I am interested in the Director position for the Turner Fire District to become a member of the team that carries out the Vision and Mission Statements, in such a way as they best meet the needs of the residents of the District.

My experience in project management and procurement for government entities provides me with the skills needed to be an effective Director. These experiences fall within the duties of overseeing, evaluating, and establishing policies, developing effective methods of communications, monitoring the finances and the budget; including setting policy that ensures the District's fiscal integrity. Along with making sure the District's money is spent following the established policies and procurement regulations.

I am committed to working collaboratively with the leadership of the various groups within the District to provide the best possible service to you and our community.
