Local Option Levy to Maintain Fire & Medical Emergency Response

Question 20 words which plainly phrases the chief purpose of the measure.

Shall the Fire District levy \$0.99 per \$1,000 of assessed value for five years beginning in 2020-2021 for emergency operations?

This measure may cause property taxes to increase more than three percent.

Summary 175 words which concisely and impartially summarizes the measure and its major effect.

The Hubbard Fire District provides fire, emergency medical, and rescue services to the residents of Hubbard and the surrounding area. The Fire District currently has 2 career firefighters and 27 volunteers.

If adopted, this levy would allow the hiring of two additional career firefighters to ensure that firefighter staffing is provided at all times for response to fires, medical emergencies, and public assistance.

- In addition, if adopted, the levy funds would:
- Provide funding for compliance with required maintenance of emergency response equipment and fire vehicles.
 - Allow the purchase and maintenance of personal protective equipment for firefighters.
 - Provide funding for the purchase of updated emergency medical and firefighting equipment.
 - Allow the Fire District to enter into automatic mutual-aid agreements with neighboring fire districts to ensure back-up emergency response coverage at all times.
 - Allow the Fire District to meet existing emergency service demands and proactively prepare for expected growth in the area.

The requested rate will raise approximately \$326,030.77 in 2020-2021; \$335,811.70 in 2021-2022; \$345,886.05 in 2022-2023; \$356,262.63 in 2023-2024, and; \$366,950.51 in 2024-2025. The estimated tax cost for this measure is an ESTIMATE ONLY based on the best information available from the county assessor at the time of estimate and may reflect the impact of early payment discounts, compression and the collection rate.
