Terry -

Greg – Sad to see French Prairie deputy Todd Bay go away with retirement. He has been very successful at building community trust. Look forward to finding a new deputy. Traffic safety improvements have been occurring over the summer. Grant that county received is being implemented. City of Newberg brought citizens to talk about four E's. Fourth E is emergency response. Did see some traffic fatalities this summer. Motorcycle accidents seem to be very high. Sara will check with Jessica on the status of the Citizens Academy.

Commander Kast – Promoted to Enforcement Division Commander in July. Looking forward to major projects including East Salem Service District.

Marilyn Long – ESSNA – interested in seeing distinction with Four Corners and Hayesville titles instead of East Salem Service District.

Doug – very great to see National Night Out participation. Inmate Work Crews at Holland Park helped to clean things up; there are many different events at the little league park. Very appreciative of this help.

Commander Hlad – Moved to Operations Division; working on hiring process to ensure we are very competitive. Tightening timelines to help keep recruits moving through so we don't lose to other agencies. Heading to Civil conference this week; new area of responsibility.

Sheriff Myers – Debrea has relocated to Arizona and had to resign from this committee. East Salem Service District – thanked this group for showing up and sharing thoughts

and support for this project. It passed; we have the fee in place and it will show on the property tax roles. A town hall is coming up for the East Salem Service District that will be a conversation on a variety of topics. Sara has sent this group a flyer on this.

Gary – South county report – made it through Harvest Festival. Concern over rodeo events that are held on harvest fest grounds; alcohol concerns; Sheriff and Cmdr Kast will check with OLCC. Albus Road house concern. 250 new homes in Sublimity; 500 homes in Stayton.
