## The fix is in at Repair Fair & Share

Start your year off by learning a new skill. The Repair Fair & Share takes place 4 to 7 p.m. Saturday at The Northwest HUB, 1230 Broadway St. NE.

This event is an opportunity to learn to make minor repairs. If you have a broken item, bring it, along with any needed parts. Accepted items include computers, jewelry, stringed instruments, bikes and small appliances, but no microwaves or CD players. There also will be garden-tool sharpening. The fixer will help teach you how to repair

your item so it if happens again, you will be armed with the knowledge to fix it yourself.

Are you a fixer? Lend your skills, and help teach others. To volunteer, contact Jessica Ramey at 503-365-3180.

There is no cost to attend, but donations are appreciated. Cherry City Sweet Spot food truck and Santiam Brewing Co. will be on site selling food and beverages. For information, call 503-365-3180.
