Proposed Amendments to City of Silverton Municipal Charter

Question 20 words which plainly phrases the chief purpose of the measure.

Shall the legal voters of the City of Silverton approve the proposed amendments to the municipal charter?

Summary 175 words which concisely and impartially summarizes the measure and its major effect.

Similar to a constitution, a municipal charter is a written instrument governing how a municipal government functions, as well as its powers, duties, and authorities. If this measure is approved, the city's current charter, last amended in 1985, would be amended by the proposed amendments. Many current charter provisions are outdated and hinder effective and efficient municipal operations. Among other things, the proposed amendments would (1) remove or amend certain charter sections that may not comply with state law or unnecessarily duplicate state law; (2) clarify certain Council rights, duties, and procedures; and (3) clarify certain city manager responsibilities and requirements. A description of the proposed charter amendments is available for public inspection on the City of Silverton website (<https://www.silverton.or.us/media/20201>) and at City Hall.
