Intellectual and Developmental Disabilities Advisory Committee Seeking New Members

Marion County leaders rely on community members to inform their decisions and policymaking. One way to participate is to join a Marion County advisory board. The Marion County Board of Commissioners and Health and Human Services Department are accepting applications to serve on the Marion County Intellectual and Developmental Disabilities Advisory Committee (IDDAC).

The IDDAC supports the effective development and operations of the IDD services in Marion County. Committee members have unique knowledge, expertise, or personal experience around intellectual developmental disabilities needs and services. Community members are invited to apply for the following represented positions on the IDDAC:

- Service provider
- Advocate
- Community partner
- Client or family of a client

The IDDAC currently meets virtually on the 2nd Wednesday of the month (except for July & August) from 10:00am-12:00pm. Applicants must be 18 years of age, and live or work in Marion County to be eligible for appointment to the IDDAC. Committee members are appointed to 4-year terms.
