NOTICE TO OFFICIANT PERFORMING WEDDING CEREMONY

Here are some quick facts on how to ensure prompt and accurate delivery of the marriage license:

Registering with the County Clerk is no longer required

The marriage license is the legal sized document with the original signatures from both parties and the clerk. The decorative certificate is not a legal document.

Fill out the ceremony portion of the license **COMPLETELY**:

- Incomplete licenses cannot be processed
- Do not forget to **SIGN** the license
- 31c must be filled out **COMPLETELY**, including your **FULL** address: city, state, zip code **AND** a phone #.
- Use black or blue ink only
- Print legibly and clearly
- Information is filled in below the title of each line.
- **PRINT** witness names – they **DO NOT** sign the license
- Do not alter any information on lines 1 through 24
- Do not fill out affidavit of age (lines 23 and 24)
- Mail the complete license within 5 days of the ceremony
- Ceremony date **CANNOT** be before effective date on license

Delays may occur if you do not complete the license accurately and may require the entire document to be redone. This will lead to delays issuing the certified marriage license to the newly married couple!

You, as the officiant, are required to assist with any errors and corrections!
