Public Invited to Wintercreek Road Reconstruction Meeting

JEFFERSON, OR - On May 15, 2019, Marion County Public Works will hold an open house meeting to update the public on the upcoming Wintercreek Road Reconstruction project. The meeting will be held from 6:00-7:00 p.m. at the Greater Jefferson Community Center at 109 S. Main Street, Jefferson, Oregon.

Marion County has awarded a contract to North Santiam Paving to reconstruct Wintercreek Road from Jefferson Hwy (OR-99) to Parrish Gap Road. Construction will include replacing a culvert, constructing a modular retaining wall, installing guardrail, pavement grinding, asphalt paving and new pavement signing and striping. The project will also include extensive work east of Skelton Road to correct sight distance issues.

Marion County and North Santiam Paving will provide a short presentation including the preliminary construction schedule, various construction topics and points of contact to be used during construction. Marion County and North Santiam Paving appreciate your patience during construction.

Accommodations will be provided to people with disabilities. If you have questions regarding this project, or to request an accommodation to participate in this meeting, please call Tina Powell at 503-588-5036 at least 48 hours prior to the meeting. This facility is accessible for people with disabilities.
