Recruitment Updates

Committee members will ask friends and colleagues if they are interested in applying to join the committee. Sheena has been talking with one of her clients about possible joining. Jo Solis is a new case manager with the county, and is no longer with the committee. This creates a vacancy in the Chair position. Gwyn nominated Deb; Deb accepted the nomination to serve as the Chair. This creates a vacancy in the Vice Chair position. Doug has volunteered to be the Vice Chair.

Discussions held during this meeting have led Nick to committing to several tasks to help move the group forward for the future. These tasks include:

- Reaching out to 5 other similarly sized counties to inquire about their focus in the next year. He will bring info back to next meeting.
- Inviting Lisa Miller, Marion County Volunteer Services Coordinator to our next IDDAC meeting to help us craft a new announcement for vacant positions.
- Focusing on Advocacy\Community Involvement\Training as sub committees. Will send out doodle poll to document interest in a particular subcommittee. These sub committees can focus on legislative issues, collaborating with partners, social media presence\outreach, family forums, navigation of system, access issues, Employment, etc. Once it is determined who is interested in which subcommittee we can begin working on focus, goals, and objectives.
- Bringing National Core indicator data next month in addition to Employment data as it relates to shelter workshop\competitive integrated employment, eligibility numbers, and recent customer satisfaction survey results. Ongoing data will focus on employment and CDDP eligibility numbers.
- Continuing to bring a DD managers report each meeting.
- Inquired about the committee's budget and found out that there isn't one. This gives us an opportunity to look at community collaboration.
- Inquiring about a Facebook page, and should have some more answers by our next meeting.
