## Treasurer Program Budget Analysis

This budget will allow a current level of services. The requirements for Personal Services have changed slightly due to a classification study conducted by human resources in 2007. Both the department specialist series and the accounting series were reviewed and both positions were changed. The department specialist 4 was found to be a classification unique to treasury and was reclassified to a treasury specialist. The new classification is paid at the same range as the department specialist 4. The accounting clerk position was reclassified to an accounting specialist that is paid at a higher salary range, but with the retirement of the accounting clerk (at step 9) the new position resulted in a decrease in personal services costs.

## FUNDS

The treasurer department budget is entirely in the general fund.

## KEY DEPARTMENT ACCOMPLISHMENTS FY2007-08

- Began auditing cash handling procedures and implementing internal cash controls in county departments.
- Trained 100 employees in Internal Controls
- Continued cash handling training for new employees
