Subject: 2nd Open house to discuss the upcoming Hazelgreen Road Bridge Replacement project and right-of-way process.

Marion County has been awarded federal funds to replace the Hazelgreen Road Bridge which spans the Pudding River between Howell Prairie Road and Mt Angel Highway. The new bridge will be wider, more seismically resilient, and will meet current roadway and structural standards.

The bridge replacement will require Hazelgreen Road to be closed during one construction season. Construction is expected to begin in the summer of 2024.

You may view project information prior to the meeting at:

This second Open House is being held primarily to discuss the right-of-way process and survey staking, which will allow property owners to see how their property line relates to the existing right-of-way. We will also be available to address any concerns you may have about how your property will be impacted by the project. Neighbors and interested parties are welcome to arrive anytime between 5 PM and 7 PM.

Please join us for this important information session. If you are unable to attend but have questions about the project please contact Mark Foster, Project Manager at 503-588-5036 or email MAFoster@co.marion.or.us.
