachers get the support they need.

My background gives me a unique perspective. Now I’m running for the school board to help every student get the best education possible.

Taylor’s House: Leadership and Community Involvement

Knowing there are over 1,000 homeless students in our schools I collaborated with homeless advocates to get \$100,000 in seed money from the United Way for a youth shelter. Then I went to the Legislature and got bipartisan support for another \$200,000. The other \$112,000 came from community donors. Houseless teens can now find a roof over their head at Taylor’s House and receive mentoring and help with school.

We can increase graduation rates if we don’t let students fall through the cracks. Here’s what we can do:

- Support adequate funding to reduce class sizes and expand career and technical training
- Empower parents to be actively involved in their child’s education
- Provide more staff training to meet needs of diverse district
- Increase mentoring capabilities
- Enable students to participate in our award-winning music programs and other activities regardless of income

**Salem-Keizer School District 24J
Director, Zone 2**

**Marty
Heyen**

Occupation: Retired, former IT Professional

Occupational Background: At-Home parent, Information Technology

Educational Background: AA Chemeketa Community College, Technical School – Information

Technology

Prior Governmental Experience: Current Salem-Keizer School Board Director and Marion County Parks Commission Board Member, Elected Precinct Committee Woman since 2012.

Community Service: Member: Salem CERT (Community Emergency Response Team) Coordinating Council and Marion County Auxiliary Communications. Missions trips to teach English in Cambodia.

I am a Pacific Northwest Native and have lived in Salem since the 1980’s. My husband and I have been in the same “Zone2” home for over 25-years. I have a grown daughter, 2 grandchildren and a 20-year-old son who has been in the Salem-Keizer District from pre-K through graduation. Our family contains two different minorities and two naturalized citizens.

Being on the school board has been an honor. We frequently must make difficult decisions that will upset one group or another. I use the concerns of parents, voice of the community, my son’s personal experiences as a minority and my own life experiences to try and make the best decision possible. Aside from passing out diplomas at graduations one of my favorite tasks is helping a parent or teacher get resolution to a problem or concern. I ran in 2015 to be a voice for parents and I have held to that being a voice for them as well as other community members.

Endorsements

Jessica Davidson - Marty has been an awesome advocate for our family. She listens and understands how to help.

Michael Rice – Marty fought against OSAA with parents to try and keep our kids from being bussed over the Cascades.

April DeFoor – Marty helped me with a bullying issue and to get Safe-Oregon in our schools.

**Salem-Keizer School District 24J
Director, Zone 4**

**David M
Salinas**

Occupation: Project Manager, Cherry City Electric

Occupational Background: Communications technician; electrician; Project Manager

Educational Background: Attended Chemeketa Community College,(general studies); IBEW Inside electrical apprenticeship

Prior Governmental Experience: Salem-Keizer School District Boundary Task Force

So All Our Children Can Succeed

The Salem-Keizer school district is one of largest and most diverse in the state, serving students with varied backgrounds, cultures and incomes. David Salinas is committed to ensuring all students have the resources they need.

Valuing Career and Technical Education

David understands the value of career and technical education. He quit school to help support his family when his father was seriously injured on the job. He’s worked to become a journeyman electrician and now project manager for a local electrical company.

Valuing Community and Community Voice

David has deep roots in the community. He grew up in Jefferson and has lived in South Salem for over a decade. As a working parent with four active children in Salem-Keizer schools, he knows the challenges schools and parents face. David understands the community’s need for input into the school district policies.

Valuing Parent Involvement

David’s an involved parent, active in school booster clubs and school district committees. He knows the importance of making it easier for parents to be involved in their child’s education.

Valuing listening

David knows problem-solving requires listening. As a member of the recent Boundary Task Force, he heard parents’ concerns about inequities in facilities and programs. As an electrician and project manager, his livelihood is focused on problem-solving. With your support, David will bring his listening and problem-solving skills to the Salem-Keizer school board.

David will work to increase graduation rates by:

- Fully implementing the Career and Technical Education mandate
- Expanding mentorship programs
- Supporting comprehensive counseling and mental health services
- Improving communication to engage parents in their children’s education
- Listening, Listening, Listening!

Governmental Experience: Salem VA Clinic, State Hospital Pendleton Superintendent

“Satya is a man filled with wisdom and compassion, and he will lead our schools to brighter future. We can trust him with the future of our children.” — Dr. Bud Pierce

As a Psychiatrist working in the trenches, I serve those struggling with mental illness. I will make the mental health care of our students and district wide prevention of suicide and bullying my top priority.

As a parent of two children who graduated from Salem-Keizer schools, I have seen the challenges our district faces. I will prioritize addressing the severe emotional and behavioral challenges and impact of adversities experienced by many children in our schools.

As a naturalized immigrant, we arrived in America with bare minimum. I have seen how education can be the key to achieving the American dream. Salem-Keizer can be a leader in our state on so many issues. Let’s unlock this potential and bring **HOPE** to our children.

These life experiences taught me the importance of education in the life of children and the future of our community. I believe positive mental health is essential for learning. I believe schools should be safe spaces for students to learn and heal. Finally, I believe happy teachers make great students. These will be my priorities on the Salem-Keizer School Board.

A Champion for Kids**

Stable, Collaborative Leadership

Chuck brings 12 years of School Board experience to lead
Oregon's second largest school district and will use his
established strong relationships with our community to make sure
that every child, every day has the opportunity to succeed.

Career and Technical Education

Chuck led the efforts to create the national public-private
partnership model at The Career and Technical Education Center
(CTEC) which celebrates a 98% graduation rate and contributes to
our regional workforce.

Achievement for All

Chuck promotes policy and funding efforts to address chronic
absenteeism, add CTE programs, and make equity and access a
top priority to improve graduation rates. He promotes policy and
funding efforts to address the growing mental health and toxic
stress issues of our students.

Strengthen Relationships between Home and School

Chuck understands the importance of the parent's role in every
child's life. He believes that what is taught at school should
be reinforced at home, and what is taught at home should be
reinforced at school.

**Silver Falls School District 4J
Director, Zone 1**

**Leslie
Martin**

Occupation: Employee Benefits Specialist with Marion County

Occupational Background: Formerly a Payroll Specialist with The Doctors' Clinic, LLP; Office Manager for Interstate Crane Rental

Educational Background: Associates of Science in Business Management from Chemeketa Community College, diploma from Silverton Union High School

Prior Governmental Experience: Silver Falls School District Strategic Visioning Leadership Team

As a graduate of Silverton Union High School I am proud to raise my son in the same community and school district. I believe the structure of Silver Falls School District is unique and important to our community. The autonomy that each school has retained over the years is so important. From the way schools in town are configured, to the amazing courses offered at our high school and the individual strengths each school in the SFSD Community offers I believe we truly have something for everyone.

However, we have room to improve. Being good is not enough; we should strive to be the BEST. My areas of concern include:

- We have facilities issues that need to be addressed, district-wide. I do not want to see what happened to Eugene Field happen to any other school in our district.
- I feel we need to work on recruiting *and* retaining quality educators. Our teachers need to feel supported, valued and empowered.
- STEM, CTE and the arts are hot topics right now, not just in our district but nationwide. I believe these subjects are important and valuable to our children and should be encouraged.

After serving as an officer on Robert Frost and Silverton Middle School PTC groups, I wanted to find a way to serve now that my son is in high school. I currently am part of the SFSD Strategic Visioning Leadership Team and enjoy the collaborative effort. However, I feel like I can do more for our students. That is why I am running for your Zone 1 Director and would be humbled to earn your vote.

Director, Zone 1**

**Janet
Allanach**

Occupation: Executive Director, Association of Oregon Centers for Independent Living; Business Owner, Celadon NW Consulting

Occupational Background: Teacher/ Interim Administrator; Grant Writer; Global Marketing Analyst; Policy Analyst

Educational Background: Yale University, MA; Kenyon College, BA

Prior Governmental Experience: Board Director and Strategic Planning Facilitator, Community Roots School

Vision Integrity Excellence

Silverton thrives because we put our schools at the center of our community life. They nurture us, strengthen us, and bind us together. Here, we model what it means to be curious, persistent, open-minded, and just. Schools are where our children feel safe to grow into who they are meant to become, to try hard things and sometimes fail, to stick up for the little guy, and to do what's right, rather than what is easy.

The world is changing rapidly. As adults, our students will face challenges we can't yet imagine. As a community, our job is to provide them with the foundation for their success. This includes:

- Education that is **accessible and equitable**;
- Physical and emotional environments that are **healthy and safe**;
- Administrators and teachers who are **valued and supported**; and
- Leaders who model **integrity, transparency and accountability**.

I bring a passionate commitment to these values, the experience and skills necessary to do the work, and a vision for the Silver Falls School District that is ambitious and full of optimism for our future. I am confident that together, we can achieve it.

Janet Allanach is articulate, highly intelligent and balanced in her approach. She has strong analytical skills, produces robust recommendations, and garners respect from colleagues and partners. Sheila Thomas, MA, Nonprofit Executive Director

Janet Allanach is well-grounded, balanced and genuine. Janet listens deeply and has the gift of synthesizing divergent positions into a common goal. Chuck and Val Castro

**Silver Falls School District 4J
Director, Zone 3**

**Lori L
McLaughlin**

Occupation: Instructor, Chemeketa Community College, Former Business Owner and Event Organizer.

Occupational Background: I have been a junior high school, high school and college teacher for more than 25 years. Currently, I teach at Chemeketa

Community College in Salem. I have also owned and operated the White Oak Gallery in Silverton.

Educational Background: Bachelor of Fine Arts: Oregon State University 1996; Master of Interdisciplinary Studies: Oregon State University 1998

Prior Governmental Experience: Treasurer of Lake Pioneer Owner's Association; Chair of Fine Art Craft - Village Art Gallery; Secretary - Silverton Grange #748.

Goals

1. Hold all Silver Falls School District staff and administration accountable to the needs, concerns and goals of the District students and parents.
2. Bring more art and music into the Silver Falls Schools.
3. Celebrate and build on the successes of our District with an eye on how we both improve and meet future challenges with regards to growth and diversity.
4. Give all students a pathway to further their education beyond high school.

I need to hear from you.

FB@SFSD Lori McLaughlin

Email: llmclaughlin111@gmail.com

I am writing this letter of endorsement on behalf of Lori McLaughlin. I believe that Mrs. McLaughlin is an excellent candidate for the Silver Falls School Board. Lori has been active in the community since moving to Silverton several years ago. Through her community experiences and involvement, she has acquired knowledge of the local issues and challenges facing the Silver Falls School Board.

Additionally, Mrs. McLaughlin has more than 30 years of experience in the field of education. She has taught middle school, high school and college level classes. The range of her classroom experiences provide the insight and perspective necessary to make the difficult decisions that are required of this elected office.

These are my reasons for wholeheartedly backing Lori McLaughlin for the Silver Falls School Board, and I encourage you to join me in supporting her candidacy.
Thank you.

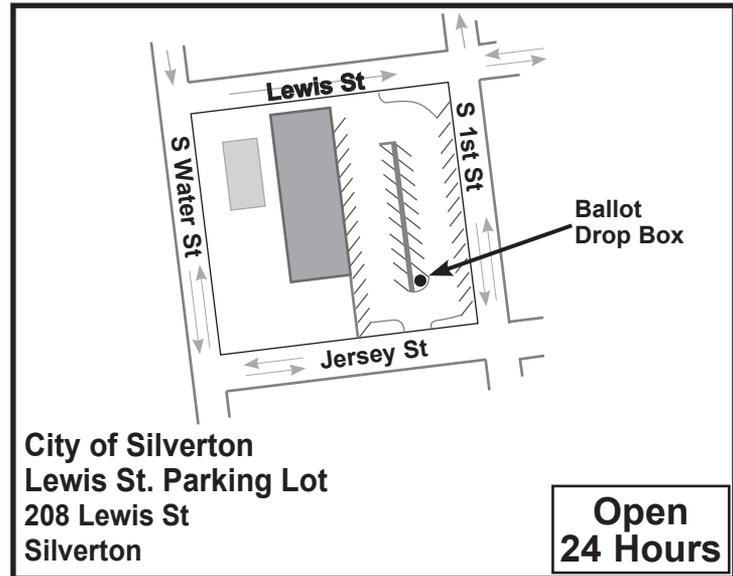

Sincerely,
Damon Spink

Dawn Tacker

Occupation: Owner, Traverse Dyslexia

Occupational Background: 25 years experience in education/ literacy, financial analysis, project management. Recent experience: Researcher, Sikana Publishing; Financial Analyst, Carlsbad City

Library; Program Manager, Vista Community Clinic.

Educational Background: Georgetown University, M.A.; American University, B.A.

Prior Governmental Experience: Board of Directors/Strategic Planning, Community Roots School; municipal budgeting; federal contracting.

Bright Futures for All

At the heart of public education is ensuring each student's success. Students should graduate with the skills/education necessary for the future they choose. Education also means a brighter future for Silverton businesses and families as our community thrives.

As a Dyslexia Specialist, I have an insider's perspective on barriers to education. Coupled with my experience as a mother of sons with learning differences, I understand individual needs. I will work to ensure:

- **All students read proficiently by third grade**, allowing them to receive an excellent education in other academic areas.
- **All students perform equally well**, regardless of race, gender, and income.
- **Educators and staff are valued and supported** to do their best work.

"Dawn is an advocate for education, and I am impressed with her commitment to breaking down barriers for all students. As an SFSD Board Member, she will employ her compassion, intelligence, and grit to help students, teachers, and schools realize their fullest potential."

-Sarah White

"I have known Dawn Tacker and her family for years. I highly recommend Dawn because she is a highly intelligent woman with a passion for our children's future."

-Jason Freiling

"I know Dawn to be a critical thinker, an expert researcher, and a passionate champion of students and families. She will make an excellent SFSD school board member."

-Hilary Dumitrescu, Sikana Publishing

I am ready to get to work on these priorities. **Please share your thoughts:** dawntacker09@gmail.com; Facebook/Instagram: dawntacker4SFSD; dawntacker.com

Silver Falls School District 4J
Director, Zone 7

Tom Buchholz

Occupation: Evergreen Christmas Tree Equipment- Owner, Buchholz-Schmitz Farms- Owner

Occupational Background: Boeing Commercial Aircraft- Tooling Engineer

Educational Background: Oregon Institute of Technology- BS in

Manufacturing Engineering Technology; Silverton Union High School; Monitor Elementary.

Prior Governmental Experience: Silver Falls School Board- 2011 to present

Born and raised in the Mt Angel/Silverton area, I attended Monitor Elementary, Silverton Union High and OIT. After 2 years engineering for Boeing, I returned home to manage the family farm.

Together with my wife Barb, we own Evergreen Christmas Tree Equipment and Buchholz-Schmitz Farms. We employ 4 full-time employees and high school seasonal help.

We are blessed in this community to have a high-performing school district. Our latest state report card shows Silver Falls graduates 88% of our students (state average is 77%), and 95% of our freshman are on track to graduate! That's not an accident. We have dedicated, trustworthy staff in all positions of our schools who take immense pride in teaching the children of our communities. They work very, very hard. Thank you!

A team of our educators and community members are currently completing our 2nd 4-year visioning plan that will help our staff keep marching toward the ultimate goal of 100% graduation rate. If re-elected, I will do all I can to facilitate their important work. I will do my best to provide good policy and guidance.

Other important work for our District is our upcoming Long Range Facilities Planning Committee. We will see what this yet-to-be-formed committee will recommend, but I will work to find a permanent solution for the students and staff of Silverton Middle School. Every year, the taxpayers of this community continue to pay down the last high school bond. As we get closer to paying it off, this community can start planning on a responsible bond for another investment in our facilities.

Thank you for your trust these past 8 years. Go Foxes!!

**Woodburn School District 103
Director, Position 1**

**Linda K
Reeves**

Occupation: Woodburn School District Board of Directors, Position 1; Woodburn Art Center Board; Community Volunteer

Occupational Background: Superintendent of Schools, Curriculum Director, Principal, Assistant Principal and Teacher

Educational Background: Ohio State University-B.S. in Education; Sam Houston State University-Master's Degree in Educational Administration; University of Texas-Doctoral Program and Superintendent's Certification.

Prior Governmental Experience: Woodburn School District Board of Directors 2014-present.

Linda Reeves

Experienced, Committed, Respected Leader

I have been devoted to teaching and learning since I was a child playing school! My career in public education began in Ohio and Texas as a classroom teacher in diverse urban and rural schools where I developed a **passion for making a difference in all students**. My vision grew as I acquired more education, served in administrative roles in Texas and Oregon, leading schools and districts, collaborating with staff and communities to **provide well-balanced education and high student achievement**.

Following my retirement, I missed the excitement and fulfillment of public education, including the complexities and challenges. When Woodburn School District, my community for the last 23 years, reached out offering opportunities to support students and the WSD, I gladly accepted, knowing that I have the **knowledge and experience to contribute**. Budget and Facilities Committees transitioned to a Board appointment in 2014 and election in 2015...

Why am I running again? Two words...the kids! I am proud of the work we are doing in WSD for our students and the accomplishments we have made in student achievement and staff development, increasing diversity and graduation rates, fiscally sound, sustainable budgeting and bond upgrades at every school. **It is an honor to serve on the WSD School Board**. I value projects in progress, am thoughtful about **improving practice** and will continue fulfilling responsibilities of district governance.

I am committed to making a difference for all students in the WSD and respectfully ask for your vote for Director, Position 1, Woodburn School District-103.

Occupational Background: Substitute Teacher, Woodburn School District; College and Career Specialist

Woodburn School District; Volleyball and Basketball Coach, Woodburn School District; Higher Education Mentor; Marriage and Family Therapist, Morrison Child and Family Services, Home Visitor, La Familia Counseling Center

Educational Background: University of California at Davis, B.A. Psychology and B.S. Human Development; George Fox University, M.A., Couples, Individuals and Family Therapy; doctoral student at Oregon State University, Counselor Education and Supervision

Prior Governmental Experience: Board Member, Woodburn School District

Our Children. Our Schools. Our Community. Their Future

"Noemi has experience in policy development. Her expertise in mental health is relevant in today's climate as the need for services has increased. Noemi also has broad educational experience from early learning, to graduation and beyond."

-Anthony Veliz, Former Woodburn School Board Member

As a first-generation daughter of an immigrant farm worker, mother, business owner, therapist, and higher education educator in Woodburn, Noemi offers a unique voice and perspective to improve education for students. Noemi's leadership ability and experience building trusting relationships will help overcome challenges and create change for all students of Woodburn School District by focusing on:

- Promote early childhood education
- Advocate for students and families
- Bridging the gap between schools and parents
- College and career readiness
- Improve teacher recruitment and retention practices
- Mental health awareness and impact on student learning

*(This information furnished by Noemi Legaspi
and is printed exactly as submitted)*

**Woodburn School District 103
Director, Position 4**

Eric Swenson

Occupation: Retired. Part-time Instructor, Pacific University, Woodburn Downtown Campus.

Occupational Background: Principal, Woodburn High School Campus; Principal, French Prairie Middle School; Assistant Superintendent,

Silver Falls School District; Elementary and Middle School Teacher.

Educational Background: Master's in Public Administration, Lewis and Clark College; Bachelor's Degree in Elementary Education, Western Oregon State.

Prior Governmental Experience: Mayor, City of Woodburn, 2018-present, Woodburn Parks & Recreation Board, 2015-2018. City of Woodburn Budget Committee, 2008-2015.

As a middle and high school principal in Woodburn I have gained a deep respect for the quality of our young people, their families and all those that support them in our community.

I have also come to deeply appreciate the hard work that our teachers and support staff do every day in the service of our students.

After a 30 year career in education, 10 of those in Woodburn, I am proud of the programs we have developed and the high graduation rates we have achieved. I also have a plethora of opinions and ideas for how our school district can be improved.

I particularly would like to focus on our (1) school to work programs (Career and Technical Education) (2) dual-language program and (3) professional development for teachers and administrators.

Like anything in education, those are areas that only get better when they are consistently monitored and evaluated by teachers, principals and school boards.

As school board member I would encourage a visioning process that involves students, parents, staff and community members to look at what our schools will, and will need to, look like in the next 20-30 years.

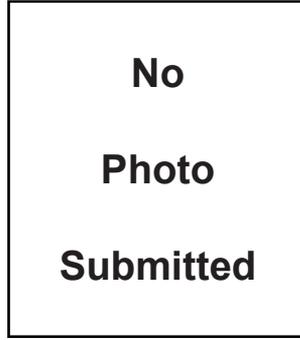

It's been an honor to be part of a school district that has accomplished so much and I look forward to helping it accomplish much more.

I am proud to be endorsed by Stand for Children Oregon, a national non-profit that focuses on ensuring all students receive a high quality and relevant education

*(This information furnished by Eric Swenson
and is printed exactly as submitted)*

The above information has not been verified for accuracy by the county.

**Woodburn School District 103
Director, Position 4**

Linda Johnston

Occupation: Community Garden Coordinator; Retired K-12 Teacher; Substitute Teacher; Software Trainer and Technical Support.

Occupational Background: School Software Trainer and Technical Support; School Library Media

Specialist and Technology Network Specialist; Community College Instructor.

Educational Background: Lewis & Clark, post graduate work in Educational Administration; Portland State University, study with Masters in Education cohort; Oregon College of Education, Bachelor of Science and post graduate work in Library Media.

Prior Governmental Experience: Woodburn School Board of Directors; Woodburn Schools Strategic Planning Committee; Woodburn Schools Technology Committee; Woodburn WCAT Cable Access Board.

Early on I watched the Woodburn School Board do its work. Over my teaching career, I served on a variety of board and staff appointed committees and task forces.

In 2000 I retired as a full-time teacher in Woodburn School District. The next phase of active participation in the Woodburn school system was as a school board director. Over 12 years, I believe I have made positive contributions to the decision making process that makes Woodburn Public Schools one of the best in the State of Oregon.

Recent decisions in state funding have made doing our best very challenging. However, this district's strategic plan, which was recently updated, guides the board decisions and the administrative and staff strategies for implementation. The community and parent support for our students and the work of school staff creates energy to make the very best of what we have.

We now review state results for our school district with students graduating well above state average. We are in the middle of construction as the result of a successful bond levy. We are expanding our career and technical education programs.

Most recently I have become active in the local Community Garden working with students from Pre-Kindergarten - 12. The produce they do not eat is contributed to the local AWARE Food Bank, over 1300 pounds.

The Latest from USPS

What is Informed Delivery?

Informed Delivery is a new consumer-facing feature offered by USPS® that provides users with digital previews of their household mail arriving soon.

Informed Delivery is free and makes mail more convenient by allowing users to view what is coming to their mailbox whenever and wherever - even while traveling, on a computer, tablet or mobile device.

To automate the sortation and delivery of mail, the United States Postal Service® (USPS) digitally images the front of letter-size mailpieces that run through automation equipment. USPS is now using those images to provide digital notifications to users in advance of the delivery of physical mail.

How does Informed Delivery® work? What will I see?

Informed Delivery allows users to interact with their incoming mail and packages in one convenient, online location. Users receive emails containing images of the exterior, address side of incoming letter-size mailpieces. These images are also accessible on the Informed Delivery dashboard at informedelivery.usps.com. Some mailpieces (e.g., catalogues or magazines) may not be imaged by the automation equipment.

Users can also provide delivery instructions to USPS, manage their notifications, and schedule re-delivery from the dashboard. Users can also receive USPS Tracking updates for incoming packages via separate email or text notifications. The dashboard displays mailpiece images for a seven-day period.

What does Informed Delivery® cost consumers?

The feature is provided at no additional cost for all Informed Delivery users.

Where is Informed Delivery® currently offered?

Informed Delivery is now available to eligible residential consumers in the majority of ZIP Codes™ across the country. You can use the ZIP Code lookup tool on informedelivery.usps.com to see if Informed Delivery is offered in your area.

Who is able to use Informed Delivery® and are there limitations on participation?

The United States Postal Service® currently provides the feature for delivery points in eligible ZIP Code™ locations for which mail can be sorted on automated equipment; and where there is a unique delivery ZIP Code, down to the apartment level. Interested consumers must also complete identity verification to confirm they live at the address. As an additional security measure, a mail-based verification letter is also sent to the account address to give the customer the opportunity to remove the account if desired.

Is Informed Delivery® available to businesses?

No. The feature is available to residential customers and eligible personal P.O. Box™ addresses, but Informed Delivery is not currently available to business customers.

Signing Up

Go to informedelivery.usps.com and follow the step by step directions. You may also download or print a step-by-step **Informed Delivery Sign Up Guide**.

How soon after requesting the feature will I begin receiving notifications?

Activation time for the feature may vary, but typically you will begin to receive notifications within three business days. Notifications containing mailpiece images will be sent on days when letter-size mail is being processed and delivered to the home. Notifications are not sent on days when there is no mail to be delivered, or on Sundays or federal holidays.

Privacy/Security Concerns

How can I be sure that notification emails are from USPS® and not spam?

All emails from the Postal Service® originate from their mail system and the contents are strictly images of the mailpieces associated with the customer's delivery address. Email messages will be sent from USPSInformedDelivery@usps.gov to the email associated with an Informed Delivery user's usps.com® account.

How secure is Informed Delivery®? Should I be concerned about my privacy?

The Postal Service® takes the privacy of customers' mail very seriously and takes measures to ensure that all personal information is protected. USPS® follows industry best practices to verify your identity, including the use of a mail-based verification letter.

- The scanned mail images are of the external markings, showing only the exterior, address side of letter-size mailpieces.
- Your mail is protected by the U.S. Postal Inspection Service®, whose sole mandate is to safeguard the entire Postal Service® system, including the employees who deliver and process the mail and millions of customers who use it.
- The Postal Service adheres to the privacy requirements of the Privacy Act established by the federal government which controls when and how the USPS shares personal information and limits the conditions in which that information can be disclosed externally to outside parties.

United States Postal Service

**Aumsville Rural Fire Protection District
Director, Position 4**

**Wayne (Dusty)
Kuhl**

Occupation: I am currently employed as a Project Manager for Alpha Technologies Services for the past 5 years. Responsible for customer quotes/invoicing, vendor purchase orders/invoicing, project scheduling, manage a crew, and financial budgets.

Occupational Background: I am retired as a volunteer firefighter/ EMT with ranks as a Lieutenant, Captain, Duty Officer, and Division Chief for the Aumsville Rural Fire District with over 32 years of service. I am also retired from Pacific Northwest Bell, US West, Qwest, and CenturyLink with 37 years of service.

Educational Background: After graduating from South Salem High School I received my technical training on the job from classes my employer provided. As a volunteer for Aumsville Fire, I received training throughout my career in Firefighting, Emergency Medical, Fire Management, Instructing, and Officer Positions.

Prior Governmental Experience: Aumsville Rural Fire Protection Board member, I am currently serving as Board President.

I am seeking election to a full 4-year term as a Board Director (Position 4), a position in which I have served in since July 2015. It has been my honor to serve in this capacity and continue to give back to the community where I have lived since 1976.

As 1 of 5 Board Directors, I would like to continue my civic duty approving budgets, developing policy, and overseeing the Fire Chief. In addition, I will continue to monitor and provide input over the District's strategic plan. I feel that it is important for the District to ensure long-term viability by supporting our volunteer firefighters, support team, cadets, and staff by investing in capital improvements, and executing sound fiscal management.

Whomever you choose to represent you as Board Director with the Aumsville Rural Fire District, please remember to vote!

Stay safe and thank you for supporting your local fire district!

**Aurora Rural Fire Protection District
Director, Position 1**

**Daroll
Nicholson**

Occupation: Retired

Occupational Background: Worked in Financial Services, and as a Director of two different proprietary schools training students for secretarial and computer-related services. American Express Business Finance; Heritage Financial Services; Business Computer Training Institute; Industrial Leasing Corporation; Northwestern College of Business, National Bank of Washington.

Educational Background: Yakima Valley Community College; Central Washington State College.

Prior Governmental Experience: Director, Aurora Fire District Board of Directors, from 2018-current; Mayor of Donald, from 2013-2017.

As former Mayor of Donald, I understand the importance of the Fire and Life Safety Services that the Aurora Fire District provides for our residents and businesses. I feel an obligation to public service and I am proud of my proven track record as a leader in our community.

When I was appointed to the Aurora Fire District Board last year, I was honored to continue representing the residents of Donald and surrounding communities to ensure the level of service they expect from our Fire District. Donna Hammang served as your representative on the Fire District Board for 25 years. I am very proud to continue Donna's legacy of service to our community.

My commitment is not only to the Donald community, but to all of the residents of the Aurora Fire District. I am committed to maintaining the quality Fire and Life Safety services that you and your families rely on 24 hours a day, seven days a week, 365 days a year.

Listening to your suggestions and working together, we will move the Fire District forward, with good communication with both the cities of Donald and Aurora, and also the citizens in our Fire District who live in the unincorporated areas.

Your vote to **Elect Daroll Nicholson** to a four-year term, to continue serving this community as a Director on the Aurora Fire District Board would be a great honor. Thank you!

*(This information furnished by Daroll Nicholson
and is printed exactly as submitted)*

The above information has not been verified for accuracy by the county.

**Aurora Rural Fire Protection District
Director, Position 2**

**Paul
Ranta**

Occupation: Background Investigator (Personnel Division), Portland Police Bureau

Occupational Background: Private consultant/contactor in the Compliance and Operations fields (Domestic and International); Working

for Nike working in Government Affairs and Compliance, focus on regulatory process and labor, safety, health and environmental oversight and development; US Army (Retired) - Infantry and Special Forces

Educational Background: Excelsior (Formerly Regents College), SUNY - BS, History. West Albany High School, Oregon

Prior Governmental Experience: None as an elected official

I am seeking a position on the Aurora Fire District Board with the goal of modernizing the District to keep our local life safety team viable, well-trained and resilient in the years ahead.

As our firefighters deal with an increasing number of calls, we need to keep our stations locally-led and staffed. I would encourage partnerships with adjacent agencies where appropriate, while maintaining the core strength of the Aurora and Donald medical and fire team. Keeping OUR life safety team strong for the benefit of French Prairie residents is critical to meeting our daily needs for life-saving assistance. I would also work to assure that we have the emergency team prepared to serve with the equipment they need when we are faced with a larger catastrophic event.

The balance between the operational needs of the Fire District and providing strong fiduciary oversight to align funding priorities is an important Board responsibility. With decades of experience in Operations and Governmental compliance, skills in financial oversight and policy, and a balance of public and private sector professional experience, I have a pragmatic approach that would benefit the District. I will be a solid representative of the district taxpayers, making sure we get value for every dollar.

I would be honored to receive your vote to serve the citizens of Aurora and Donald.

**Aurora Rural Fire Protection District
Director, Position 4**

**Fred V
Hartley**

Occupation: Senior Electrical Design Technician for an International Engineering firm

Occupational Background: Over 25 years of Electrical Engineering and Design for Commercial, High Tech Industrial and Public Transportation

Projects; Design Project Management and Construction Project Management; Past Member of the Board of Managers as Secretary of the Portland, Oregon Chapter of the Illuminating Engineering Society (IES)

Educational Background: Clackamas Community College, Drafting and Computer Aided Design; Canby Union High School

Governmental Experience: Proudly served as a Councilor on the Donald City Council (2015 to 2018); Commissioner on the Donald Planning Commission (2013 to 2014); Chair of the City of Donald Budget Committee (2014 to 2015); Member of the City of Donald Budget Committee (2012 to 2014); Member of the Donald Citizens Finance Committee (2013 to 2014)

Serving my community on City Council and on local boards and commissions over the past six years has given me experience and perspective on a broad range of governance issues that will help me be an excellent addition to the Aurora Fire District Board.

My experience on the Donald City Council has taught me that careful oversight of how public money is spent is very important in maintaining public confidence. I will bring my financial and business experience to the position of Aurora Fire District Director.

Our firefighters are faced with an increasing number of calls and we need to secure the resources to address the growing needs. If elected, I will provide policy and financial oversight necessary to sustain our fire district and keep our community safe.

It is an honor to serve on public boards and commissions in our community. With your help, I would like to continue my public service as a Director on the Aurora Fire District Board.

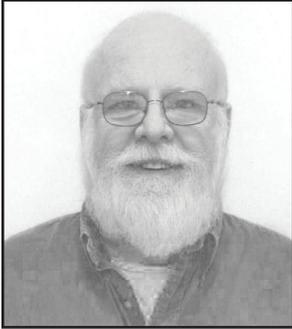

Please Vote for Fred V. Hartley for Aurora Fire District Board Director, Position 4!

Thank you,
Fred V. Hartley

**Jefferson Rural Fire Protection District
Director, Position 3**

**David R
Jones**

Occupation: Retired, Supervising
Deputy State Fire Marshal

Occupational Background: Oregon
State Police, State Fire Marshal 1999-
2011; Kingsley Field Fire Department
1983-1999; Klamath Falls Fire
Department 1983-1986; Keno Rural
Fire Protection District 1977-1983

Educational Background: Western Oregon State College -
Advanced Certification in Fire Services Administration; National
Fire Academy - Graduate, Open Learning Fire Administration
Program, Graduate, Fire Inspection Technical Series, Graduate,
Fire Prevention Program Management; Pikes Peak Community
College - Associate of Science Degree, Fire Science Technology;
Lakeview (Oregon) High School graduate

Prior Governmental Experience: Jefferson Rural Fire Protection
District Board of Directors since 2003; Oregon Department of
Public Safety Standards and Training - Representing Oregon Fire
District Directors - Board of Directors 2011 - 2017; City of Jefferson
Oregon - City Councilor 2012 - 2016, Planning Commissioner
2012 - 2012 and since 2017

For the past sixteen years, it has been my privilege to serve on
the Board of Directors for Jefferson Rural Fire Protection District.
As a career fire fighter, EMT, and fire marshal, now retired, it has
given me to opportunity to pay back the Oregon Fire Service for
a rewarding and challenging career. The fire service in constantly
facing new challenges and new technology yet retains its tradition
of community service and public dedication.

The Jefferson Fire District has faced many hurdles and celebrated
many achievements in the past 16 years. Working together as a
Board, with our professional staff, and a very dedicated volunteer
force, we have met all challenges together and will continue to do
so to provide the best possible service to the residents of the fire
district.

I ask for your support allowing me to continue to serve this
professional fire district and the residents of the Jefferson, Talbot,
and surrounding areas.

**Keizer Rural Fire Protection District
Director, Position 3**

**Chet
Patterson**

Occupation: Retired

Occupational Background: Certified Public Accountant; Financial Consultant for senior retirement and health care – MHS Alliance; CFO and Vice President of Finance and Planning – Mennonite Village, Albany,

Oregon; Vice President of Administration and Finance – Western Baptist College (now Corban University); Private practice CPA focused on audits and taxes.

Educational Background: Southern Oregon State College (now Southern Oregon University), BS in Business

Governmental Experience: City Councilor, City of Keizer, 1983-1986 and 1993-1995; City of Keizer’s Volunteer Coordinating Committee; Budget Committee, Keizer Fire District 2013-2015; Board of Directors, Keizer Fire District 2015-2019.

Committed to the City: My wife and I have been Keizer residents since 1978 and raised our two children here. In 1982 I became involved with the Keizer Incorporation Committee and co-authored the feasibility study that led to the successful incorporation of the City of Keizer. I was elected twice to the City Council and during my first term I served as the city’s first budget officer.

Committed to the Fire District: I am similarly committed to the Keizer Fire District, and have been since our son Aaron, now a firefighter with the City of Seattle, belonged to the Explorer Post affiliated with the Keizer Fire District. My highest priority as a board member has been to ensure that our first responders are well-taken care of, as well as the equipment on which they rely on to respond to the needs of those they serve. And I was instrumental in creating the Keizer Fire Foundation whose purpose is to support the Keizer Fire District.

Committed to Prudent Financial Management: With over 25 years of successful financial management experience I understand how important it is to the health of any organization to know that the funds entrusted to them are managed wisely.

**Keizer Rural Fire Protection District
Director, Position 5**

**Betty
Hart**

Occupation: Community Volunteer

Occupational Background: Chief Financial Officer, Northwest Human Services; Community Services Administrator, City of Salem

Educational Background: Willamette University, Master of Administration; University of Washington, Bachelor of Arts, Mathematics

Governmental Experience: Keizer Fire District Director, Position #5, City of Salem

During my first term on the Keizer Fire District Board, I have served as Treasurer of the Board making financial reports to the Board at monthly meetings.

In addition, my work for the Keizer District included the following:

- Chaired the committee for the “Seventy Years of Service” in 2018 to celebrate the District and its work since 1948.
- Played an active role in the campaign to pass a General Obligation bond to replace aging equipment.
- Played an active role in the renewal of the operating levy to maintain staffing to meet the growing demand for service in the District.
- Represented the District at community meetings such as the monthly meeting with the Keizer Mayor, “Coffee with Cathy,” and Keizer United, a networking group of people providing services within Keizer, sharing District information with the groups and providing information on community issues with the Board.
- Attended training sessions provided by Special Districts Association of Oregon to ensure my effectiveness as a Board member.

The key issues facing the District include continuing to meet the growing demand for service in the District, strategic planning, and being more transparent to the community. Please vote for

**Betty Hart for Keizer Fire District Board of Directors,
Position #5
Committed to Community**

**Marion County Fire District 1
Director, Position 1**

**Susan
Curths**

Occupation: Principal Broker,
Berkshire Hathaway HomeServices
Real Estate Professionals

Occupational Background: Principal
Broker, Coldwell Banker Mountain
West Real Estate

Educational Background: Roseburg
High School, Graduate; Western Oregon University, BS in
Education; Norm Webb Real Estate School

Prior Governmental Experience: Currently serving on Marion
County Fire District #1, Director Position 1 2015 to present; Marion
County Fire District #1 Budget Committee Member

The responsibility of our government is to keep its citizens safe. It is of the utmost importance that Marion County Fire District 1 provide the best possible fire and emergency medical services to the residents of Marion County. My number one priority is to make sure that the members of our fire district have the training and tools to provide the best possible fire and emergency medical services to our community.

These excellent services are funded by the taxpayers of Marion County. It is the Board's responsibility to ensure that every dollar is spent wisely. The tax revenue fluctuates with the economy, which can make budgeting difficult. Having spent the last four years on the Board and working through the budgeting process when tax dollars were down has given me great insight and knowledge into the budgeting process and how to prioritize services. I am proud of how the Board, the Chief and the firefighters have worked together over the past four years to ensure the best service to our community and worked within our budget.

Working together with our Board members and the members of the Fire District requires an objective listener, problem solver and consensus builder. I believe I have the skills to meet those needs. I am committed to working with the leadership of the District and the community to provide the best possible service to the citizens of Marion County. I thank you for your support and ask for your vote.

Frequently Asked Questions

What If I...?

What if I make a mistake on my ballot?

If you make a mistake, draw a line through the entire measure response or candidate's name. You then can make another choice if desired. See voting instructions on page 7.

What if I change my mind after I turn in my ballot?

Your ballot has been cast as soon as you deposit it in the mail or at a ballot drop site. After that, you cannot receive a new ballot.

What if I don't vote on everything on the ballot?

Your ballot will be counted.

What if I don't sign my return envelope?

You will be notified by mail to come in and sign your ballot by June 4th.

What if I don't receive my ballot?

If you are a registered voter and don't receive your ballot within five days after they are mailed out, call us at Marion County Elections Office at 503-588-5041, 1-800-655-5388, TTY/TDD 1-800-735-2900.
E-mail: elections@co.marion.or.us

Can I Vote?

You are eligible to register and vote if:

- You are an Oregon resident.
- You are a U.S. citizen or will be a U.S. citizen before Election Day.
- You are 18 years old by Election Day.
- New registrations must be completed and postmarked by April 30th, 2019.

You need to update your registration if:

- You move or change your mailing address.
- You change your name.
- You wish to change your party affiliation.

What if I've moved?

If you are currently registered to vote in Marion County but have moved within the county, you will need to update your registration by providing your current address(es) to the Elections Office in writing and requesting that a ballot be mailed.

From another Oregon County?

If you have been registered in another county in Oregon, but have moved to Marion County, you may still register and be eligible to vote a Marion County ballot.

Voter registration forms are available at:

- Pages 52 and 54 in this pamphlet
- All Election Offices, State or County.
- U.S. post offices, public libraries, Oregon Department of Motor Vehicles offices, or www.oregonvotes.gov where on-line voter registration is available.

**Silverton Fire District
Director, Position 1**

**Stacy
Palmer**

Occupation: Executive Director, Silverton Chamber of Commerce and Visitors Center

Occupational Background: I've had over 18 years of working with the Silverton Community as well as 10 years in the Automotive Industry and

Human Resource field.

Educational Background: Graduated from Silverton High School, attended Chemeketa Community College and have a certification in Human Resource Management and a certificate in Organizational Management from the US Chamber of Commerce.

Prior Governmental Experience: I've been appointed to several community committees and task forces, most recently the Transportation Advisory Committee, Urban Renewal Advisory Committee and the Downtown Revitalization Task Force for the City of Silverton.

I grew up in Silverton along with my husband Kevin and it's always been our goal to serve our community where we feel our strengths or particular skills could be utilized. I have worked in a board or team management position for over 25 years and I think my awareness and training in board policy, budgeting, procedures and dynamics would be helpful to the Fire District. As the methods of doing business or providing services in a rural area change, so to must the direction of the Board of Directors. As more women enter the fire service as a profession, I also think it would be a benefit to have a woman on the board that can look at issues with a fresh perspective and unbiased opinion. While I think the Silverton Fire District is performing well - I think it can be better and I'd like to be a part of that journey. I'd like to see the number of active volunteers grow and I'd like to create an environment that is safe, supportive and fiscally responsible. If you feel the same, I'd appreciate your vote.

Educational Background: Chemeketa

Community College, 2 yrs, AA, Business Management; Oregon Health Sciences University, 1 yr, CT, Cytotechnologist; University of Portland, 4 yrs, BS, Biology

Prior Governmental Experience: Library Board Member (2007-present), Chairperson 3 years

As a current member of the library board, I work for you, the constituents of the library district. It is my job to uphold district policies and spend district monies wisely. We have a great library and I want to keep it that way by improving services while remaining within our budget.

In the last year the past director retired and the board hired a new library director, who has infused the library with new energy. There has been an extensive inspection of the facilities and we are working to get maintenance up to speed. We can all be proud of the library we have and I will work toward keeping it a vital part of our community. If you haven't been in the library for some time, pay a visit and check out what is happening.

If re-elected I will continue to work with the director to increase our collection, upgrade technology options and continue with needed maintenance. A generous bequest received several years ago has helped with long term funding and allowed the library to look to the future. We need to continue to look to the future with new programs and updated technology.

I'm asking for YOUR VOTE on May 21 so I may continue to work for our library.

Thank you for your vote on May 21.

**Measure No. 24-438
Aurora Fire District**

Referred to the People by the Aurora Fire Board

Five Year Local Levy for Hiring, General Operations and Equipment

Question: Shall AFRD replace current rate with \$0.99/ assessed value for five years beginning 2019, hiring EMT's/ Firefighters and enhancing operations? This measure may cause property taxes to increase more than three percent.

Summary: Aurora Fire District is seeking a five-year local option tax for general operations. Monies are needed maintain current staff of four and hire additional career EMTs/ Firefighters for emergencies. For the first time, this levy will allow the District to respond to calls 24 hours a day with a career Emergency Medical Technician/ Firefighters.

AFD responds to over 1000 emergencies a year, the amount of calls is stretching current resources. Volunteering is still an important aspect to the Aurora District, however times have changed and time demands on volunteers has become increasingly difficult to balance. Money will also be used to enhance current volunteer program, pay for general operating expenses such as equipment, supplies and repairs. This levy request will help ensure when you call us for an emergency, we will have a crew available to assist you. This levy does not add an additional \$0.99, it replaces the current rate of \$0.49.

The proposed rate will raise approximately \$920,945 in 2019-20; \$958,573 in 2020-21; \$977,031 in 2021-22; \$1,006,342 in 2022-23; and \$1,036,532 in 2023-24. The total estimated amount of tax to be raised is \$4,899,423

The estimated cost for this measure is an ESTIMATE ONLY based on the best information available from the county assessor at the time of estimate and may reflect the impact of early payment discounts, compression and collection rate.

TO THIS MEASURE**

**Measure No. 24-438
Aurora Fire District**

Explanatory Statement:

Responding to over 1,000 emergencies per year, AFD provides Firefighting, Rescue and Emergency Medical Services (EMS) to residents within 64 square miles of Marion and Clackamas Counties. We protect the Cities of Aurora and Donald as well as the Aurora Airport, Champoege State Park and 20 miles of Interstate 5.

This levy is needed to maintain current operations and provide a career EMT/Firefighter as the officer in charge 24 hours a day. It will also allow us to make repairs, upgrade emergency equipment and enhance our current student and volunteer program.

Most of our calls for service occur when there are no career staff on duty. Currently, there are only 4 career employees on duty M-F during regular business hours. Once the business office has closed, volunteers and students are the primary emergency responders.

If you, or your loved one, experience a cardiac event, car crash or major emergency, a fire engine without a career EMT/Firefighter in charge is likely to respond. If your home is on fire, national mandates prohibit us from entering to extinguish the fire until a minimum of four firefighters are on scene. Between volunteers, students and career staff, the levy will allow us to quickly meet these standards and provide better service to the community.

The District has a group of well qualified volunteers who serve in all positions from Battalion Chief to our newest recruit. However, time demands on volunteer firefighters have reached a point where it is difficult to recruit, and more importantly retain, volunteers. Family life, job requirements and increased emergency calls have changed the face of the fire service both nationwide and locally.

The District recruits volunteers who live and/or work within the community and can respond to emergency calls. We also recruit "out of district" volunteers who may live anywhere throughout the Willamette Valley and sign up for shifts (generally 12-24 hours in length) in Aurora or Donald.

Our student program exists to provide staffing and a career path to college students. The District strives to maintain six student firefighters and place them on shifts (currently helping to ensure a minimum of two responders). They are among the newest and most inexperienced members.

What is the impact if the operational levy fails?

Our budget would be reduced by 37% making the current level of operations unsustainable. We would have to delay needed repairs, the purchasing of vital equipment and possibly reduce our current staff and student program. The priority of AFD will always be to serve our District and maintain timely emergency responses. However, without this levy, it would become increasingly difficult if not impossible.

This Information Submitted by:
Joshua L. Williams, Fire Chief Aurora Fire District

Measure No. 24-439
Idanha-Detroit Rural Fire Protection District

Referred to the People by the Idanha-Detroit Rural Fire Board

Renewal of Five Year Local Option Levy for Emergency Service Operations

Question: Shall District impose \$0.68 per \$1,000 assessed value for five years beginning in 2019-2020 for general emergency service operations? This measure renews current local option taxes.

Summary: The Idanha-Detroit Rural Fire Protection District Board of Directors determined the need to requesting additional funding to provide fire and emergency service operations. The District's tax base is no longer sufficient to fund the ability to provide emergency services.

Service provision is hampered by increasing costs and increasing demands for service.

The District Board desires to be good stewards of taxpayer money while providing the best possible service for our communities. With existing revenues failing to fund adequate operations, the Board decided to ask the taxpayers to renew the 5 year option levy in order to maintain the proper level of emergency response services.

The District is contending with equipment failures due to age. The average age of our response equipment is 29 years old with one of our first out engines being over 48 years old. Replacement of this equipment is imperative, expensive, and this process will take time and money to accomplish. This levy would be a continuation of the levy approved in 2014. No tax increase is required.

The proposed rate of \$0.68 would generate approximately \$47,859.00 in 2019-2020, \$49,293.00 in 2021-2022, \$50,771.00 in 2021-2022, \$52,293.00 in 2022-2023, and \$53,861.00 in 2023-2024 for a total of \$254,077.00.

The estimated tax cost for this measure is an ESTIMATE ONLY based on the best information available from the county assessor at the time of estimate and may reflect the impact of early payment discounts, compression and the collection rate.

**NO ARGUMENTS WERE
SUBMITTED IN SUPPORT OR
IN OPPOSITION
TO THIS MEASURE**

Measure No. 24-439
Idanha-Detroit Rural Fire Protection District

Explanatory Statement:

This levy option would be a continuation of a levy option that has been place for the past five years and is not an additional tax. This levy would assist with the funding of general operations, district business, as well as bolster the 911 response.

The District regularly seeks other sources of funding such as grants but none of those sources will pay for operations in general. We have been able to purchase some personal protective equipment through the grant process as well as providing for some staffing through a grant. No operational money funded any of these programs. This levy is not designed to pay for staffing.

The Idanha Detroit fire district was established in 1954 when the timber industry was prospering. At the same time Idanha Detroit fire was just responsible for suppression of fire. Today the Idanha Detroit fire does so much more than Fire suppression. Medical response and rescue service are a majority of our mission to citizens of Idanha and Detroit. The demands for service are wide ranging and ever increasing. There is no funding mechanism other than the option levy that will help with sustaining operations.

This option levy is important due to the decline of the timber industry and the increase for service demands. The Board of Directors for the Idanha Detroit Rural Fire Protection District by resolution at the February 14th 2019 regular board of directors meeting decided to pursue the renewal of the local option levy.

Information Submitted by:
William F. C. Ewing
Fire Chief, Idanha-Detroit Rural Fire Protection District

Measure No. 24-440
Jefferson Rural Fire Protection District

Referred to the People by the Jefferson Rural Fire Board

Five Year Local Option Tax for Operations

Question: Shall the District levy taxes of \$0.38 per \$1000 of assessed value for five years beginning 2019-20 for operations? This measure may cause property taxes to increase more than three percent.

Summary: Jefferson Rural Fire Protection District provides ambulance, EMS and fire response within a 97 square mile area in Marion and Linn Counties. In 2018-19 the District experienced a significant decrease in property tax revenue after a change in the service area. The Board conducted a review of the District and identified several needs such as replacing a 2004 ambulance, a 1982 water tender, station maintenance, equipment maintenance and improve staffing.

With the reduced revenues and identified needs the Board of Director's is asking the voters for a 5-year local option levy with a tax rate of \$0.38 per \$1000 of assessed value.

Homeowners with average assessed value of \$190,000.00 at the proposed amount of \$0.38 per thousand would result in a homeowner paying \$72.20 in property taxes.

The measure would raise approximately \$260,777.00 in 2019-20, \$268,600.00 in 2020-21, \$276,658.00 in 2021-22, \$284,958.00 in 2022-23 and \$293,507.00 in 2023-24 for a total of \$1,384,500.00

The estimated tax cost for this measure is an ESTIMATE ONLY based on the best information available from the county assessor at the time of estimate and may reflect the impact of early payment discounts, compression and the collection rate.

Measure No. 24-440
Jefferson Rural Fire Protection District

Explanatory Statement:

Jefferson Rural Fire Protection District provides ambulance, EMS and fire response within a 97 square mile area in Marion and Linn Counties. In 2018-19 the Fire District experienced a \$275,000.00 decrease in property tax revenue after the City of Millersburg withdrew from the Fire District. In response the Board made several budget cuts to compensate for the loss of revenue which included reducing one full-time position to half-time, reducing a reserve account, and additional operational reductions.

The Board conducted a review of the facilities, apparatus, and staffing to identify the immediate and long-term needs of the Fire District. It was determined that replacing the aging facilities and equipment would require 14.5 million dollars. The Board of Director's would like to start addressing these needs of the Fire District but realizes it can't be done all at once. A 5-year local option tax provides the most flexibility to address facility maintenance, operational, apparatus and staffing needs. The Fire District wants to replace a 2004 Ambulance, purchase one new tender to replace two 1982 tenders, increase facility and apparatus maintenance, and make improvements to the part-time staffing.

The Board of Director's is asking the voters to approve a \$0.38 per thousand tax increase for the next 5 years beginning July 1, 2019 and expiring June 30, 2024. The measure would raise approximately \$260,777.00 in 2019-20, \$268,600.00 in 2020-21, \$276,658.00 in 2021-22, \$284,958.00 in 2022-23 and \$293,507.00 in 2023-24, for a total of \$1,384,500.00.

Homeowners with average assessed value of \$190,000.00 at the proposed amount of \$0.38 per thousand would pay \$72.20 in property taxes.

The revenue generated will allow the Fire District to continue providing ambulance, fire and EMS services at current levels and upgrade an ambulance and water tender. Without the increased revenue the Fire District will need to make additional reductions in services and staffing.

The estimated tax cost for this measure is an ESTIMATE ONLY based on the best information available from the county assessor at the time of estimate.

Kevin Hendricks
Fire Chief, Jefferson Rural Fire Protection District

**NO ARGUMENTS WERE
SUBMITTED IN SUPPORT OR
IN OPPOSITION
TO THIS MEASURE**

Measure No. 22-178
Santiam Canyon School District No. 129J

Referred to the People by the Santiam Canyon School Board

Bonds to construct schools; improve safety and security; add classrooms.

Question: Shall Santiam Canyon School District improve safety, replace school, add vocational classrooms, issue general obligation bonds not exceeding \$17.9 million? If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.

Summary: If approved, this measure is expected to finance:

- Capital costs to enhance vocational and academic programs for junior high and high school students
- Security upgrades, to improve safety
- Construction of a new Junior/Senior High School to address overcrowding; replace a failing building, remove temporary portable classrooms
- New cafeteria at the Elementary School to improve instructional schedules
- Construction of office, library, core education spaces, and an auxiliary gymnasium
- Furnishing and equipping for the above projects, demolition of existing buildings, pre-project planning, site improvements, upgrades to existing high school buildings, and bond fees

The District would establish a citizen oversight committee to ensure proceeds are used for purposes indicated.

Bonds would mature in twenty-five (25) years or less from the date of issuance. Estimated levy rate is \$2.45 per \$1,000 assessed value. For the owner of a home with an assessed value of \$100,000, the estimated additional monthly cost would be \$20.42 per month, or \$245 per year. Actual rates may differ based on changes in interest rates and assessed values.

Explanatory Statement:

Santiam Canyon School District serves students from the rural communities of Mill City, Gates, Detroit, Idanha, Marion Forks, the Little North Fork and surrounding areas. Santiam Elementary School and Santiam Junior/Senior High School have a combined enrollment of 570 students. In the past two years, enrollment has increased by approximately 40 students and projections are for continued growth.

Santiam Canyon Schools face challenges:

- School safety and security needs have changed.
- Instructional space for vocational and academic programs for junior high and high school students is limited.
- Built in 1954, our Junior/Senior High School is an overcrowded, outdated facility that has failing mechanical and structural issues. It was not designed for separation of middle and high school students, does not meet current safety standards and contains old hazardous materials such as asbestos.
- Santiam Elementary School enrolls 310 students in grades K-6 and is out of classroom space for additional growth or programs.

Measure No. 22-178
Santiam Canyon School District No. 129J

Explanatory Statement continued:

Community identified priorities:

In 2017, the District formed a Long Range Facilities Plan Committee that represented community members and school staff. A facility analysis was conducted by outside architects, engineers and school construction professionals.

The citizens' committee proposed a bond measure supported by the school board to fund the following capital projects:

- **Enhance vocational and academic programs for junior high and high school students through expansion of hands on learning spaces.** The District has added student programming in recent years, with addition of industrial arts/shop classes, music and health occupations technical classes.
- **Improve life safety and security.**
- **Reduce overcrowding by constructing a new Junior/Senior High School to address overcrowding; replace a failing building, remove temporary portable classrooms.** This bond proposal would replace the classroom portion of the campus, leaving the Auditorium, Gym and Shop building.
- **New cafeteria at the Elementary School to improve instructional schedules; currently lunch starts as early as 10:30 a.m. to fit all K-12 students in one cafeteria.**
- **Construction of office, library, core education spaces, and an auxiliary gymnasium**

Replacement vs Repair: Expert recommendations are that the Santiam Junior/Senior High School classroom building is a better candidate for replacement compared to repair. The cost to repair this aging facility does not make sense due to the condition and educational adequacy of the building. It does not meet current safety standards and contains old hazardous materials such as asbestos. The District's innovative design and construction of the new classroom buildings is estimated to cost taxpayers 40% less than current standard school construction.

Bond funds can only be used for voter-approved projects:

The principal amount cannot exceed \$17.9 million and bonds would mature in 25 years or less. Law prohibits the use of bond funds for any expense not listed on the ballot.

Citizen oversight for bond expenditures: A long-term citizen oversight committee would be appointed to ensure that all bond funds are used for the purposes approved by voters. Their role would include communicating project implementation to the public and overseeing spending.

Submitted by Todd A. Miller, Superintendent

**NO ARGUMENTS WERE
SUBMITTED
IN OPPOSITION
TO THIS MEASURE**

Argument in Support:

A local committee studied an architectural report outlining the condition of our school facilities. Many recommended upgrades, repairs, or maintenance could be accomplished within the district's budget. More expensive items required an evaluation of the cost effectiveness of facility repairs or replacement.

The aging high school classroom building is in need of significant upgrades and repairs, including: roofing, asbestos abatement, earthquake reinforcements, HVAC system upgrades, electrical and plumbing upgrades, security systems, and ADA accessibility improvements. Furthermore, portable classrooms are being used to meet space requirements. Repairing the existing classroom building does not improve educational offerings or address space needs. A bond would be necessary to pay for these expensive repairs and may not be repaid before more repairs are required.

Additional facilities are also needed. Currently all students use one cafeteria, requiring student shifts. The first lunch period for elementary students begins at 10:30 am. Additionally, State-mandated changes require PE time for all students, overtaxing the current gymnasium.

In the past, State Support funds financed schools with a specific dollar amount per student. Districts levied local property taxes to cover differences between State funds and the actual cost of operating schools. Local revenue sources, like the timber tax, were "extra" revenue that school boards used to fund expensive projects. When measure 5 went into effect in 1991, the State rolled timber tax money into the State Support fund equation resulting in some districts losing that "extra" revenue. Currently, when districts need money for major projects, they must go to voters with a bond measure such as this.

We believe that this bond gives our students modern facilities, improved safety, and the same advantages of an enlarged curriculum other districts provide. Several design iterations were considered to find the most cost-efficient way to provide needed facilities for our students and allow for space for future growth.

Public education is strong because it is always paid forward!

**SIGNATURE DOES NOT MATCH
RESPONSE REQUIRED**

The requested information must be received in our office no later than **5:00 PM on Tuesday, June 4**, in order for your ballot to be counted.
Postmark will not count.

If you do not respond, your ballot for this election **cannot** be counted and your voter registration status will become **Inactive** per ORS 254.470(8)(9) and ORS 254.426(4) and (5).

Please complete and return the form on other side of this notice.

Dear Voter:

Your ballot has been received in our office. The signature on your return ballot envelope does not match the signature on your most current voter registration card. Signatures must match for ballots to be counted. There must be an accurate signature on file when a voted and returned ballot is processed. We compare the signature on every return ballot envelope to the voter's signature on file.

In order for your ballot to be counted, you must respond no later than 5:00 PM on Tuesday, June 4, 2019. If you do not respond, Oregon election law requires that we then change your registration status to Inactive. Inactive status means you will not receive ballots for future elections, or be qualified to sign petitions until you update your registration with the signature you will be using for voting purposes.

To respond: please update your registration with the signature you will be using for voting purposes **by completing and submitting the voter registration form on the other side of this notice.**
Note: Additional lines are provided for your various writing styles.

Please note: Starting May 29th (8 days after the election) our office is required by Oregon law to disclose your name and address to a political party or other public entity if a list of electors with challenged signatures is requested. ORS 254.431(3)(b).

If you are unable to sign your name consistently or **you believe someone else signed your ballot envelope**, please contact our office at 503-588-5041 or 1-800-655-5388.

Thank you for your prompt attention to this matter.

(PLEASE NOTE: A Voter Registration card accompanies this letter in order for the individual to update his/her signature for the voter file. See next 4 pages.)
