

Considering an internship with Behavioral Health?

Here are some of our internship sites:

Children's Behavioral Health: CBH provides general outpatient mental health services to youth ages 0-17 years and their families, who are Medicaid eligible.

Adult Behavioral Health: Our ABH team provides outpatient treatment services and supports to adults over 18 years of age who are diagnosed with serious and persistent mental illnesses (i.e., Schizophrenia, Schizoaffective Disorder, Bipolar Disorder, etc.).

Horizon House: Horizon House is our residential treatment facility that offers high quality, evidence-based mental health treatment options in a compassionate, trauma-informed, patient centered manner.

Behavioral Health Crisis Center: BHCC provides crisis intervention services 24 hours a day, seven days a week, for anyone who perceives themselves to be in a mental health crisis.

Please visit our website [Behavioral Health Services \(marion.or.us\)](http://marion.or.us) to learn more.

If any of the above sound like a good fit for your academic goals, please submit an online application here: [Volunteer/Intern Application](#). Please note that preference will be given to students enrolled in a graduate program.

When completing your application, please be prepared to provide:

- Cover letter with desired population you are looking to work with
- Current resume
- Indicate your year in graduate school
 - Advanced Placement?
 - 2-year program?
 - 3-year program?
- Is this your first-year internship or practice?
- Is this your second/final-year internship?
- When would you like to start?
- When do you expect to complete?
- School and program you are enrolled in
- School field liaison's contact Information: Name, email, and phone number

**Thank you for considering Marion County Behavioral Health for your
internship experience.**
