- Debrea – Lives near Lucky Fortune and had a neighbor mentioned a couple concerning incidents, including a possible assault, and requested increased enforcement drive-by's
- Doug - Note of appreciate, had two jail crews at Holland Youth Park off of Cordon Rd. Helped get the entire area for both a district and state tournament. Noted that jail crews are fantastic and say thank you. Much bigger impact than you might imagine.
- Herb – Used eclipse as an exercise for CERT, had a water tank truck in case of fires, were able to prevent some potential problems. Overall eclipse went well.
- Shirley – Summer brought a lot of new people in the Keizer area, saw a lot of petty theft. Was looking at Keizer burglary report, was surprised that many are 9am to 9pm. National night out numbers were up considerable, despite heat, had over 50 show. Had two drug houses shut down recently. Brought up homeless issues in the area and noticing an increase in

numbers. Discussed some bullets that have been coming across the river from Polk County, believed to be from a gravel pit. Last Sunday, heard some shooting and then heard an automatic weapon and bullets were landing in the area. Polk County Marine Patrol made contact with 5 individuals who were trap shooting with an AR-15. No citations issued. Had 17 neighbors show up to testify at a city council meeting to address these issues. Requesting that shooting cease and desist, immediately.

(Send Shirley a copy of the Homeless Taskforce Report)

- Karl – It's been very quiet downtown over the past 3 months. Noted that it was eerie in the days before the eclipse with very few people out. Wanted to mention appreciate for SO Operations and P&P who has been supporting him and checking in frequently.
- Glen – JanRee has been seeing a lot of petty thefts, suspicious people, etc, being mentioned on NextDoor. Mentioned that trucks and commercial vehicles have been using Ward Dr as a cut-off between Cordon and Lancaster, especially since the re-paving project. Also mentioned that he concerned many petty thefts are going un-reported, some of which may be due to burden of calling to report and having to answer numerous questions to dispatch.
