Marion County has awarded a construction contract to K & E Excavating Inc for the North Fork Road slide remediation. Work will include constructing a sheer key buttress to remediate the slide, followed by reconstructing the roadway with stone embankment, drainage improvements, and stormwater treatment. The finished road will have a 22-foot-wide paved asphalt surface with guardrail.

North Fork Road will be closed between milepost 4.9 and milepost 5.5 for several months. The detour route will be Gates Hill Road and OR 22. A significant increase in traffic on Gates Hill Road should be expected all summer.

You may arrive anytime between 4:30 P.M. and 6:30 P.M. If you are unable to attend but have questions about the project please contact Scot Tencza, Project Manager at 503-588-5036 or email STencza@co.marion.or.us.
