MARION COUNTY PUBLIC WORKS

NOTICE OF MARION COUNTY GUARDRAIL REMOVAL AND REPLACEMENT

Marion County's contractor, Mid Valley Excavation, will soon begin work to improve guardrail along sections of Skyline Road and Viewcrest Road in the south Salem area. The work is scheduled to begin July 14, 2025 and be completed by July 31, 2025. Construction hours are 7:00 am to 5:00 pm.

The roads will remain open during construction with flaggers directing traffic through the work area. Please remember that flaggers are there for your safety as well as the construction crew in the area. Always obey posted construction signs.

The contractor is responsible for the construction schedule and may need to modify the schedule. Marion County will have inspectors on site during most construction activities. Do not hesitate to take questions or concerns to the inspector who will be happy to provide assistance.
