—Mark-Hutt B., Kaiser Permanente Member

Timely, convenient in-person and virtual care

Get the care you need, when you need it. The Kaiser Permanente app makes it easier to manage your care online or connect with your care team on demand. And with our national network of locations, specialists, and services, you can get timely lab results and primary care appointments close to home.

24/7 virtual care

Visit **kp.org** or use our app to talk to a clinician 24/7 by phone or video.¹ You can also email your care team, view most lab results, and more.

Mail-order pharmacy

Refill prescriptions online, in person, or over the phone – with same-day pickup and same-day or next-day home delivery for most prescriptions.²

These services are not covered under your health plan benefits and may be limited to specific prescription drugs, pharmacies, and areas. Order cutoff times and delivery days may vary by pharmacy location. Kaiser Permanente is not responsible for delivery delays by mail carriers. Kaiser Permanente may discontinue same-day and next-day prescription delivery services at any time without notice and other restrictions may apply. **3.** This number can be dialed from both inside and outside the United States. Before the phone number, dial "001" for landlines and "+1" for mobile lines if you're outside the country. Long-distance charges may apply, and we can't accept collect calls. The phone line is closed on major holidays (New Year's Day, Easter, Memorial Day, July Fourth, Labor Day, Thanksgiving, and Christmas). It closes early the day before a holiday at 10 p.m. Pacific time (PT), and it reopens the day after a holiday at 4 a.m. (PT).

Support for your body and mind

Members can get help with depression, anxiety, addiction, and mental or emotional health – without a referral for mental health care within Kaiser Permanente. Explore individual and group therapy, health classes, self-care resources, and more.¹
