Local Option Levy to Maintain Fire & Emergency Medical Response

Question 20 words which plainly phrases the chief purpose of the measure.

Shall Fire District Levy \$1.10 per \$1,000 of assessed value for five years beginning 2025-2026 for emergency operations?

This measure may cause property taxes to increase more than three percent.

Summary 175 words which concisely and impartially summarizes the measure and its major effect.

The Hubbard Fire District provides fire, emergency medical, and rescue services to the residents of Hubbard and the surrounding areas. The Fire District currently has 4 career firefighters and 31 volunteers. If adopted, this levy would allow the Fire District to maintain current staffing levels to ensure that firefighter staffing is provided at all times for response to fires, medical emergencies, and public assistance.

In addition, if adopted, the levy funds would:

Allow the purchase of personal protective equipment for firefighters.

Provide funding for the purchase of updated emergency medical and firefighting equipment.

Allow the fire district to meet existing emergency service demands and proactively prepare for expected district growth.

The requested rate will raise approximately \$460,000 in 2025-2026; \$473,800 in 2026-2027; \$488,000 in 2027-2028; \$502,600 in 2028-2029, and; \$517,600 in 2029-2030, for a total of \$2,442,000.
