**QUESTION:** Do you vote to recall Rick Jolin from the office of Councilor?

**PETITIONER’S STATEMENT:** (Exactly as stated on Recall Petition)

We, the voters have lost faith in Rick Jolin’s ability to serve the City of Detroit competently, fairly or effectively as City Councilor. Through his words and behavior, Rick Jolin has created a feeling of isolation and divisiveness in our community, of “him against us.” His behavior at Council meetings is rude, disruptive and uncivil. He has been told many times that he is out of order. Rick Jolin has demonstrated his inability to perform his civic duties properly and without bias and must be recalled.

**STATEMENT OF JUSTIFICATION:** (Exactly as submitted by Rick Jolin)

Here we go again. Another recall for the City of Detroit. As citizens of Detroit we must pay money (that the city doesn’t have) to satisfy the complainer. If we continue to recall good people off of council, soon it will be the lawbreakers that run the town. Why shoot down good volunteers?

Since I have been Police Commissioner and Neighborhood Watch Patrolman, crime in Detroit has dropped significantly! I wrote and implemented special ordinances to protect the people of Detroit from invasive noise and disruptive late night parties. When the citizens of Detroit complained, I was there to help. I wrote and started the court system that helps us enforce the ordinances and laws. These laws don’t just apply to noise. These laws help keep Detroit safe, clean, quiet and a Desirable place to live. Remember I am a volunteer.

It is interesting to note that nothing specific was written in the complaint against me. Its because I’ve done nothing wrong. I follow the rules and do what the citizens request. It seems the complainer does not think Detroit’s laws apply to them.

A no vote on recall preserves law and order in Detroit.

Richard W. Jolin

**QUESTION:** Do you vote to recall Edward Bowman from the office of Councilor?

**PETITIONER’S STATEMENT:** (Exactly as stated on Recall Petition)

We, the voters have lost faith in Ed Bowman’s ability to serve the City of Detroit competently, fairly and effectively as City Councilor. While a City Councilor should be available to his constituents in a positive way, Ed Bowman’s interactions with voters are negative. We feel Ed Bowman does not work with the community in mind, but instead on his own agenda. Ed Bowman must be recalled.

**STATEMENT OF JUSTIFICATION:** (Exactly as submitted by Edward Bowman)

When I volunteered for an open position on City Council my objective was to serve the people of Detroit in a fair and objective manner. After being appointed to the position of Commissioner of Emergency Preparedness I feel I have accomplished this.

I was instrumental in the planning and installation of the City’s Emergency Generator installed in City Hall.

I am assisting with the installation of a Ham Radio being installed in City Hall for emergency Communications.

I was the recipient of the 2008 Hero of the Year Award by the Willamette Chapter of the American Red Cross for my work during the Governor of Oregon’s declaration of Emergency for the Winter of 2008.

I work closely with Marion County Emergency Services and have coordinated their help during past emergencies.

My position on the Detroit City Council is very important to me and I am proud of my accomplishments.

I regard my position on Council an honor to serve the City of Detroit and the residents of this town I do so love.

Edward Bowman
