MARION COUNTY SHERIFF'S OFFICE

Criminal Investigations Unit – Crime Data Analysis ALPR Monthly Report – October 2026

Type of Report: Monthly

Month or Quarter: October 2026

Name of System: Rekor

Number of Cameras: 12

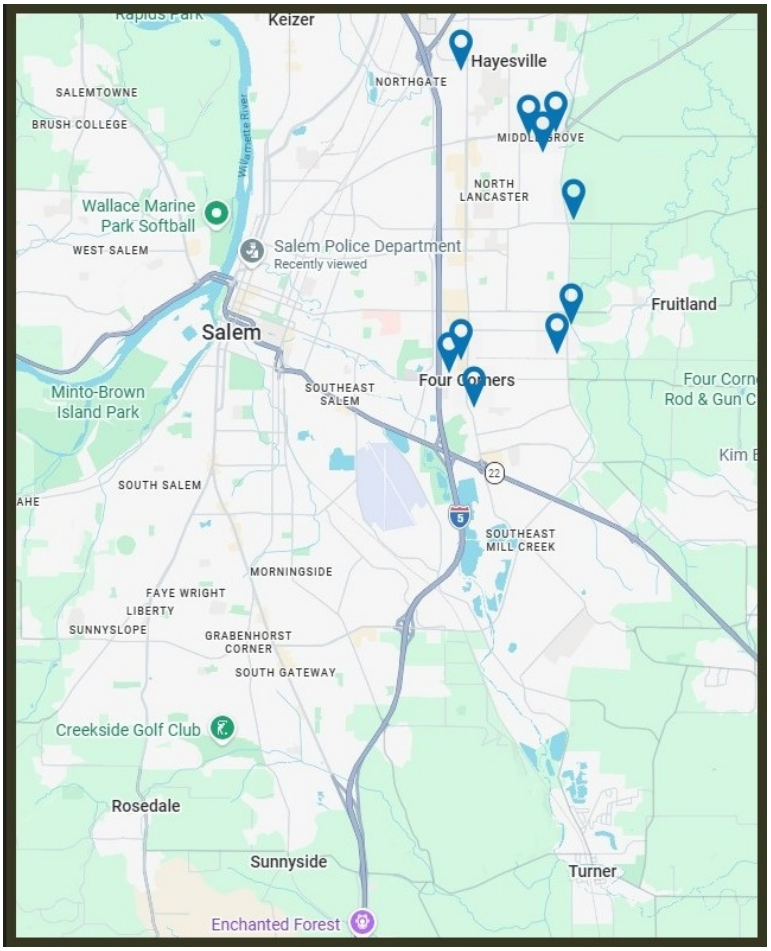

Agencies with access to our data:
KEIZER PD
MONMOUTH PD
NEWBERG-DUNDEE PD
SALEM PD

Number of authorized users: 87

Total plates captured: 3,036,218

Total alerts generated: 4,200

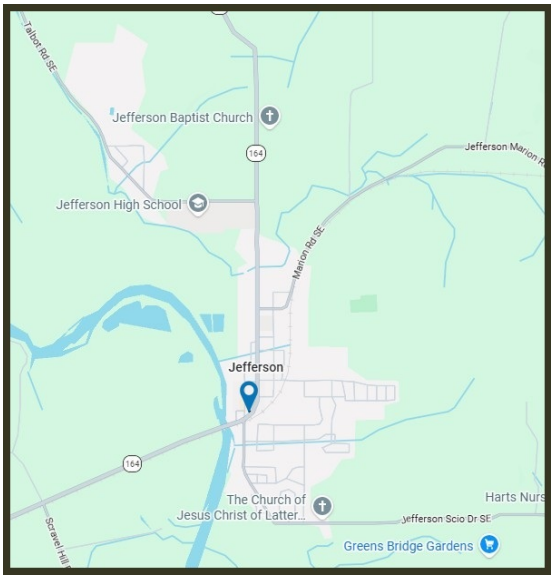

Total number of searches: 1,010

Disclaimer:
Oregon Law requires the Marion County Sheriff's Office to provide the following information related to Automated License Plate Reader Systems (ALPR).

Monthly ALPR Audit Report:

* Number of ALPR cameras installed
* Location of cameras
* Number of searches of captured ALPR data
* List of LE agencies who have access to our data
* Number of authorized users for the ALPR system
* Number of unique vehicles captured by the system
* Number of alerts generated by the ALPR system
* For searches conducted by LE, include who the search was conducted by, date and time of the search, law enforcement purpose for the search.

Quarterly ALPR Audit Report:

* Authorized user who conducted the search
* Agency who employes the authorized user
* Government agency of entity on whose behalf the search was conducted by LE agency
* Date and time of the search
* LE purpose of the search
* Number of cameras or devices accessed as part of the search

MARION COUNTY SHERIFF'S OFFICE
