Comments:

OHA has announced that all providers are now welcome to begin the enrollment process to become COVID-19 vaccine providers.

Marion County Vaccine Unit is encouraging all interested providers to begin the enrollment process and help get vaccines to all our community members. Enrolling can take time, especially for providers who are unfamiliar with the systems (ALERT IIS and Vaccine Supply) that come with requirements for staff training.

All information needed to sign-up can be found on the Vaccine Planning tab at the following link: <https://www.oregon.gov/oha/covid19/Pages/Healthcare-Partners.aspx>

For questions contact Diana Dickey, MCHHS Testing and Vaccine Supervisor, [503-551-3752](tel:503-551-3752)
