PREAMBLE

This agreement is entered into by Marion County, Oregon, hereinafter referred to as the “Employer,” and Marion County Employees Association (MCEA), hereinafter referred to as the “Union.” The Employer recognizes that the Union affiliated with the Oregon State Employees Association (OSEA) on April 29, 1977. The Employer also recognizes that OSEA has become the Service Employees International Union Local 503, Oregon Public Employees Union (SEIU Local 503, OPEU) and continues to recognize affiliation between MCEA and SEIU Local 503, OPEU, hereinafter referred to as SEIU, and that SEIU will represent MCEA in contract administration and negotiations during the period of affiliation. Should this affiliation between the association and SEIU cease at any time, this agreement shall continue to be operative between the Employer and the Union.

The purpose of the agreement is to set forth those agreed-to matters pertaining to rates of pay, hours of work, fringe benefits and other conditions of employment and establishment of an equitable and peaceful procedure for the resolution of disputes.

It is understood and agreed that there is a division of responsibility between the Marion County Board of Commissioners and the elected heads of departments covered by this agreement in the administration of employment conditions for Marion County, as provided by Oregon Revised Statutes, and that complying with the following articles, or portions thereof, is the responsibility of the board or other appropriate elected officials, in accordance with those statutes.

The parties agree as follows:

ARTICLE 1 – UNION RECOGNITION

The Employer recognizes the SEIU Local 503, OPEU/MCEA, Local 294 as the sole and exclusive bargaining representative for ALL regular and temporary employees in positions/jobs/classifications in the County’s work Units 6 and 8 except supervisory and confidential employees or employees represented by other labor organizations or employees considered prohibited from striking within the definition of ORS 243.736.

ARTICLE 2 – MANAGEMENT’S RIGHTS

Except as may be specifically modified by the terms of this agreement, the county retains all rights of management in the direction of its work force. It is recognized that the responsibilities and authority of management are exclusively functions to be exercised by the county.

These rights of management shall include, but not be limited to, the following:

- A. The determination of the governmental services to be rendered to the citizens of Marion County.
- B. The determination of the county's financial, budgetary, accounting, and organization policies and procedures.
- C. The right to establish and administer separate personnel and employment benefit rules and policies for non-bargaining unit personnel. The continuous overseeing of personnel policies, procedures and programs promulgated under any other term of this agreement.
- D. The management and direction of the work force including the right to determine the methods, processes and manner of performing work; the establishment of new positions and the determination of the duties and qualifications to be assigned or required; the right to hire, promote, demote, terminate, reassign, appoint and retain employees; the right to lay off for lack of work or funds; the right to abolish positions or reorganize the departments or division; the right to determine shifts, assignments and schedules of work; the right to purchase, dispose and assign equipment or supplies.

ARTICLE 3 – UNION SECURITY

Section 1. Requests for Union membership, Union deductions, and Union cancellations shall first come to the Union. The Union will submit electronically all verified Union membership authorizations, Union deductions, and Union cancellations to the county. The County will process all requests received from the Union within the next biweekly pay period. Any written requests for Union membership, Union deductions, and Union cancellations which the County receives directly shall be promptly forwarded to the Union for processing. Dues will continue to be deducted until the employee rescinds the request in writing pursuant to applicable law. The Union will maintain the verification records (written, electronic, or recorded authorizations) and will provide copies to the County upon request.

Section 2. The authorization for dues deduction is not terminated when an employee is placed on any type leave, disciplinary removal or lay-off status. The county shall deduct Union dues commencing with the first paycheck following the employee's return to paid status.

Section 3. The aggregate deductions of all employees together with an itemized statement, including employee wages, shall be remitted to the Union no later than the tenth (10th) of the month following the month for which the deductions were made. The itemized listing of Union employees shall reflect employee wages and the amount of dues deducted. On a bi-weekly basis the county shall provide to the Union a list of members who are on leave without pay, have terminated employment, are newly hired, have retired or have changed units.

Section 4. The county agrees to automatically adjust the dues deduction for employees whose salaries increase or decrease during the term of this agreement.

Section 5. On a monthly basis, the county shall furnish electronically to the Union an alphabetical listing, by department, of the names and personal addresses, personal phone numbers, work phone numbers, county email address, membership status, full-time equivalent (FTE), employee number, continuous service date, classification, and work location of the employees in the bargaining unit. The county is not responsible for the accuracy of the information. Once per month, the Local President may request and receive a hard copy of this list.

Section 6. The Union shall indemnify and save the Employer harmless against any and all claims, damages, suits, or other forms of liability, which may arise out of any actions taken or not taken by the Employer for the purpose of complying with the provisions of this article. Nothing in this section is intended to conflict with Oregon law. To the extent the indemnity provided for in this section conflicts with Oregon law, the provision of Oregon law shall prevail.

ARTICLE 4 – HOURS OF WORK

This article does not apply to temporary employees.

Section 1. Except where current practice is contrary, the regular hours of work each day shall be consecutive.

Section 2. Except as provided in Section 3 of this article, normally, a regular work schedule shall consist of five (5) consecutive working days, excluding continuous operations, and other departments and/or activities which may require an irregular workweek. During the term of this agreement, the county reserves the option of establishing a ten (10)-hour, four (4)-day workweek, which may be instituted in any particular work unit provided the employees affected are given ten (10) calendar days advance notice.

Section 3. Eight (8) hours of work shall constitute an employee's assigned shift and each shift shall have regular starting and quitting times excluding those employees on flexible or irregular

schedules. Ongoing changes in an employee's shift starting and quitting times shall require fifteen (15) calendar days advance notice, except in emergency work situations. Nothing in this section shall restrict an employee and the county from temporarily modifying the work schedule when necessary and/or the parties mutually agree to the change.

Section 4. For employees who work in departments which have continuous operations (seven (7) days/week), whenever the normal workweek is modified, the employee will be given fifteen (15) calendar days advance notice, except in emergency work situations. The notice shall contain the effective date of change, the duration and the reasons for the change.

Section 5. Alternative Regular Work Schedules. Employees of the county may work an alternative work schedule. An alternative work schedule is a work schedule which may vary the number of hours worked on a daily basis, but not necessarily each day, or a work schedule in which starting and stopping times may vary on a daily basis, but not necessarily each day, or any other schedule that does not exceed forty (40) hours in a workweek and is agreed upon in advance by the employees and the supervisor. All alternative work schedules must be approved in advance. An employee or group of employees of the county may request an alternative work schedule by submitting a request in writing to the immediate supervisor. This request shall outline the proposed schedule.

Requests will be responded to in writing with an approval or denial. No reasonable request shall be denied. No alternative schedule shall be arbitrarily rescinded. Special consideration may be given to an employee who demonstrates an unusual hardship. All requests for alternative schedules are subject to change based on the changing needs of the department and subsequent requests to work an alternative work schedule. Daily overtime and shift differential will be waived to accommodate these requests.

Section 6. Flexing Work Time. The county may allow employees to modify their normal work hours within the workweek on an intermittent, temporary basis with prior supervisory approval, compatible with the operating needs of the county. Daily overtime and shift differentials will be waived to accommodate these requests. For the purpose of this section, employee requests to modify their normal work hours within the work week will not be arbitrarily denied.

Prior approval means prior to the modification of an employee's schedule. In the event of an unforeseen circumstance resulting in an employee starting a shift later than scheduled, the employee must immediately contact their supervisor and may request to flex their normal work schedule. If the request is compatible with operational needs, the supervisor may approve such a request and still meet the prior approval definition. This does not preclude management from taking appropriate action up to and including disciplinary action for any policy violations related to the employee starting a shift later than scheduled.

Whenever a mandatory work obligation falls outside of an employee's normally scheduled workday, with prior supervisory approval, the employee may request to flex their normal work schedule within the same workweek in lieu of pay or compensatory time at the overtime rate, compatible with the operating needs of the county.

Section 7. Floater Position. A "floater position" is a budgeted position that has been formally designated by the Human Resources Department as a "floater." The position will be within a specific classification and is an employee that rotates between specific shifts, days of work or site locations within a department for purposes including but not limited to vacation coverage, leave of absences, training, projects, and meetings.

The County may change a floater's scheduled shift with fifteen (15) calendar days advanced notice to the employee. The County may also change a floater's workdays with at least forty-eight (48) hours advanced notice to the employee. The notice shall contain the effective date of change, the duration, and the reasons for the change. The advanced notice can be waived with mutual agreement by both parties.

A floater's schedule, workdays, and assignments are designed to be flexible in order to accommodate the day-to-day operations of the department. Nothing in this agreement shall restrict an employee and the county from temporarily modifying the scheduled shift and workdays in emergency situations, for operational necessity, or when both parties mutually agree to the change.

ARTICLE 5 – REST PERIODS AND LUNCH BREAKS

Section 1. A rest period of fifteen (15) minutes shall be permitted for all employees for each full half work shift. Such rest periods shall normally be on a scheduled basis so that activities of the department shall be staffed at all times. It is a joint responsibility of management and the employee to schedule rest periods. Employees who are having difficulty scheduling a rest period should meet with their supervisor to schedule an appropriate break time.

Section 2. All employees shall be granted an unpaid lunch period to be taken in the middle of each work shift. Unpaid lunch periods shall not be less than thirty (30) minutes nor more than one (1) hour in duration.

Section 3. An employee engaged in work requiring that they remain in their work area during the entire work shift shall be granted a lunch period with pay.

Section 4. Subject to the physical structure of the building and the operating needs of the county, and whenever possible, employees shall be provided with lunchroom facilities.

ARTICLE 6 – HOLIDAYS

Section 1. Holidays. The following days are legal holidays for regular employees in the county service:

New Year's Day
Martin Luther King's Birthday (3rd Monday in January)
Presidents' Day (3rd Monday in February)
Memorial Day
Juneteenth
Independence Day
Labor Day
Veterans' Day
Thanksgiving Day
Christmas Day

All legal holidays designated by the Board of Commissioners.

Holiday compensation shall equal the number of hours regularly scheduled for the day the holiday falls on ("day for a day").

Section 2. Personal Day. Regular employees whose budgeted full-time equivalent (FTE) is equal to or greater than 0.5 (50%) are entitled to two (2) personal days each calendar year. Such days are to be taken during the calendar year in which the days are earned and may not be carried forward into the following year. The personal days shall be scheduled in accordance with Article 7, Section 4, Scheduling Vacations.

Section 3. Weekend Holidays. For employees whose normal week is Monday through Friday, whenever a holiday falls on Saturday, the preceding Friday shall be considered to be the holiday. If it falls on Sunday, the following Monday shall be considered to be the holiday.

For those employees whose workweek is other than Monday through Friday, whenever a holiday falls on their first day off, the preceding day shall be considered to be the holiday. If it falls on their second day off, the next day (following day) shall be considered to be the holiday.

When a holiday falls on a Monday or Friday giving the majority of county employees a three (3)-day weekend, employees whose days off are other than Saturday or Sunday may, with supervisory approval, choose to take the day preceding or the day after their weekend off as a holiday in lieu of taking the actual holiday, thus giving them a three-day weekend.

Holidays that occur during paid leave of any type shall not be charged against such leave.

Section 4. Part-time Employees. Compensation for holidays will be provided to regular, part-time employees of the county whose budgeted full time equivalent (FTE) is equal to or greater than 0.5 (50%).

When a part-time employee is not required to work the holiday, compensation will be calculated as follows:

If the employee has a regularly set work schedule, the employee will be compensated for the hours they would be regularly scheduled to work on the observed holiday.

If the employee does not have a regularly set work schedule, holiday compensation will be calculated by dividing the number of hours worked the previous calendar month by the number of days worked the previous month.

Section 5. Holiday Pay. It is the Employer's intention to provide paid time off for holidays whenever possible, either on the actual holiday or another day that same week.

If an employee is required to perform work on holidays which fall within the employee's workweek, the employee shall be compensated in pay at the rate of time and one-half (1-1/2) for all hours worked on the holiday in addition to the normal rate of pay (holiday compensation) for the number of hours the employee would be compensated if the holiday was taken as time off.

For the purposes of this section, holiday compensation shall equal a normal scheduled workday. If an employee is required to work on a holiday and the shift begins on one day and ends the following day (i.e., graveyard shift), the employee receives holiday premium pay for the shift that begins on the county's holiday or the employee's designated holiday if the county's holiday falls on the employee's normal day off.

Employees who are required to work on a regularly scheduled holiday may, in lieu of holiday pay provided for in this section, choose to take another day off within the same week with department head approval and will receive the number of hours regularly scheduled for that day as holiday pay.

Section 6. Temporary Employees. Temporary employees will be paid time and one-half (1-1/2) for all hours worked on the holidays listed in Section 1 of this article. No other sections of this article apply to temporary employees.

ARTICLE 7 – VACATION LEAVE

This article does not apply to temporary employees.

Section 1. Vacation Accumulation. After having served in the county service for six (6) consecutive full calendar months, full-time employees shall have access to accrued vacation leave. Vacation leave shall be credited as follows:

<u>Work Hours Per Week</u>	<u>Days Per Year</u>	<u>Hours Per Pay Period</u>
Day one through 3 rd year of continuous service	13	4.000
After 3 rd year of continuous service through 5 th year	14	4.308
After 5 th year of continuous service through 10 th year	16	4.924
After 10 th year of continuous service through 15 th year	18	5.539
After 15 th year of continuous service through 20 th year	21	6.462
After 20 th year	24	7.385

Section 2. Continuous Service. Continuous service for the purpose of determining eligibility for accelerated vacation accumulation rates shall be service unbroken by an absence (leave without pay) in excess of ten (10) consecutive workdays. Time spent by an employee on military leave, on an authorized leave of absence with pay, or on a leave without pay resulting from a compensable on-the-job injury shall be included as continuous. Time spent on other types of authorized leave will not count as part of the continuous service except employees returning from such leave or employees who were laid off, shall be entitled to credit for service prior to the leave.

Section 3. Part-Time Employees. Vacation leave shall be earned by each regular, part-time employee whose budgeted FTE is equal to or greater than 0.5 (50%). Vacation leave shall accrue in an amount proportionate to that which would be accrued under regular, full-time employment (1.0 FTE).

Section 4. Scheduling Vacations. Subject to operational requirements of the county, an employee shall have their choice of vacation time. The Employer, however, shall not use this language unfairly or unreasonably to deny an employee’s request for vacation. Supervisors shall approve or deny requests as soon as practicable, but in no case longer than five (5) working days from receipt of the request when the request is made within thirty (30) working days from the beginning of the requested time off. Supervisors shall approve or deny requests that are made longer than thirty (30) working days in advance no longer than fifteen (15) calendar days from receipt of the request.

If two (2) or more employees request the same period of time and the matter cannot be resolved by agreement of the parties concerned, the employee having the greatest seniority

with the county shall be granted the vacation time; provided, however, that an employee shall not be given this seniority consideration more than once every two (2) years. Such schedules may be amended by the appointing authorities to meet work emergencies or to grant requests of individual employees. Employees may request multiple weeks of vacation in tandem during choice periods for vacations (June through September), but management, in its discretion, may limit the number of employees taking back-to-back weeks of vacation during the choice periods.

Section 5. Accumulation of Vacation Credits. Employees shall not accumulate vacation leave in excess of two hundred fifty (250) hours. Any employee who is about to lose vacation credit because of accrual limitations may, by notifying the employee's appointing authority five (5) working days in advance, absent themselves to prevent loss of this time, or at the Employer's option, receive payment for forty (40) hours of vacation. Such action taken by the employee shall not constitute a basis for disciplinary action or loss of pay. Vacation leave shall not accrue during a leave of absence without pay, or educational leave with pay the duration of which exceeds fifteen (15) calendar days. Any employee, who is granted a leave of absence without pay, shall first be scheduled for any vacation leave and/or compensatory time, which have accrued to their credit before the employee commences leave without pay. Each employee's accumulated vacation shall be reported to them bi-weekly.

If an employee has accumulated at least three (3) weeks of vacation leave, the employee may choose to cash out one (1) week of vacation. This option is limited to one (1) occurrence per fiscal year.

Employees who are on extended workers' compensation paid time loss shall not suffer a loss of vacation credits as a result of this limit. The employee on workers' compensation will accumulate vacation over the maximum limit of two hundred fifty (250) hours for a period not to exceed six (6) months. Amounts accrued in this manner which are above the limit shall be used within six (6) months of return to work.

Should the employee terminate, under any circumstances, the employee shall be paid for unused vacation equal to the vacation time accumulated, but in no instance will the benefits exceed two hundred fifty (250) hours.

Section 6. Transfer Credits and Vacation Pay Upon Separation.

- A. When an employee is appointed to another department of the county, the employee shall retain accumulated vacation credits.
- B. An employee who terminates during the initial six (6) months of their employment shall not be entitled to cash compensation in lieu of vacation leave. If the employee

has served six (6) full calendar months and is separated from county service, the employee shall be entitled to cash compensation at the hourly rate the employee was receiving at the time of separation. In case of death, compensation for accrued vacation leave shall be paid in the same manner that wages due to the decedent are paid.

Section 7. Compensation Credits. Employees hired before July 1, 2008, shall receive two (2) normal workweeks of vacation, to be taken as leave with pay or, at the employee's option, the employee shall receive compensation for two (2) normal workweeks, accrued at the employee's regular hourly rate of pay. The employee must exercise this option with each fiscal year (computations will be based on the employee's hourly rate at the time of the request). The benefit cannot be carried forward into the next fiscal year. An employee will not be eligible for this benefit if the employee has not completed their trial service period prior to the end of the fiscal year.

If an eligible employee elects to receive the credits as pay, it must be paid in increments equal to one (1) workweek. No partial pay (less than one (1) workweek) is allowed.

An eligible employee may schedule the vacation portion of the benefit one (1) day at a time or as regularly scheduled hours for that day, subject to the approval of the department head.

If an employee has compensation credits remaining in June (at the end of the fiscal year), the employee may request payment for the balance. The employee must include the remaining compensation credit hours on a timecard during a pay period that will result in a paycheck dated no later than the end of the fiscal year in which the compensation credit was accrued.

This benefit is to be used by the employee based on their employment status at the time the request is made. Payments or time off will be prorated based on the employee's work status. Employees completing trial service prior to the end of the fiscal year will have their benefit prorated for that period between the employee's continuous service date and June 30th.

Section 8. Sunset of Compensation Credits. Employees hired on or after July 1, 2008, will not receive compensation credits. In lieu of receiving compensation credits, new employees will receive a higher rate of pay generated by rolling the value of the compensation credits (three point eight four percent (3.84%)) into the base rate of pay.

Section 9. Opting-Out of Compensation Credits. Employees hired before July 1, 2008, may make a one-time, permanent election to opt-out of compensation credits provided in Section 7 of this article, in return for the higher salary provided in Section 8 of this article. Once enrolled in this program, an employee may not return to receiving compensation credits and pay at the

lower salary schedule.

ARTICLE 8 – SICK LEAVE

Sections 2 through 11 of this article do not apply to temporary employees.

Section 1. The county will follow any and all Oregon State sick time laws and regulations. The benefits provided in this article shall run concurrently with the county’s statutory and regulatory obligations.

Section 2. Accumulation. Sick leave shall be earned by each employee in a regular, full-time position at the rate of three point six nine three (3.693) hours per pay period for those working forty (40) hours per week and may be accumulated without limit. Sick leave shall be earned by each employee in a regular, part-time position whose budgeted full-time equivalent (FTE) is equal to or greater than 0.5 (50%). Such sick leave accrual will be proportional based on the employee’s FTE and may be accumulated without limit. Sick leave shall not accrue if the employee is in leave without pay status the entire pay period. When an employee is appointed to another department of the county, the employee shall retain accumulated sick leave. Sick leave usage shall be on an hourly basis and correspond to the number of hours the employee is scheduled to work.

Section 3. Utilization. Employees may utilize their earned sick leave accruals when unable to perform their work duties by reason of illness, injury or pregnancy; necessity for medical or dental care; exposure to a contagious disease, in which the health of the employee would endanger those they associate with, or the public, if such contact is necessary in carrying out the employee’s duties; or by illness in their immediate families. Absence to attend to an ill family member, as defined in Section 12 of this article, shall be limited to the time the employee’s presence is required unless the absence is covered under protected leave.

Section 4. Sick Leave Investigation.

- A. Sick leave time exceeding one (1) regular workweek may require evidence that the employee was under a doctor’s care. An appointing authority may require certification of the attending physician or practitioner to substantiate that an illness or injury prevents the employee from working.

- B. If the employee is using sick leave in a manner that appears to the manager to be for a reason other than the employee’s own illness, the illness of an immediate family member, injury, pregnancy or the necessity for medical or dental care, the manager

may initiate an investigation by contacting human resources to discuss the details of the allegations.

If human resources concurs with the manager's assessment, human resources will begin an investigation using county resources and staff. Except for the collection of payroll data as part of the assessment process, staff working in the employee's usual worksite will not be required to assist in the investigation. As part of the investigation, the employee will be contacted and asked to provide information to address the Employer's concerns.

Upon completion of the investigation, human resources will relay the findings on a business need-to-know basis. All sick leave investigations will be conducted in a manner that will obtain the needed operational information while protecting the privacy of the employee.

- C. Employees found to be abusing sick leave will have their time reverted to leave without pay and will be subject to the disciplinary process.

Section 5. Required Physical Examination. Should an employee be required by the employer to undergo a medical examination, the employer shall bear the expense of such examination. The medical report shall be submitted to the employer and is the property thereof.

Section 6. Bereavement Leave.

- A. The amount of authorized bereavement leave shall be the amount required under state and/or federal protected leave laws. The County shall provide for twenty-four (24) hours paid bereavement leave for each immediate family member which shall count towards the statutorily mandated leave if the employee qualifies. If remaining bereavement leave time is needed, an employee shall be allowed to use accrued leave, or leave without pay, at the option of the employee.
- B. In the event all accruals have been exhausted, the employee will be granted up to five (5) days unpaid bereavement leave for each death of a family member as defined in Section 12 of this article.

Section 7. Sick Leave Without Pay.

- A. Sick leave without pay shall be granted for one occurrence up to a maximum of ten (10) working days. This option shall be exercised by an employee, only once in a twelve (12)-month calendar year period and the days taken off must be consecutive. Any exceptions

to this will be subject to department head approval. Upon returning to work, the employee shall be returned to their former position and shift in that week's schedule. In the event the employee's leave qualifies under the provisions of the Family Medical Leave Act (FMLA), the Oregon Family Leave Act (OFLA) or related federal or state law, any leave granted under the provisions of this section shall be counted against leave granted under the designated protected leave.

- B. Upon written application by an employee, leave without pay may be granted by the department head for a serious health condition when FMLA/OFLA entitlements have been exhausted. The department head may authorize sick leave without pay not to exceed six (6) months duration or until such employee is released by the employee's physician, whichever comes first. Denials will be based on business need.

Section 8. Sick Leave Accruals Following Reappointment or Recall from Layoff. An employee, who was previously employed within the last twelve (12) months, and who is rehired and qualifies for reappointment under the county personnel rules or following a hearing or layoff recall shall have the balance of their sick leave accrual restored. The amount of the restored accrual balance will be equal to the accrual balance of the last day worked.

Section 9. Notification. An employee who is ill and unable to report to work shall make a reasonable effort to notify their supervisor or designee as soon as the employee becomes aware that they will be unable to perform their assigned duties. Whenever possible, such notice should be at least within sixty (60) minutes before the employee's reporting time. Employees at twenty-four (24)-hour facilities shall give two (2) hours' notice that they will be unable to perform their duties. In the event illness or an emergency prevents the employee from such notification, the Employer may require written explanation of the failure to report in a timely manner. It shall be the responsibility of management to make the facilities or staff available to accomplish this notification. In case of a continuing illness, the Employer may require the employee to keep the supervisor or designee advised of the employee's inability to report to work on a daily basis.

Whenever an illness requires the employee's absence in excess of five (5) working days, the employee shall make every reasonable attempt to notify the Employer as soon as possible.

Section 10. Separation. No compensation for accrued sick leave shall be allowed for any employee when the employee is separated from county service.

Section 11. Protected Leave. Employees who meet the requirements, may be eligible for

protected leave in the form of family, medical, domestic violence, and military leave in conformance with the Family Medical Leave Act (FMLA), Oregon Family Medical Leave Act (OFLA), Oregon Victims of Certain Crimes Leave Act (OVCCCLA), Oregon Military Family Leave Act (OMFLA), and Paid Leave Oregon (PLO).

Family Medical Leave Act (FMLA), Oregon Family Leave Act (OFLA), and Paid Leave Oregon (PLO) leaves run concurrently, as specified by law. Employees desiring to access their benefits under either law must notify their supervisor and HR Leave Administrator. While on FMLA or OFLA for their own serious health condition, employees will use sick leave first, then vacation, and then may choose to use other forms of leave prior to leave without pay, unless an exception is granted by the chief human resources officer or designee. While on FMLA or OFLA for the serious health condition of a family member or for parental leave (not to be confused with pregnancy disability), employees may choose to use other forms of paid leave prior to using sick leave. Sick leave and vacation must be exhausted prior to leave without pay.

Employees on FMLA/OFLA, for other than intermittent leave may elect in writing, at the onset of their leave, to retain up to forty (40) hours of sick leave. Employees with leave accruals are not eligible for donated leave.

Any conflicts in the administration or interpretation of the provisions under either law shall first be resolved by the application of the appropriate federal and/or state statute.

Section 12. Definition of Family Members. For the purposes of this article, immediate family includes parent, child, sibling, spouse, grandparent, grandchild, equivalent in-laws, and domestic partners. Relatives not listed who reside in the employee's household are also included in the definition.

For employees taking time off under a particular Oregon State and/or federal law, the definition of family member will be as defined by the appropriate Oregon State and/or federal law.

ARTICLE 9 – OTHER LEAVES

This article does not apply to temporary employees.

Section 1. Other Leaves of Absence with Pay. An employee holding a position in county service shall be granted a leave of absence with pay for:

- A. Service with a jury. Employees who are excused from jury service before the end of their workday shall promptly report their availability for assignment to their supervisor.

All jury fees, except mileage and meals, received by the employee, shall be turned over to the county.

- B. Non job-related appearance before a court, legislative committee, judicial or quasi-judicial body, as a witness in response to a subpoena or other direction by proper authority not to exceed one (1) full workday where the employee is not a party in the case. Employees, who are excused from court appearance before the end of their workday, shall immediately report their availability for assignment to their supervisor. All witness fees, except mileage and meals received by the employee, shall be turned over to the county.

Section 2. Other Leaves of Absence Without Pay. Prior to the expiration of all accrued leave, except sick leave, the employee may request in writing, a non-paid absence, i.e., leave without pay (LWOP). In instances where the work will not be seriously impeded by the temporary absence of an employee, the department head may authorize such leave, not to exceed one (1) year. If such leave is denied by the department head, the employee may appeal the denial to the chief administrative officer within ten (10) days of the denial. It is the intention of the parties that these provisions should, in substance if not in absolute form, result in no substantial additional cost to the county and no substantial effect on the net pay of employees.

If this agreement is determined to be unlawful, ineffective or unenforceable by a final order of a court or agency of competent jurisdiction and if such order requires any payment by the county or payment to the county by one or more members of the Board of Commissioners or any officer or employee of the county as a result of such determination, the Union, its individual members and any successor organization agree that individual bargaining unit members will repay any salary, retirement benefits improperly paid, and taxes of FICA, including any ordered interest.

county shall endeavor to maintain as many qualified employees as possible for carrying the cell phone so as to minimize the number of times an employee will be required to carry the cell phone during a calendar year.

- B. Duties. The employee assigned to the duty will be responsible to answer after-hour calls for Marion County.

The employee will determine the likely nature of the emergency and the resources needed to correct the problem. The employee will see that those resources are appropriately assigned and will remain available to follow up by assigning additional resources, as needed. If qualified, the employee may assign themselves to correct the problem.

In the event the employee is called for a non-emergency, they may delegate response to the next business day and may request management to review the incident. Management shall encourage the reporting of calls that may not have been emergencies.

The county will develop a list of the qualifications of the employees and those employees will be called as the first resource for meeting said emergencies. The county will provide a list of contractors who can be called in the event no employee is qualified or available. An additional fifteen (15) minutes of time shall be accrued for each call they receive or make between the hours of 10:00 p.m. and 6:00 a.m. Example: A six (6)-minute phone call received at midnight would result in a total of twenty-four (24) minutes of compensatory time (six (6) minutes x one and one-half (1.5) = nine (9) + fifteen (15) = twenty-four (24)). This section is not intended to require employees to make themselves available to receive after-hours, work-related phone calls.

Employees paid on an hourly basis and working an eight (8)-hour workday will be compensated at an hourly rate equivalent to employees in the same classification, doing the same job, who work a seven and one-half (7.5)-hour day. No employee shall have their hourly rate of pay reduced as a result of this section.

If an appointing power believes it is necessary to make an appointment or reinstatement above the entrance rate, the appointing power may do so if allowed by the Marion County Personnel Rules.
- C. Merit Increases. Merit increases shall be based on satisfactory service. Employees shall be eligible for in-range merit increases on their established anniversary date until such time they have reached the top step of the classification in which they are employed. The eligibility date, for the purpose of this section, shall be the date upon which the employees are granted their first in-range merit increase to the next step of their pay range. This eligibility date may be changed as a result of the timing of future in-range merit increases, promotions or reclassifications.
- D. Eligibility for Merit Increases. New employees shall be advanced to the second step of the pay range for their classification six (6) months from the date of hire after satisfactory service in their classification. In those cases where new employees are appointed above the minimum step of the pay range for their classification, eligibility for advancement to the next step shall be the same as though they were appointed at the minimum step, unless otherwise ordered by the board. Thereafter, eligibility for advancement to each succeeding step of the pay range shall be after each additional year of satisfactory continuous service at the preceding step.

The date of such promotion or reclassification shall establish a new anniversary date for subsequent merit increases.
- F. Movement to a Lower Classification. If an employee is reclassified to a position in a classification with a lower pay range, their pay rate may remain the same if it is within the pay range of the lower classification. If the employee's current pay rate is not

within the lower pay range, the reduction in wages shall not occur until one (1) year after the effective date of the reclassification. If the reduction is more than one (1) pay range, the decrease will occur incrementally not to exceed three (3) years. Incremental decreases will occur annually beginning one (1) year from the effective date of the reclassification. At the end of the third (3rd) year, the employee's rate of pay will be adjusted downward to the lower pay range. The pay range adjustments will be aligned with the beginning of the pay period closest to the anniversary of the effective date of the reclassification that does not negatively impact the employee. The anniversary date does not change as a result of the movement to a lower classification.

- G. Demotion. Employees who voluntarily demote or are demoted for cause shall be placed in the new range at a step closest to the former rate of pay without resulting in a pay increase. The anniversary date does not change as a result of the demotion.

ARTICLE 20 – DISCIPLINE AND DISCHARGE

This article does not apply to temporary employees.

Section 1. Disciplinary action may be imposed upon an employee only for just cause using the principles of progressive discipline.

Section 2. If disciplinary action is to be taken against an employee, it shall be done in a manner that will not embarrass the employee before other employees or the public. Discipline may include but not be limited to:

- A. **Oral Reprimand.** This is a warning procedure rather than a disciplinary one and should serve to forestall the employee from being placed in such a position that a more severe form of formal penalty must be used.

- B. Written Reprimand. The written reprimand is also a warning procedure. However, the written reprimand is used to put the employee on official notice that future abuse will result in a more severe form of action.
- C. Suspension Without Pay. Suspensions are a commonly used form of discipline after an oral and written reprimand. However, it can be used sooner based upon the severity of the misconduct. The county may suspend an employee for disciplinary reasons for a period not to exceed thirty (30) days at any one time by notifying the employee and stating the reasons for this suspension in writing. No service credit may be acquired by an employee during the period of suspension, regardless of the length of suspension.
- D. Reduction In Pay. Reductions in pay for limited periods of time may be used as a sanction against employees in lieu of suspension generally after an oral and written reprimand. It can be used without previous discipline if the nature and severity of the misconduct warrant the discipline. Employees will be placed on steps in any pay reduction and the reduction will not exceed one (1) year.
- E. Demotions. Demotion, both in pay and to a lower classification, may be used as a form of discipline when discharge is not warranted. Such action shall be subject to the rules governing demotions.
- F. Dismissal. The county may dismiss for just cause any regular employee under the county's jurisdiction. The Employer may omit steps of progressive discipline if the employee's misconduct is of such severity that an immediate dismissal action is required.

Section 3. Due Process Notice and Meeting. In any discipline resulting in termination, suspension, or reduction of pay, employees shall receive before the imposition of such discipline:

- A. A statement of improper conduct, inadequate performance, or other cause for discipline engaged in by the employee; and
- B. A statement that suspension, reduction in pay, demotion or dismissal is being considered as a possible sanction to the stated improper conduct, inadequate performance or other cause; and
- C. A statement of the time within which the employee may choose to respond to the statement of cause and statement of discipline under consideration.

An employee who has been notified that suspension, reduction in pay, demotion or dismissal is under consideration must be given this notice with a copy to their steward of record at least two (2) twenty-four (24)-hour working days prior to the date of the due process meeting. Extensions requested by the steward will not exceed three (3) additional twenty-four (24)-hour working days to respond to the statements in the notice including providing mitigating evidence. The county and the Union may, by mutual agreement, extend the time to respond past the two (2) or five (5) days.

An employee may then be suspended, reduced in pay, demoted or dismissed if:

1. The employee has responded to the statements in the notice that suspension, reduction in pay, demotion or dismissal is under consideration and the employee's response has been received and reviewed by the appointing power; or
2. The employee has not responded to the statements in the notice within the time stated in the notice that suspension, reduction in pay, demotion or dismissal is under consideration.

Suspension, reduction in pay, demotion or dismissal shall be by written notice to the local Union president, local chief steward, SEIU Member Resource Representative, and the employee. Suspension, reduction in pay or dismissal may be effective upon delivery of notice of dismissal to the employee or upon any stated time thereafter. The department management or elected officials shall consult with the county counsel and human resources prior to the imposition of a suspension, reduction in pay, demotion or dismissal.

Section 4. Any employee who holds regular status in the classified service who has been the subject of a disciplinary action other than suspension, reduction in pay or dismissal, may appeal such action pursuant to Article 21, Grievance and Arbitration Procedure. Suspension, reduction in pay or dismissal shall be appealed directly to step two of the grievance procedure. The appeal must be filed no later than ten (10) working days after the effective date of suspension, reduction in pay or dismissal. Letters of reprimand and oral reprimands may be grieved up through Step 2 and, with mutual agreement of the parties, can include mediation. If an employee later receives a more serious form of discipline, the arbitrator shall consider the merits of the reprimand in conjunction with the other discipline.

Section 5. Any disciplinary action (including but not limited to oral reprimands, written reprimands, suspensions, reductions in pay, demotions, or dismissals) will be documented in writing. A copy of the documentation will be provided to the employee and to the

MCEA Union President, Chief Steward, and the SEIU Organizer.

Section 6. Notifications to employees for investigatory meetings and for paid administrative leave will include a list of current MCEA stewards.

ARTICLE 21 – GRIEVANCE AND ARBITRATION PROCEDURE

Section 1. Definitions.

- A. A “grievance” is defined as a dispute, difference, disagreement or complaint between the parties related to wages, hours and conditions of employment. The complaint shall include, but is not limited to, the complaint of an employee or the Union, which involves the interpretation, application of or compliance with the provisions of this agreement. Temporary employees may only file grievances related to contract interpretations and not arising from oral reprimand, written reprimand, suspension, reduction in pay, or termination.
- B. “Working days” for the purpose of this Article is defined as all weekdays (i.e., Monday through Friday) not designated as a holiday under Article 6, Section 1 of this agreement.

Section 2. Grievance Procedure – Steps.

Step 1 (Informal)

Any party who believes that their contractual rights have been violated shall discuss the grievance with the employee’s immediate supervisor and Union steward. Within thirty (30) working days of the date the grievant first learned of the grievance or reasonably may have been expected to have learned of it, the employee shall submit a written request for a meeting with the individual’s immediate supervisor. The written request may be in the form of an email or official grievance form and shall include the employee’s name, date and a brief description of the dispute. The parties shall hold one or more meetings, to ascertain facts, investigate issues and, acting in good faith, attempt to resolve the dispute. The parties have ten (10) working days from the date the grievant’s written request was received by the grievant’s immediate supervisor to resolve the dispute, move to the next step, or request an extension/waiver of the timeline. Grievances arising from suspension, reduction in pay, or termination are to be initiated at Step 2 of this grievance procedure.

Step 2 (Formal Grievance)

If the grievance has not been resolved in Step 1, the Union shall file a formal written grievance with the department head. The grievance shall be filed by a Union representative within forty

(40) working days of the original written request for a step 1 meeting. Grievances arising from suspension, reduction in pay, or termination must be filed no later than ten (10) working days after the effective date of the suspension, reduction in pay, or termination. A copy of the formal written grievance shall be sent to human resources.

A formal written grievance at Step 2 shall contain:

- A. The name and position of the aggrieved party by or on whose behalf the grievance is brought;
- B. The date of the circumstances giving rise to the grievance or the employee's knowledge thereof;
- C. A detailed statement of the grievance, including all relevant facts, which are necessary for a full and objective understanding of the parties' position. The statement shall also contain an explanation regarding what provisions of the contract have been violated;
- D. A statement of the remedy or relief sought by the party;
- E. The signature of the person submitting the grievance; and,
- F. The person's name and position, if other than the aggrieved employee.

The department head shall meet with the employee and their Union representative within ten (10) working days after receipt of the formal grievance in an effort to resolve the complaint. The department head or designee shall respond, in writing, to the grievance within ten (10) working days following the meeting. The written response shall include the decision and the reason for the decision. The parties may mutually agree to extend time limits in order to resolve the grievance.

Step 3

If the parties have not resolved the grievance after Step 2, either party may appeal the matter to arbitration, in writing, within twenty (20) working days of the day the written step 2 decision was due or received, whichever is earlier. Mediation may be used as an alternative to arbitration when mutually agreed upon by both the county and the Union.

If the parties fail to mutually select an arbitrator within thirty (30) working days of the Union's request to arbitrate, the Oregon Employment Relations Board shall be requested by either party or both parties to provide a panel of five (5) arbitrators. Both the county and the Union shall have the right to strike two (2) names from the panel. The party requesting arbitration shall

strike the first name. Then, the other party shall strike one (1) name. The process shall be repeated and the remaining person shall be the arbitrator.

The arbitrator shall not add to, subtract from, modify or alter the terms or provisions of this agreement. The power of the arbitrator shall be limited to interpreting this agreement and determining if it has been violated and to resolve the grievance within the terms of this collective bargaining agreement. The decision of the arbitrator shall be binding on both parties. The arbitrator shall explicitly determine whether or not the terms of this agreement have been violated. Arbitrability issues shall be resolved by the arbitrator, and the arbitrator is empowered to hear a case on its merits prior to ruling on arbitrability issues.

Costs of the arbitrator shall be borne equally by both parties. Each party shall be responsible for costs of presenting its own case to the arbitrator. Any or all time limits specified in the grievance procedure may be waived by mutual written consent of the parties.

Letters of caution, consultation, warning, admonishment and reprimand shall not be used in any subsequent evaluation or disciplinary proceeding involving the employee, three (3) years after they have been placed in the records. After the three (3) year period, such letters shall then be removed from the employee’s personnel file and supervisory files at the written request of the employee.

ARTICLE 23 – RECLASSIFICATION/DESK AUDIT PROCEDURE

This article does not apply to temporary employees.

Section 1. Any employee may submit a request for a change in the classification of a position to human resources for a review and recommendation. The Board of Commissioners may affirm the personnel officer's decision, remand it back to the personnel officer for further review, or conduct a hearing on the appeal. The Board of Commissioners shall give at least three (3) days prior notice to the interested parties. Following the hearing, the Board of Commissioners shall render its decision, which shall be final.

Section 4. If an employee is reclassified to a position with a lower pay range, the employee's pay rate may remain the same if it is within the pay range of the lower classification. The county will move the employee to the lower pay range at the existing rate of pay. If this move places the employee between steps, the county will place the employee on the next higher step.

If the employee's current pay rate is not within the lower pay range, the reduction in wages shall not occur until one (1) year after the effective date of the reclassification. If the reduction is more than one (1) pay range, the decrease will occur incrementally not to exceed three (3) years. Incremental decreases will occur annually beginning one (1) year from the effective date of the reclassification. At the end of the third (3rd) year the employee's rate of pay will be adjusted downward to the lower pay range. The pay range adjustments will be aligned with the

If a tie still exists after reviewing the dates of employment, the department head shall determine the order of layoff.

Section 4. Layoff Procedure.

- A. The county or the affected department, prior to layoff, shall notify the Union thirty (30) days prior to the effective date of layoff. The county shall include in this notice any

employees to be exempted from layoff and a listing of seniority credit points for the employees in the affected department and classification.

The employee must complete a job application in order for the county to verify that the employee is qualified for the position.

If the county determines that the employee meets both the minimum requirements for the classification and the specific qualifications for the position, as determined by the department head, the department shall offer the position to the employee. In the event that more than one employee is under consideration, the department shall select the employee they feel is most qualified.

The department shall have a trial period not less than two (2) weeks or more than six (6) weeks to determine if the employee meets the specific requirements of the job. If the department determines the employee is not performing the requirements of the job, the employee will be given notice of the employee's performance deficiencies at least two (2) weeks prior to the expiration of the trial period. If, after receiving the notice, the employee is still not meeting department standards, the department may terminate employment provided reasons for the termination are in writing and are based on reasonable performance standards.

The decision to reject appointment based on not meeting the specific performance related qualifications is not subject to the grievance procedure.

Employees who do not meet the specific requirements of a position and are removed during the trial period shall be returned to their original department layoff list.

If the employee did not complete their trial service period in the classification, the employee must complete the remainder of their trial service period in the new position.

Section 6. Removal During Trial Service Period. An appointing authority may dismiss an employee at any time during an employee's trial service period if, in the opinion of the appointing authority, the employee is unable or unwilling to satisfactorily perform the job duties or if the employee's work habits, conduct and dependability do not merit continuance in county service. Prior to dismissing an employee, the appointing authority will consult with human resources.

Section 7. Prior to completion of an employee's trial service period, human resources will request the appointing authority to report whether the employee's performance was satisfactory or unsatisfactory. The reply will be returned to human resources not less than ten (10) working days prior to the end of the trial service period. If the reply is satisfactory, the employee shall be deemed to have satisfactorily completed the trial service period and thereby be accorded regular status in classified service. A notification of unsatisfactory service ordinarily shall be accompanied with notice of termination. Prior to completion of an employee's trial service period, the appointing authority will evaluate the employee's job performance. The evaluation will be submitted to human resources not less than ten (10) working days prior to the end of the trial service period.

If the employee's performance is unsatisfactory, the appointing authority shall either work with the Union president or vice president and human resources to extend the employee's trial service, or will dismiss the employee. Extension of trial service will not exceed 12 months from the date of hire or placement.

ARTICLE 27 – EFFECT OF LAW AND RULES

Section 1. This agreement is subject to all existing and future laws of the State of Oregon.

Section 2. The parties shall be provided all of the rights and benefits extended by the personnel rules in all matters which are not addressed in this agreement. Any violation of this section shall be addressed through the grievance procedure.

ARTICLE 28 – SCOPE OF AGREEMENT

This document constitutes the sole and complete agreement between the Union and the county and embodies all the terms and conditions governing the employment of employees in the bargaining unit. The parties acknowledge that they have had the opportunity to present and discuss proposals on any subject, which is or may be subject to negotiation. Any prior written or unwritten commitment or agreement between the county and the Union or any individual employee covered by this agreement is hereby superseded by the terms of this agreement.

ARTICLE 29 – SAVINGS CLAUSE

Should any of the provisions of this agreement be found by a court of competent jurisdiction to be unlawful, unenforceable, or made illegal through enactment of state or federal law, all other provisions of this agreement shall remain in full force and effect for the duration of this agreement.

ARTICLE 30 – NOTICES

Section 1. Prior to planned adoption, the county shall provide to the Union president and organizer a copy of any new or proposed modification to an existing rule, policy, and/or procedural statement which directly relates to employment relations matters for the purpose of soliciting written comments or discussion.

Section 2. The Union shall have the opportunity to request a meeting of the labor-management committee for the purpose of providing comment or seeking clarification of the intent of the proposed new or modified rule, policy, and/or procedural statement.

Section 3. The parties agree that the demand to bargain period required under ORS Chapter 243 shall be waived for the time needed to conclude or reach impasse at the labor-

management committee meeting. This article nor any other provision of this agreement shall constitute a waiver of the Union or the county's rights pursuant to ORS Chapter 243, to bargain on new rules, policies, and procedures and/or changes in current rules, policies, and procedures that are mandatory subjects of negotiations. The county agrees not to raise timeliness defenses to those issues brought by the Union to the labor-management committee for comment or clarification pursuant to the terms of this article.

ARTICLE 31 – JOB SHARING

This article does not apply to temporary employees.

Section 1. Any employee who wishes to work in a job share position may make a written request to the department head. The request shall include the agreement between the two (2) employees who will be sharing the position. The department head may approve or deny the request based upon the operating requirements of the department and the job required qualifications of the position being considered for job share. No reasonable request shall be denied. No current employee shall be forced to participate in a job sharing position if participation results in a loss of pay or benefits.

Section 2. The employees involved in the job share must develop an agreement that designates which employee will accrue the health, dental, life, and long-term disability benefits. Changes to the agreement may only be made during the annual Marion County open enrollment period or if the job share agreement is ended.

Section 3. Vacation leave, sick leave, holidays, and personal holidays may be prorated provided the total cost to Marion County paid to the job share employees never exceeds one (1) full-time position, including all benefits.

Section 4. When a vacancy occurs in a job share agreement the remaining job share employee will be responsible for fulfilling all of the duties and FTE requirements of the position.

ARTICLE 32 – CONTRACTING OUT

This article does not apply to temporary employees.

Section 1. Definition. “Contracting out” is defined as follows: Entering into an agreement/contract with the private sector or public agency to provide a service previously performed by bargaining unit employees. The term “contracting out” does not include the refusal of the Board of Commissioners to provide a service and/or the refusal of the Board of Commissioners to accept local, state or federal funds to provide a service previously performed by bargaining unit employees.

Section 2. The Union recognizes that the county has the management right to decide to contract out bargaining unit work to the private or public sector. Such decisions shall, however, be made only after the affected department has conducted a formal feasibility study determining the potential cost and other benefits which would result from contracting out. The county agrees to notify the Union within five (5) business days of its decision to conduct a formal feasibility study indicating the job classifications and the work areas affected. The county shall provide the Union with no less than thirty (30) calendar days notice that it intends to contract out bargaining unit work. The notification by the county to the Union of the results of the feasibility study will include all pertinent information, bids and other data upon which the county based the decision to contract out the work including, but not limited to, the total cost savings the county anticipates.

The county and the Union shall meet within five (5) working days of the delivery by the county to the Union of all pertinent information upon which the county based the decision to contract out. The Union shall have thirty (30) days to submit an alternative proposal. No contract will be awarded pending the timely receipt of the Union's proposal. If the Union's proposal would result in providing quality and savings equal to or greater than that identified in the management plan, the parties shall agree in writing to implement the Union proposal.

Should any full-time bargaining unit member be laid off or displaced as a result of contracting out, the county and the Union shall meet to discuss the effect on the individual(s). The county's obligation to discuss the effect of such contracting out does not obligate it to secure the agreement of the Union or to exhaust the dispute resolution procedure in this agreement or under the Public Employee Collective Bargaining Act set forth in ORS 243.650 through ORS 243.782 concerning the decision or the impact of the contracting out.

Section 3. Prior to following the regular recruitment and selection process, employees displaced by contracting out shall be placed in positions within county service for which they are qualified as the positions become available. However, such placement shall not take precedence over placement of other employees through recall from layoff, return from on-the-job injury status, promotions or internal appointments. If there are multiple displaced workers qualified for a position, the department head or appointing authority shall select the most qualified applicant.

Section 4. The County will supply the Union, by February and September, a list of contractors it is currently using to fill bargaining unit positions, the name of the employees working for the County under that contract, their department, their classification, and their start date.

ARTICLE 33 – LIFE OF AGREEMENT AND TERMINATION

Section 1. This agreement shall take effect July 1, 2024, and shall be in full force and effect through June 30, 2026. If either party wishes to renew or modify the agreement as of July 1, 2026, notification of such renewal or modification must be submitted in writing by December 1, 2025. Negotiations shall begin in December 2025 at a time convenient for both parties.

Section 2. This agreement shall remain in full force and effect during the period of negotiations except that if a new agreement is not reached by July 1, 2026, the agreement may be terminated by giving the other party at least thirty (30) days written notice of its intent to terminate the agreement. This agreement may be terminated at any time by mutual agreement of the parties.

Section 3. Any letters of agreement must be signed by the chief administrative officer, the appropriate elected official or department head, human resources, and the designated representatives of the Union to be valid. Such letters of agreement shall be attached and made part of the labor agreement. Any letters of agreement not mutually renewed prior to adoption of this agreement or reached as a result of the process noted above shall become void and invalid.

Section 2. Policy. No temporary employee can perform temporary work for more than one thousand forty (1,040) hours in a fiscal year (July 1 – June 30). A temporary employee may work more than twelve (12) months provided they do not exceed their yearly allocation of hours and they comply with the definitions set forth above. Once the temporary employee has performed temporary work for one thousand forty (1,040) hours in a fiscal year, the temporary employee shall be terminated and the Employer will not hire another temporary employee for the same duties in the same fiscal year unless the department is granted an extension by the labor-management committee or the department has requested and the Employer has approved a budgeted position.

Employees may fill both regular, part-time positions and temporary positions in two (2) or more departments provided they do not work more than one thousand forty (1,040) hours in a fiscal year.

Section 3. Extension Procedure. The labor-management committee's approval is required for extensions. Requests must be made thirty (30) days prior to reaching the one thousand forty (1,040) -hour deadlines. Any extension granted by the labor-management committee will result in the employee continuing their employment as a temporary employee doing temporary work.

Section 4. Application of Contract Articles. The following articles apply in their entirety to Union represented temporary employees:

Preamble, 1, 2, 3, 5, 15, 17, 19, 25, 27, 28, 29, 30, 33, 34, and 35

Section 2. The Union agrees to the reasonable suspicion testing as outlined in the county’s Drug and Alcohol Free Workplace Policy.

- A. Supervisors will advise employees that they may request a steward be present as an observer during the testing process if a steward is available and can be present without delay to the testing process.
- B. If an employee believes a manager may be impaired due to drugs or alcohol, the employee may report their observations to human resources. Human resources staff will determine if the manager’s condition satisfies the reasonable suspicion criteria for testing. No employee shall be subject to discipline or retribution for reporting a supervisor unless the county can prove the claim was made without merit or in bad faith by the employee.
- C. Any regular employee disqualified for employment due to failure to pass a pre-employment drug test may be subject to discipline in accordance with Article 20 of the collective bargaining agreement. Imposition of discipline will be determined on a case-by-case basis.

Section 3. The county agrees to the following declaration of intent as to the application of that policy to the Union and its members:

- A. The county agrees that managers will be held to the same standards and conditions under the Drug and Alcohol Free Workplace Policy as they apply to represented employees.
