- b. **Regular meetings.** The council meets quarterly. Regular meetings may be canceled or changed to another specific place, date and time provided that actual notice is given.
- c. **Notice.** The council will provide for and give public notice, reasonably calculated to give actual notice, to board members, interested persons, news media that have requested notice, and the general public. Notice will include the time and place for holding regular meetings. The notice will also include a list of the primary subjects anticipated to be considered at the meeting. Distribution of meeting notices will be in a manner which maximizes the potential of the public to be aware of the proceedings and to participate.
- d. **Special meetings.** Special meetings may be called by the council chair by notifying all members by electronic mail and the general public through a news media notice not less than 24 hours prior to the time of the special meeting. A special meeting should be called only if necessary to conduct business that cannot wait until the next regularly scheduled meeting. Notice should be provided as soon as possible to encourage public participation.

- h. **Minutes.** The staff member assigned to the council will prepare meeting minutes. Minutes will include a list of the members present, motions, proposals, resolutions, and orders proposed and their disposition, the results of all votes and a vote by each member by name, the substance of any discussions on any matter, and reference to any document discussed at that meeting. Minutes will be distributed to the membership one week prior to the quarterly meeting. Staff will also distribute minutes to the Sheriff and post minutes on the Marion County website.
- i. **Agendas.** Items may be placed on a meeting agenda by any council member. The agenda will be distributed to members at least five days prior to a regular meeting.

8. **Officers**

- a. **Chair and vice-chair appointment.** The Sheriff will appoint a chair and vice-chair.

- c. **Vice-chair responsibilities.** In the absence of the chair, the vice-chair will assume the chair's responsibilities. If neither the chair nor vice-chair is available for a publicly convened meeting, then the assembled quorum of the meeting will select a temporary chairperson to conduct the meeting.

Council members are expected to declare a conflict of interest prior to consideration of any matter causing a potential or actual conflict.
- b. **Potential conflict defined.** A potential conflict of interest exists when a council member takes an action that reasonably could be expected to have a financial impact on that member, a relative, or a business with which the member or member's relative is associated. The council member may participate in an action after declaring the potential conflict and announcing its nature.
- c. **Actual conflict defined.** An actual conflict of interest exists when an action is reasonably certain to result in a special benefit or avoidance of a detriment to the council member, a relative, or a business with which the member or member's relative is associated. The member will declare the actual conflict and announce its nature. The member must then refrain from taking any official action, except when the member's vote is necessary to achieve a quorum.
