LEVELS OF COVERAGE

Marion County employees can select from 4 levels of coverage for their health, dental, and vision coverage. We offer coverage for Employee Only; Employee and Spouse; Employee and Child(ren); or Employee and Family, which includes coverage for a Domestic Partner and their Children.

TAXATION OF BENEFITS

Medica and dental premium deductions, as well as FSA and HSA contributions, will come out of your paycheck before taxes (pre-tax). Voluntary Term Life insurance and Short Term Disability coverage deductions are after-tax deductions.

Who is Eligible?

WHO IS ELIGIBLE?

All active regular Marion County group employees working a minimum of 20 hours per week. For new hires, employees become eligible for benefits beginning the first of the month following or coinciding with 30 days of employment.

Eligible dependents may also participate. These include:

- Your spouse
- Children under 26, including:
    - Natural child
    - Stepchild
    - Adopted child
    - Any other child for whom you are the legal guardian or are required to provide support because of a qualified medical child support order
- A child over age 26 who is incapable of self support because of a physical or mental disability.

Marion County employees pay one rate for themselves and all enrolled family members.

MAKING CHOICES

The annual enrollment period is the one time of year you can change benefit plans or add/drop dependents outside of a qualified family status change as defined by the IRS. Such changes include:

- Marriage, divorce of legal separation
- Domestic Partnership status change
- Birth or adoption of a child
- Change in child's dependent status
- Death of a spouse, child or other qualified dependent
- Change in employment status or change in coverage under another employer-sponsored health plan

Please note: *If you experience a qualified family status change during the plan year, please notify the Benefits team within 30 days of the event.*

Medical Insurance

For eligible members, Marion County offers three medical plans – two plans insured by PacificSource Health Plan and a third plan insured by Kaiser. Details about each plan are provided on the following pages but each plan provides comprehensive coverage and includes:

- Preventive care
- Pharmacy
- Telehealth
- Alternative care
- 24/7 care
- Online resources

PacificSource Plans

Both PacificSource Plans are PPO plans. This means you can see any licensed doctor. However, you will receive a richer level of benefits if you use a doctor or facility in their network. To see if your doctor is in the network, visit www.pacificsource.com. Search for doctors by name, clinic name, specialty, language, gender, hours of business and more.

With the **PPO Navigator 300** plan, you pay less in deductible and copays but you pay more each pay period. This plan may be a good choice if you want predictable costs. For example, a doctor's visit will cost $15, additional services may require a copay.

The **Navigator HSA 1650** plan is a qualified High Deductible Health Plan (HDHP) What does this mean? With the HDHP, you'll pay more out-of-pocket if you have medical expenses (until you've met the deductible), but you can use your Health Savings Account (HSA) to cover those costs. And you'll save each month by paying less for your premium. Preventive care is covered in full when received in-network whether or not you have met the deductible.

Learn more about HSAs on page 10.

Kaiser HMO Plan

If you choose the Kaiser HMO plan, all care must be received from a Kaiser physician in a Kaiser facility. Additionally, you must choose a Primary Care Physician (PCP) who will coordinate your care, meaning that you will need to start with your PCP before seeing a specialist, receiving prescriptions, having a surgery, etc. There are a few exceptions when you can self-refer, including alternative care benefits like chiropractic and acupuncture and OBGYNs. All members can go directly to the nearest emergency room, even if it's not a Kaiser facility, if experiencing a physical or mental emergency.

Visit www.kp.org to learn more.

Opting Out of Coverage

Do you have other health care coverage? You can choose to opt out of coverage. Proof of other coverage is required. Please contact Employee Benefits for more information.

Be in the Know Before You Go

Insurance can be confusing. It has its own vocabulary. Understanding the terms below will help you make a better choice for yourself and your family.

Copay A set dollar amount that you pay when you receive services. For example, with the Kaiser HMO plan, you pay $15 when you visit your doctor.

Deductible This is a set amount of amount of money that you must pay before the insurance company will pay a claim. Deductibles apply to more expensive services, like hospitalization. Deductibles do not apply to preventitive care. See your plan summary for more detailed information.

Coinsurance After you have paid the deductible, you and the insurance company split the cost of care. For example, you pay 20% of the billed cost with the HDHP.

Out of Pocket Maximum (OOP) This is the most you will pay for covered services in a calendar year. If you reach the OOP, the insurance company will pay 100% of eligible expenses for the rest of the calendar year.

Telemedicine – Medical Care at Your Fingertips

All Marion County health plans offer enhanced telemedicine experiences to employees who enroll in a medical plan. This gives you and your covered family members 24/7 access to high quality medical care. On the PacificSource PPO and on Kaiser HMO plans, telehealth visits are FREE.

PACIFICSOURCE - TELADOC

Teladoc is an affordable alternative included with most PacificSource plans. It gives you access to a doctor right where you are, using a mobile app on your phone or your computer. You can get a consult anytime, seven days a week.

For adults 18 and over, behavioral health therapists are also available to help with stress and anxiety, relationship and family problems, depression, work pressures, grieving, and trauma resolution.

HOW DOES IT WORK?

1. Set up an account
2. Fill out your medical history
3. Request a visit
4. Speak directly with a doctor

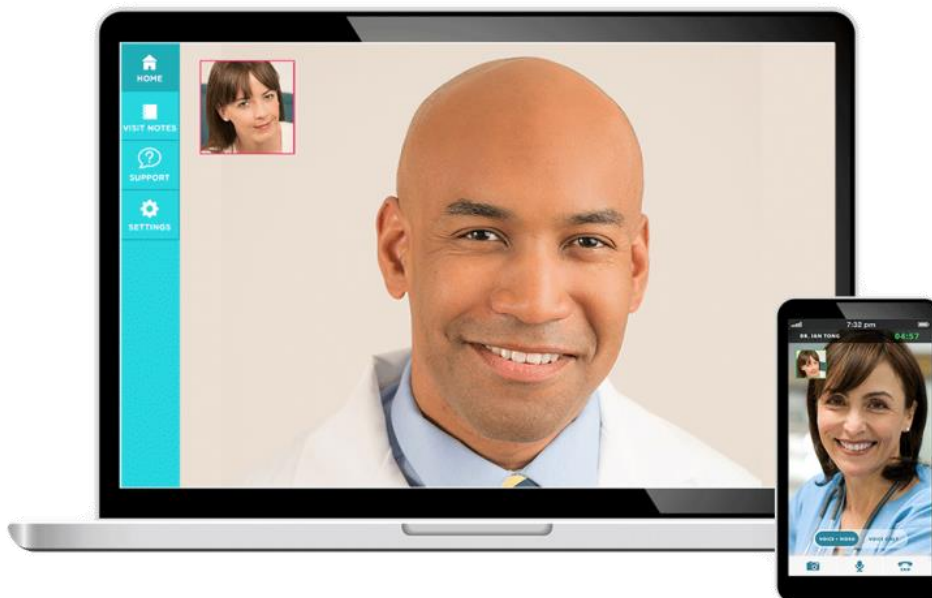
Teladoc physicians can write prescriptions and call them into your local pharmacy.

KAISER

You can receive access to care that it's your life. Talk to a health care professional from anywhere – by phone, email or video.

HOW DOES IT WORK?

Download the Kaiser mobile app or sign into www.kp.org to get started.



Health Savings Account (HSA)

WHAT IS A HEALTH SAVINGS ACCOUNT?

A Health Savings Account (HSA) is an account that is funded with pre-tax dollars by you and Marion County on a prorated basis. These funds can be used to help pay for eligible health care expenses not covered by your insurance plan including deductibles and coinsurance. **You must enroll in the PacificSource Navigator 1650 plan to participate.**

	2025 IRS Annual HSA Limits
Employee	$4,300
Employee+ Spouse	$8,550
Employee+ Child(ren)	$8,550
Family	$8,550

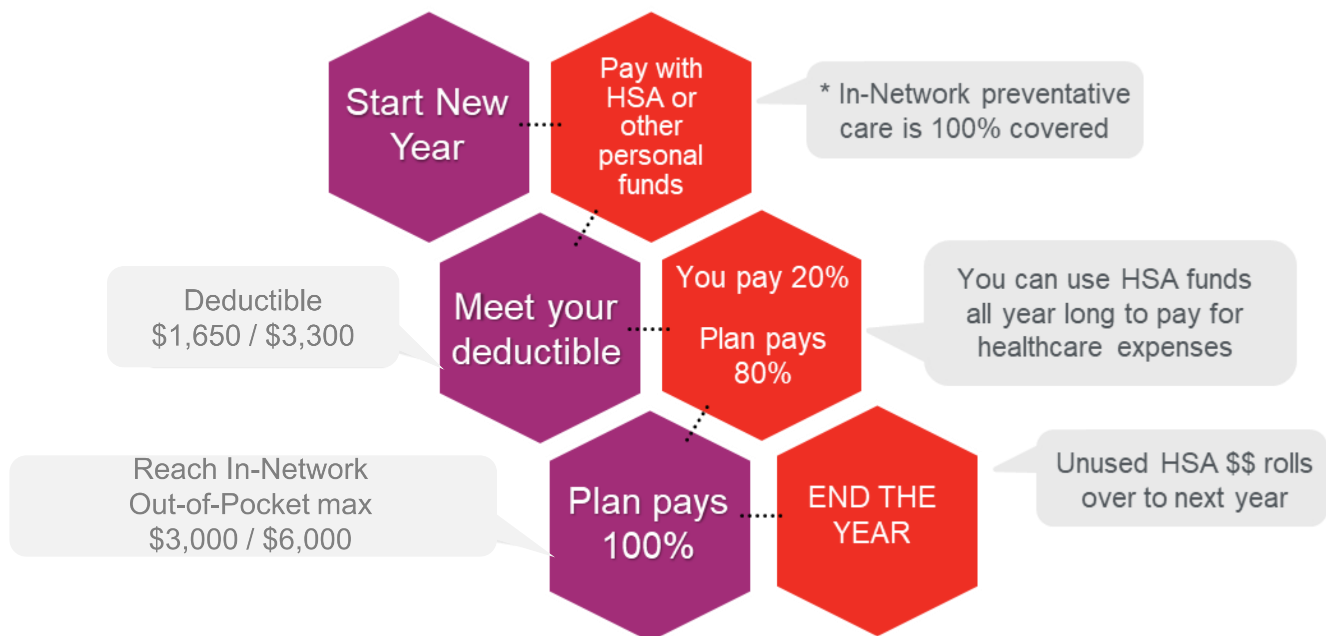
If you are age 55 or older you can make an additional annual contribution of $1,000.

WHO IS ELIGIBLE FOR AN HSA?

Anyone who is:

- Covered by a High Deductible Health Plan
- Employees whose spouse is not currently participating in a medical flexible spending account
- Employees not covered under another medical health plan that is not a High Deductible Health Plan (including a spouse's Health Care Flexible Spending Account)
- Not enrolled in Medicare or Medicaid benefits
- Not eligible to be claimed on another person's tax return - this includes Domestic Partners and their children
- Not eligible for Tricare or have received benefits from the Veterans Administration in the past three months

WHEN TO USE AN HSA ACCOUNT?



Dental Insurance

At Marion County, we're proud to offer both Delta Dental PPO and Kaiser HMO dental plans so you can pick the plan that works best for you.

Each plan has different advantages.

- With the Delta plan, you may see any licensed provider. Delta Dental has the largest dental network in the country. When you use an in-network provider, you will pay less and your $2,000 annual maximum benefit will go further.

  Additionally, Preventive Services, like annual cleanings, do not count against the annual maximum benefit that Delta will pay.

- With the Kaiser plan, you must use a Kaiser dentist at a Kaiser facility. This can offer convenience by having all care, medical, dental and vision, in the same location. The most that Kaiser will pay toward dental services in a calendar year is $2,000. Preventive services will count toward the annual maximum.

Both plans cover preventive services in full and offer orthodontia benefits for children and adults.

NEED HELP?

Delta Dental and Kaiser's Member Services team can help.

Delta Dental: 888-217-2363

Kaiser: 800-813-2000

Vision Insurance

Your vision benefit is included in the medical plan that you choose. Visit www.pacificsource.com or www.kaiserpermanente.org to find in-network providers.

Note: if you enroll in PacificSource and use Costco, the eye exam will be covered at the in-network level if the optometrist is in PacificSource's network. Materials, like frames and lenses, are covered at the out-of-network level.

Flexible Spending Account (FSA)

WHAT IS A FLEXIBLE SPENDING ACCOUNT?

A Flexible Spending Account (FSA), also known as a reimbursement account, allows you to pay for a variety of out-of-pocket health care and dependent care expenses with pre-tax dollars. The accounts are administered by Consolidated Admin Services (CAS). You will be able to charge all your qualified expenses on one debit card in addition to submitting claims for reimbursement. Marion County's Health Care and Dependent Care Reimbursement Accounts allow you to use tax-free dollars to reimburse yourself for a wide variety of health and dependent care expenses that aren't covered through your other benefit plans.

HEALTH CARE FSA

Health care expenses for yourself and your dependents—such as deductibles, coinsurance, and copays—are eligible for reimbursement from your Health Care account. The annual election maximum amount is currently $3,300 for the plan year.

DEPENDENT CARE FSA

Expenses for dependent care services for children under age 13, a disabled spouse, or incapacitated parent are eligible for reimbursement from your Dependent Care account if you incur them while you and your spouse work or attend school full-time. The annual election maximum amount is $5,000 per household ($2,500 if married but filing separately) per year.

RULES AND REGULATIONS – PLAN CAREFULLY

Plan your annual Flexible Spending Account (FSA) contribution amounts carefully; the election you make when you enroll is binding for the entire plan year (January 1 to December 31) unless you have a qualifying status change. Additionally, the IRS imposes some rules and restrictions on the way you can use FSAs:

- If you incur fewer health care expenses than you expected, you will be able to roll-over a maximum of $660 into the next plan year. You will only be able to roll-over funds into the next plan year if you are actively contributing in the new year. Any remaining money will be forfeited if not used by the end of the plan year.
- If you incur fewer expenses than you expected in your Dependent Care FSA, you forfeit any money remaining in your Dependent Care FSA at the end of the year.

Family & Medical Leave

The Family and Medical Leave Act (FMLA) and the Oregon Family Leave Act (OFLA) entitle eligible employees of covered employers to take unpaid, job-protected leave for specified family and medical reasons and allows for continuation of health benefits during the leave. Federal and state laws determine eligibility, if your absence qualifies as FMLA or OFLA, and how much leave time you may take.

FMLA and OFLA are protected leave programs, they are not paid leave programs. Any absences under these programs are covered via an employee's leave accruals (sick, vacation, etc.) to the extent available; unless otherwise outlined in Marion County Personnel Rules or a Collective Bargaining Agreement.

FMLA ELIGIBILITY

- You must have been employed by Marion County for a total of at least 12 months (if months are not consecutive, there can be no more than a seven-year break in service), and
- You must have worked for at least 1,250 hours in the 12-month period immediately preceding the leave.

OFLA ELIGIBILITY

- You must have been employed by Marion County for a period of 180 consecutive calendar days immediately preceding the date leave begins, and
- You must have worked an average of 25-hours per week in the above-mentioned timeframe, unless the leave is for Parental Leave in which case there is no hours worked requirement.
- OFLA Military Family Leave: You must have worked an average of 20 hours per week, however there is no 180-day employment requirement.

Qualifying Purposes for FMLA

- Employee’s own serious health condition.
- Birth of a child, and to care for a newborn child.
- Placement with employee of a child for adoption or foster care.
- Care for a qualified family member with a serious health condition.
- Qualifying Military Exigency Leave arising out of the fact that the employee’s spouse, parent or child is on active military duty in the National Guard or Reserve in a “contingency” military operation.
- Service Member Care Leave (SMCL) for a covered service member with a serious injury or illness, if the employee is the spouse, parent or child, or the next of kin of the service member.

Qualifying Purposes for OFLA

- Pregnancy disability for the employee’s own pregnancy related incapacity before or after the birth of the child or for prenatal care
- Sick child leave to care for a child who has an injury, illness, or condition that requires home care. Covers serious and non-serious conditions.
- Bereavement leave: Up to two weeks per eligible family member, in a one-ear time period taken within 60 days of notification of the death to attend the funeral or make arrangements necessitated by the death or to grieve. A limit of 4-weeks per year may be used for bereavement leave.
- Oregon Military Family Leave

Family & Medical Leave

SICK CHILD LEAVE (OFLA ONLY)

It's a fact – kids get sick. It's understandable that as parents, you'll sometimes need to stay home and take care of them. You can take leave to care for your child, under the age of 18, with an illness or injury that requires home care. This covers serious and non-serious conditions. You may be required to provide a doctor's note after the fourth time you use this leave. Sick child leave is not for routine medical or dental appointments.

SERIOUS HEALTH CONDITION LEAVE

If you, or a qualified family member you need to care for, have a health condition which requires you to miss work on an intermittent or continuous basis, you may qualify for this type of leave. You will need to go through the Certification of Serious Health Condition process to see if the reason for leave is a qualified reason under FMLA and/or OFLA.

MILITARY FAMILY LEAVE

Military service members, veterans, and their families have protected leave rights. These include:

- caregiver leave for a military service member dealing with a serious illness or injury incurred or aggravated in the line of covered active duty.
- exigency leave to help with needs resulting from a family member's active-duty military service, such as making financial, legal or child or elder care arrangements.

WHAT IS EXIGENCY LEAVE?

This is 12 work weeks of unpaid, job-protected leave in a 12-month period to make arrangements when a family member is deployed.

BEREAVEMENT LEAVE (OFLA ONLY)

An eligible employee may take OFLA bereavement leave to attend the funeral or alternative to a funeral of a family member, make arrangements necessitated by the death of a family member, or grieve the death of a family member. OFLA limits bereavement leave to up to two-weeks per family member, with no more than four-weeks per leave year.

Note: If you do not meet eligibility requirements for OFLA, Marion County Personnel Rules authorize an employee to take a maximum of five (5) days, chargeable to any accumulated leave.

HOW MUCH LEAVE CAN I TAKE?

With some exceptions, employees are entitled to 12 weeks within a one-year period. Exceptions may apply for military or pregnancy-related leaves, or if an employee also takes leave under Paid Leave Oregon. For information as it pertains to your scenario please contact the HR Leave Administrator.

PAID LEAVE OREGON

This is a state-administered paid leave program, which also offers job protection benefits after 90-days of employment. Paid Leave Oregon provides up to 12-weeks of paid leave for reasons such as family leave, medical leave, and safe leave (sexual assault, domestic violence, stalking, harassment). All employees regardless of full-time, part-time or temp/on-call status may be eligible for PLO. Employees must provide at least 30-days advanced notice for foreseeable leave and notify their employer within 24-hours of unforeseen leave. Leave approved by PLO will run concurrently with FMLA when the employee, and reason for leave, is eligible.

Retirement Plans

Life happens fast. Are you ready for retirement? Whether your dreams are modest or grand, the freedom to pursue them requires financial security.

A successful retirement means different things to different people. Some people are ready to travel and pursue hobbies and recreation, others want to get involved in their communities or spend more time with people they love.

Social Security benefits are an important source of retirement income but they are usually not enough to comfortably live on during retirement. As an eligible Marion County employee, you are able to participate in the Oregon Public Employees Retirement System (PERS). PERS provides steady retirement income and a solid foundation for a secure retirement. Marion County also offers optional deferred compensation plans that we'll review in the following pages. These plans let you save and invest pretax or post tax (Roth) earnings that can go a long way in helping you meet your retirement goals.

No matter your goals, getting started early will pay later. Saving money can be a challenge in your 20s and 30s when you're focused on establishing your career and family. You can start small. Savings add up and investing them in a deferred compensation plan pretax can make an easy but significant contribution to your future retirement security and independence.

One easy way to save without feeling a pinch is to invest some or all of your annual wage increase.

PERS Retirement Benefits

PERS provides steady retirement income that you can't outlive so you can focus on the people and activities you love.

WHO'S ELIGIBLE?

You don't have to apply to participate in the PERS retirement program. Eligibility and contributions are tracked and administered automatically by the payroll department. You are eligible for PERS benefits if you have worked for 6 full months and if you work 600 or more total service hours in a calendar year.

PERS benefits are broken into three tiers. The tiers are based on your date of hire. They also reflect any changes in law about the benefit levels and requirements.

What tier are you in?

- **PERS Tier 1:** If you were hired before Dec. 31, 1995, you are a PERS Tier 1 member.
- **PERS Tier 2:** If you were hired after Jan. 1, 1996 but before Aug. 29, 2003, you are a PERS Tier 2 member.
- **PERS Tier 3:** If you were hired on or after August 29, 2003, you are a part of the Oregon Public Service Retirement Plan (OPSRP).

HOW DO THE BENEFITS WORK?

The PERS pension is an employer-funded retirement benefit. Marion County makes contributions. The funds are invested, and the earnings on the investments generate income for you when you retire. When you retire, the pension pays you a specified amount of money for the rest of your life. The amount you are paid is defined by a formula based on your number of years of service in the pension system, and wage or salary level.

PERS Benefit Comparison Chart

	Tier One	Tier Two	OPSRP Pension	IAP
Normal retirement age	58 (or 30 years) P&F = age 55 or 50 w/25 years	60 (or 30 years) P&F = age 55 or 50 w/25 years	65 (58 w/30 years) P&F = age 60 or 53 w/25 years	Members retire from IAP when they retire from Tier One, Tier Two, and OPSRP
Early retirement	55 (50 for P&F)	55 (50 for P&F)	55, if vested (50 w/ 5 years of continuous service in a P&F position immediately preceding effective retirement date)	Members retire from IAP when they retire from Tier One, Tier Two, and OPSRP
Regular account earnings	Guaranteed assumed rate annually	No guarantee; market returns	N/A; no member account	No guarantee; market returns
Vesting	Active member in each of 5 calendar years	Active member in each of 5 calendar years	5 calendar years w/ at least 600 hours qualifying service or normal retirement age	Immediate

PERS Retirement Benefits

There are two parts to the PERS Retirement Benefit.

PART 1: PENSION*

This part is funded by Marion County. Retirement benefits are based on your years of service and your salary. This is a lifetime benefit and you are vested after 5 years.

PART 2: INDIVIDUAL ACCOUNT PROGRAM (IAP)

This part is funded by Marion County on your behalf. The benefits are based on contributions and account earnings. These benefits will last as long as the money lasts. You are vested after the first contribution.

THE FIRST STEP IS GETTING VESTED

Vesting is the transfer of pension rights to your personal ownership including your share of the pension fund's earnings.
To vest in your pension, you must do one of two things:
Work for five years in a PERS-qualifying position for at least 600 hours per year. The years do not need to be consecutive, but you cannot have a gap in qualifying employment of more than five years.
Work in a qualifying position on or after reaching normal retirement age.

Being vested means that you cannot lose your right to your pension benefit unless you withdraw from the overall program.

SOCIAL SECURITY

Your Social Security benefits are determined by a complex formula based on the 35 years of highest earnings over your lifetime, when the earnings occurred, your birth date, and your age at the time payments begin.

Starting benefits before your full retirement age (65 to 67, depending on your year of birth) will reduce the amount of each Social Security payment, although you will get more of them. Waiting until after your full retirement age, up to age 70, will increase your benefit amount. If married, you should also coordinate benefits with your spouse.

To estimate your retirement benefits, visit the Social Security Administration's website at **ssa.gov/myaccount**. Not all public employees quality for Social Security retirement benefits. If you received earnings not covered by Social Security, your estimated benefit may be lower, visit **ssa.gov/benefits**.

HOW MUCH WILL I HAVE IN RETIREMENT?

The PERS plan bases the benefit on your final average salary. In general, this salary figure is calculated as either the average of your highest salaries from three consecutive years or one third of your total salary in the last 36 months of employment.

The PERS formula varies slightly depending on your service type. Most Marion County employees are in general service.

General service formula: 1.5% × years of total retirement credit × final average salary

Example:
Final average salary: $45,000
Retirement credit: 30 years Convert 1.5% for ease of multiplication: 1.5% ÷ 100% = 0.015
0.015 × 30 × $45,000 = $20,250 per year
$20,250 ÷ 12 months = $1,687.50 per month in pension income

This example is based on a Single Life Option. Learn about the various retirement options you will have, including beneficiary options, in the OPSRP Pre-Retirement Guide.

PERS Retirement Benefits

YOUR INDIVIDUAL ACCOUNT

The pension is supplemented with an Individual Account Program (IAP) defined contribution plan. The account is invested and grows over time based on investment returns, and you end up with a pot of money that is yours at retirement.

HOW DOES THE INDIVIDUAL ACCOUNT WORK?

Contributions to your IAP account begin as soon as you officially become a PERS member which is usually after six months of employment. You are vested in your IAP account from its inception.

Your IAP is built with contributions that amount to 6% of your salary. Marion County makes this contribution on your behalf. Part of this contribution is used to help fund the pension plan (2.5% for Tier 1 and 2 and .75% for OPSRP members).

Your IAP account contributions are invested in a Target-Date Fund (TDF) based on your age. This is intended to reduce investment risk and volatility. You have the option to change the fund your account is invested in to better match your risk tolerance and savings goals. You can change your target date fund once per year and during the annual Member Choice window, September 1-30 and becomes effective January 1 of the following year.
At retirement, you can take your IAP account funds in a lump sum, roll over, or in a series of installments. You can use the IAP Disbursement Forecaster to estimate your IAP distribution at retirement.

NEED MORE HELP UNDERSTANDING YOUR PERS RETIREMENT BENEFITS?

Sign up for PERS education sessions, which offer you a chance to learn more about OPSRP and ask PERS educators general questions.

Contact Member Services representatives, who can answer specific questions relating to your OPSRP membership.

Sign up for PERS Tier 1 and 2 or OPSRP non-retired member news in GovDelivery to receive email or text alerts.

Social Security

Your Social Security benefits are determined by a complex formula based on the 35 years of highest earnings over your lifetime, when the earnings occurred, your birth date, and your age at the time payments begin.

Starting benefits before your full retirement age (65 to 67, depending on your year of birth) will reduce the amount of each Social Security payment, although you will get more of them. Waiting until after your full retirement age, up to age 70, will increase your benefit amount. If married, you should also coordinate benefits with your spouse.

To estimate your retirement benefits, visit the Social Security Administration's website at **ssa.gov/myaccount**. Not all public employees qualify for Social Security retirement benefits. If you received earnings not covered by Social Security, your estimated benefit may be lower, visit **ssa.gov/benefits**.

Medicare

Medicare is the federal insurance health program for people age 65 and older. There are important initial and ongoing decisions to make about benefits. Be sure to consider the costs and options as you think through your retirement plan. Health care is one of the biggest expenses in retirement.

Don't forget to fill out your PERS beneficiary form.

Additional Retirement Benefits

VOLUNTARY DEFERRED COMPENSATION PLANS

Deferred compensation plans are created to supplement your retirement income. While your pension and Social Security will provide a strong foundation, they are not likely to be enough to ensure a secure financial future. Deferred compensation retirement investments through a 401(K) or 457 plan can make up the difference.

Unlike Social Security and PERS, deferred compensation plans are tax-advantaged retirement accounts that you control directly. You choose whether or not to participate. You are in charge of how much you contribute and you decide how you invest your savings based on your goals and risk tolerance. They also have the advantage of being moveable. If you leave Marion County you can roll your savings into an IRA or other retirement account.
With pretax contributions, money that would otherwise be taxed immediately is invested and all taxes, including on earnings, are deferred until the money is withdrawn.

Marion County offers two deferred compensation retirements savings plan – a 401(K) and a 457. You can contribute into one or both plans. Both plans are administered through Voya Financial.

VOYA FINANCIAL 401(K) PLAN

To be eligible for Marion County's 401(K) plan you must meet certain eligibility requirements. Employee Benefits will contact you once you are eligible. The 401(K) plan is offers a traditional pretax contribution election as well as a Roth after-tax contribution election.

VOYA FINANCIAL 457 PLAN

Marion County's 457 plan offers:

- A traditional pretax contribution election
- A Roth 457 plan after-tax election option.

For the current calendar year employees under age 50 may defer up to $23,500 into their 401(K) and/or 457 plans; employees age 50 and older may defer an additional $7,500 per calendar year. Employees close to retirement may also be permitted to make special catch-up contributions, see your plan for details. You decide how to invest your contributions based on your goals and risk tolerance and determine which Voya Financial funds you want to invest in.

You may enroll or change your 401(K) and 457 plan elections at any time by enrolling online. After you're enrolled, Voya Financial can help you create your goals and enroll in Marion County's plan so you can start saving for your future today! **VoyaRetirementPlans.com**

Important Notice from MARION COUNTY
About Your Creditable Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with MARION COUNTY and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. **Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.**

2. **MARION COUNTY has determined that the prescription drug coverage offered by the Kaiser plans & the following PacificSource plans: Navigator 100, Navigator 300 and Navigator HSA is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.**

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current MARION COUNTY coverage will not be affected

If you do decide to join a Medicare drug plan and drop your current MARION COUNTY coverage, be aware that you and your dependents will be able to get this coverage back.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with MARION COUNTY and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage…

Contact the person listed below for further information. **NOTE:** You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through MARION COUNTY changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage…

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

Important Notice From MARION COUNTY About Your Non-Creditable Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with MARION COUNTY and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are three important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. **Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.**

2. **MARION COUNTY has determined that the prescription drug coverage offered by the PacificSource Navigator 7000 is, on average for all plan participants, NOT expected to pay out as much as standard Medicare prescription drug coverage pays. Therefore, your coverage is considered Non-Creditable Coverage. This is important because, most likely, you will get more help with your drug costs if you join a Medicare drug plan, than if you only have prescription drug coverage from the [Insert Name of Plan]. This also is important because it may mean that you may pay a higher premium (a penalty) if you do not join a Medicare drug plan when you first become eligible.**

3. **You can keep your current coverage from PacificSource Navigator 7000. However, because your coverage is non-creditable, you have decisions to make about Medicare prescription drug coverage that may affect how much you pay for that coverage, depending on if and when you join a drug plan. When you make your decision, you should compare your current coverage, including what drugs are covered, with the coverage and cost of the plans offering Medicare prescription drug coverage in your area. Read this notice carefully - it explains your options.**

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15TH to December 7th.

However, if you decide to drop your current coverage with MARION COUNTY, since it is employer/union sponsored group coverage, you will be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan; however you also may pay a higher premium (a penalty) because you did not have creditable coverage under [Insert Name of Plan.**]**

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

Since the coverage under **PacificSource Navigator 7000** is not creditable, depending on how long you go without creditable prescription drug coverage you may pay a penalty to join a Medicare drug plan. Starting with the end of the last month that you were first eligible to join a Medicare drug plan but didn't join, if you go 63 continuous days or longer without prescription drug coverage that's creditable, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current MARION COUNTY coverage will not] be affected. You can keep this coverage and it will coordinate with Part D coverage.

If you do decide to join a Medicare drug plan and drop your current MARION COUNTY coverage, be aware that you and your dependents will be able to get this coverage back.

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit **www.healthcare.gov**.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or **www.insurekidsnow.gov** to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at **www.askebsa.dol.gov** or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2024. Contact your State for more information on eligibility –
